

## JOB DESCRIPTION

### Chaplain – (*specific role TBA*)

#### ABOUT UNITING

**Our purpose:** To inspire people, enliven communities and confront injustice.

**Our values:** As an organisation we are **Imaginative, Respectful, Compassionate and Bold.**

---

At Uniting, we take real steps to make the world a better place. Our services are in the areas of aged care, disability, child and family, community services, Chaplaincy and Pastoral Practice. We actively engage with social justice issues and advocate for the people we serve. At Uniting we celebrate diversity and welcome all people regardless of lifestyle choices, ethnicity, faith, sexual orientation or gender identity.

Uniting is one of the largest community service providers in NSW and the ACT, with a rich history of providing services to the community for more than 100 years. We have more than 550 services, as far north as Tweed Heads, as far west as Broken Hill, and as far south as the ACT.

Our focus, as the community services arm of the Uniting Church in Australia, is always on the people we serve, no matter their stage or challenge in life. Our range of supports and services are designed in collaboration with, and around the needs and hopes of, people in everyday community life.

The Uniting Church believes in love in action; motivated by the love of God expressed through the birth, life, death and resurrection of Jesus Christ.

This love is unconditional, all-encompassing and given freely to all people and was expressed in a concrete way by Jesus. We believe that the Bible not only teaches us about God's love in action, but also gives us direction as to how we should express God's love through our own words and actions.

We believe that we exist as a church because we are called to be together in mission, God's mission, which is to bring love, compassion, justice, freedom and hope to all of God's creation.
