Position Purpose

This position provides specialist planning expertise and lead the delivery of highly complex strategic planning and placemaking projects and services to meet the needs of the community within the City of Moreton Bay area.

Key Responsibilities and Outcomes

As a Principal Strategic Planner and member of the Strategic Planning and Place Making you will:

- Act as a technical expert providing leadership and direction to team members in the delivery of strategic land use planning matters to drive integrated and sustainable planning outcomes.
- Provide expert advice in strategic land use planning in accordance with legislative, policy and business requirements.
- Lead the delivery of highly complex strategic planning projects and specialist project teams (including external consultants) to achieve strategic and business outcomes.
- Support the development of team capability to drive a high performance, continuous improvement and customer focussed culture.
- Provide specialist technical input into the development and implementation of key policy relating to the planning scheme, infrastructure planning, significant major projects and key placemaking activities.
- Facilitate project-based community consultation including representing Council at a range of customer meetings, community and business forums.
- Build high level relationships across a range of diverse internal and external stakeholders to ensure projects and service deliverables are achieved.
- Act as a department delegate on a variety of projects, providing a source of professional advice to key stakeholders.

Our Values

Our values shape the way we behave, how we interact with each other and our customers. They underpin our decision making and are our guiding principles for how we work every day. As a team member you will take individual accountability for demonstrating the values expectations and behaviours.
