### ORGANISATIONAL CONTEXT

---

Monash University is Australia's largest university, and member of the prestigious Group of Eight research intensive universities. Monash consistently rates in the top 100 universities in the world. In the 2019 QS Top Universities ranking by subject, Monash ranked 32 and 48 in the world in Medicine and Psychology respectively.

Monash University Malaysia is Monash's third largest campus, with over 8000 students and 800 staff. We are a comprehensive campus offering degrees in business, engineering, medicine, science, information technology, pharmacy, social science and humanities. We are rated among the very best among universities in Malaysia, and the quality of our research output positions us among the very best universities in Southeast Asia.

Monash University Malaysia provides Monash University with a platform for scholarly engagement with the dynamic Southeast Asia region. We are located in greater Kuala Lumpur, in the Klang Valley, one of the region's industrial hotspots. We sit in the heart of the rapidly developing economic corridor linking Singapore, Kuala Lumpur, Bangkok and beyond. Our education and research is oriented towards deep engagement with this dynamic social and industrial landscape.

In 2018 we celebrated our twentieth anniversary in Malaysia. During this time we have produced more than 16,000 graduates from more than 70 different countries. We provide a diverse and inclusive scholarly environment.

In 2017 Monash Malaysia was awarded a Six Star SETARA rating by the Malaysian Ministry of Education. This places us in the very top "outstanding" cohort of Malaysian Universities.

For further information see [www.monash.edu.my](http://www.monash.edu.my).

The Jeffrey Cheah School of Medicine and Health Sciences was established in 2005. The School's vision is to become a leading medical school in Asia, as measured by the quality and impact of its teaching and research, and, through these, to engage with and serve the community. By pursuing this vision, the school contributes to the University's mission to improve the human condition by advancing knowledge and fostering creativity.

The School offers the Bachelor of Medical Science and Doctor of Medicine, Bachelor of Psychological Science and Business, Bachelor of Psychological Science, Bachelor of Psychological Science (Honours), Bachelor of Medical Science (Honours), Postgraduate Diploma in Biomedical Science, Master of Professional Counselling, Master of Biomedical Science and Doctor of Philosophy (PhD) programs.

Delivery of the medicine program is spread over several locations with the first two years being taught at the Monash University Malaysia in Bandar Sunway, Selangor while the subsequent three years being taught at the Clinical School in Johor Bahru.
