## Organisational Context

### SA Health

SA Health is committed to protecting and improving the health of all South Australians by providing leadership in health reform, public health services, health and medical research, policy development and planning, with an increased focus on wellbeing, illness prevention, early intervention and quality care.

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health, the Minister for Health & Wellbeing. The State Government has reformed the governance of SA Health, including establishing 10 Local Health Networks (LHNs), each with its own Governing Board.

These reforms have taken a staged approach, with the most significant changes to taking place from 1 July 2019 when the new Governing Boards become fully operational.

SA Health is comprised of the Department for Health and Wellbeing and the following legal entities:

- > Central Adelaide Local Health Network
- > **Northern Adelaide Local Health Network**
- > Southern Adelaide Local Health Network
- > Women's and Children's Health Network
- > Barossa Hills Fleurieu Local Health Network
- > Eyre and Far North Local Health Network
- > Flinders and Upper North Local Health Network
- > Riverland Mallee Coorong Local Health Network
- > South East Local Health Network
- > Yorke and Northern Local Health Network
- > SA Ambulance Service

### Northern Adelaide Local Health Network

The Northern Adelaide Local Health Network (NALHN) provides care to more than 400,000 people living in the northern metropolitan area of Adelaide as well as providing a number of state-wide services, and services to those in regional areas. NALHN works to ensure quality and timely delivery of health care, whilst building a highly skilled, engaged and resilient workforce based on a culture of collaboration, respect, integrity and accountability.

NALHN offers a range of primary health care services across the northern metropolitan area of Adelaide, with a focus on providing preventive and health promoting programs in the community, and transition and hospital substitution and avoidance programs targeted at chronic disease and frail aged.

Clinical leadership of care systems is central to the current national and state wide health reforms. NALHN care delivery is configured within clinical divisions that are patient-focused, clinically led groupings of services. Clinical Divisions are responsible for managing service delivery activities across NALHN campuses and units, bringing together empowered experts to directly make relevant decisions.

NALHN includes:

- > Lyell McEwin Hospital (LMH) - a 336-bed specialist referral public teaching hospital which has links to the University of Adelaide, University of South Australia and Flinders University. LMH provides a full range of high-quality medical, surgical, diagnostic, emergency and support services.
- > Modbury Hospital is a 174-bed, acute care teaching hospital that provides inpatient, outpatient, emergency services, Aged Care, Rehabilitation and Palliative Care. GP Plus Health Care Centres and Super Clinics
- > Aboriginal Health Services
- > Mental Health Services (including two statewide services – Forensics and Older Persons)
- > Sub-acute Services

The total operating budget for 19/20 for NALHN is \$790M with a workforce of 3,857 FTE / 5,240 head count.

## NALHN Governing Board

The Governing Board members bring to NALHN a wealth of knowledge and experience across many areas.

NALHN is confident that with the support of our highly qualified Governing Board, NALHN will be well placed to achieve better health service decisions tailored to local needs and deliver a safe, high quality and financially sustainable LHN into the future.

## Values

### SA Health Values

The values of SA Health are used to indicate the type of conduct required by our employees and the conduct that our customers can expect from our health service:

- > We are committed to the values of integrity, respect and accountability.
- > We value care, excellence, innovation, creativity, leadership and equity in health care provision and health outcomes.
- > We demonstrate our values in our interactions with others in SA Health, the community, and those for whom we care.

### Code of Ethics

The *Code of Ethics for the South Australian Public Sector* provides an ethical framework for the public sector and applies to all public service employees:

- > Democratic Values - Helping the government, under the law to serve the people of South Australia.
- > Service, Respect and Courtesy - Serving the people of South Australia.
- > Honesty and Integrity- Acting at all times in such a way as to uphold the public trust.
- > Accountability- Holding ourselves accountable for everything we do.
- > Professional Conduct Standards- Exhibiting the highest standards of professional conduct.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.

As a public sector employee, you have a responsibility to maintain ethical behaviour and professional integrity standards. It is expected that you act in accordance with the Code of Ethics, and contribute to a culture of integrity within SA Health.
