

Casual Employment Opportunities Available Semester 1, 2020 – School of Civil, Environmental & Mining Engineering (ECMS)

Courses with casual work available:

Catalogue Number	Course Title
CEME 1001	Introduction to Environmental Engineering
CEME 1004	Engineering Mechanics - Statics
CEME 2004	Introduction to Geo-engineering
CEME 1004UAC	Engineering Mechanics - Statics
C&ENVENG 1013	Introduction to Architectural Engineering
C&ENVENG 2025	Strength of Materials II
C&ENVENG 2068	Environmental Engineering & Sustainability II
C&ENVENG 2071	Water Engineering II
C&ENVENG 3005	Reinforced Concrete Design
C&ENVENG 3020	Computer Analysis of Structures and Structural Dynamics
C&ENVENG 3029	Environmental Modelling & Management
C&ENVENG 3077	Engineering Hydrology
C&ENVENG 4034	Engineering Management IV
C&ENVENG 4041	Structural Design Practice
C&ENVENG 4056	Linear Geostatistics
C&ENVENG 4068	Computer Methods of Structural Analysis
C&ENVENG 4073	Water Distribution Systems & Design
C&ENVENG 4090	Special Topics in Civil Engineering
C&ENVENG 4108	Environmental Systems Dynamics
C&ENVENG 4112	Advanced Civil Geotechnical Engineering
C&ENVENG 4222A	Research Project Part A: Civil
C&ENVENG 7005	Reinforced Concrete Design
C&ENVENG 7020	Computer Analysis of Structures and Structural Dynamics
C&ENVENG 7029	Environmental Modelling & Management
C&ENVENG 7037	Water Distribution Systems & Design
C&ENVENG 7049A	Masters Civil Structural Engineering Project Pt 1

Continued on next page..

C&ENVENG 7049B	Masters Civil Structural Engineering Project Pt 2
C&ENVENG 7050A	Masters Civil Environmental Engineering Project Pt 1
C&ENVENG 7050B	Masters Civil Environmental Engineering Project Pt 2
C&ENVENG 7051	Geostatistics-Project and Thesis
C&ENVENG 7056	Linear Geostatistics
C&ENVENG 7060A	Geostatistics-Project & Thesis
C&ENVENG 7060B	Geostatistics-Project & Thesis
C&ENVENG 7061	Computer Methods of Structural Analysis
C&ENVENG 7077	Engineering Hydrology
C&ENVENG 7086	Engineering Management
C&ENVENG 7108	Environmental Systems Dynamics
C&ENVENG 7112	Advanced Civil Geotechnical Engineering
