Guide to submitting an application

Thank you for considering applying for a position within SA Health. Recruitment and Selection processes across SA Health are based on best practice and a commitment to a selection based on merit. This means treating all applications in a fair and equitable manner that aims to choose the best person for the position.

A well presented, easy to read application will allow the panel to assess the information they need from your application. To give yourself the best opportunity to reach interview, the application should clearly and concisely demonstrate to the selection panel that you are suitably equipped to perform the role, and that you possess all of the stated minimum essential skills, abilities, knowledge, experience and educational qualifications (where required).

The online application form to apply for this position will ask for employment history, education, qualifications and referees however to understand the position and requirements we suggest you become familiar with the attached Job and Person Specification.

We request that you attach the following to your application -

- ✎ **A covering letter** of up to 2 pages introducing yourself to the selection panel and describing your skills, abilities, knowledge, qualifications and experience in relation to the position;
- ✎ **A current Curriculum vitae/Resume** that includes your personal details, relevant employment history, education, training courses, qualifications and professional memberships.

* Refer to <http://www.sahealthcareers.com.au/information/> for further information regarding

- The Indicative Total Remuneration which is inclusive of Award salary, superannuation and other monetary benefits.
- Information for Applicants
- Criminal History Assessment requirements

ROLE DESCRIPTION

Role Title:	Deputy Director
Classification Code:	AHP4 Management Allowance
Division:	SA Pharmacy
Department/Section / Unit/ Ward:	Pharmacy
Role Created/ Reviewed Date:	2016/December 2020
Criminal History Clearance Requirements:	<input checked="" type="checkbox"/> Aged (NPC) <input checked="" type="checkbox"/> Child- Prescribed (DCSI)
Immunisation Risk Category:	<input checked="" type="checkbox"/> Category A (direct contact with blood or body substances)

ROLE CONTEXT

Primary Objective(s) of role:

The **Deputy Director of Pharmacy Services** is responsible for the day to day management of the designated Pharmacy Service in line with SA pharmacy strategic priorities.

They are responsible for the coordination, orientation, training, education, development and supervision of staff within these areas to ensure high quality, cost effective and patient responsive services are provided to all patients.

The Deputy Director of Pharmacy Services is responsible for the provision of a comprehensive and complex range of professional services for patients of the designated area as well as the provision and supervision of designated pharmacy services. The incumbent works to optimise outcomes for patients and ensures that quality, cost effective and patient responsive services are provided in accordance with site, local health network, SA Pharmacy and Department of Health policies and procedures, PBS regulations, state and federal legislation and contemporary pharmacy practice standards.

The Deputy Director of Pharmacy Services is responsible for the day-to-day management of the designated Pharmacy Services and the coordination, development and supervision of other professional staff, support staff, intern pharmacists and students. The Deputy Director of Pharmacy Services contributes to the services teaching and training program and is responsible for orientation, education, training and supervision to graduates, students, support staff and professional staff assigned to the Service.

The Deputy Director of Pharmacy Services contributes to the development of, and ensures conformance with, health service drug policy and pharmacy policy and procedures relating to the use of drugs through active membership on relevant committees and working parties.

The Deputy Director of Pharmacy Services:

- Applies professional judgment in the undertaking of operations that involve problem definition, planning, execution, analysis, interpretation and reporting of findings.
- Accepts professional responsibility for the standards of work undertaken within the designated Pharmacy Service, ensuring completeness and accuracy.
- Accepts responsibility for the supervision and training of other professional and non-professional staff within the discipline.

- Applies their knowledge and experience in the discipline to achieve high level outcomes under limited professional direction and contributes to the development of new or recognisably improved techniques and methodologies.

The Deputy Director of Pharmacy Services represents the Pharmacy and Local Health Network on state-wide and national forum including risk management, medication safety, and others where expert advice is required. The Deputy Director of Pharmacy Services leads or supports the work of a portfolio within SA Pharmacy and actively contributes to SA Pharmacy strategic priorities through participation on and leading workgroups.

Direct Reports:

- > All permanent and rotational staff of the designated area; AHP4/3/2/1, AHA1/2/3 and Administrative Support Officers. May also include Pharmacy Support staff such as ASO's, TGO's, MeS and RN's

Key Relationships/ Interactions:

Internal

- > Accountable to and reports for regular review and feedback to the Associate/Director of Pharmacy who undertakes and supports their Professional Review and Development
- > Works collaboratively with other Deputy Directors, Associate Director and Director of Pharmacy
- > Works collaboratively with Medical and Nursing Staff and other health professionals
- > Supervises other Pharmacists, Pharmacy Assistants, Pharmacy Technicians, Pharmacy Interns and Students
- > May supervise Pharmacy Support staff inclusive of ASO's, TGO's, MeS and RN's
- > Liaises with Medical, Nursing Staff and other health professionals

External

- > General public
- > Community/Primary Health care providers
- > Networks with other SA Pharmacy staff, including other Deputy Directors, Associate/Directors of Pharmacy

Challenges associated with Role:

Major challenges currently associated with the role include:

- > Developing and leading a highly effective team
- > Maintaining knowledge and specialist skills in a designated area of pharmacy practice
- > Aligning others with the goals and objectives of SA Pharmacy and ensuring that the pharmacy service as a whole functions in accordance with SA Pharmacy's strategic priorities and to an exemplary standard
- > Prioritising tasks and resources - ensuring that core services are provided whilst competing departmental needs are also met
- > Building patient centric work practice
- > To ensure quality use of medicines by achieving continuity in medication management for patients

Delegations:

- > Financial as per SCSS Finance and Human Resource as per SCSS People and Culture

- > *Children's Protection Act 1993 (Cth)* – 'Notification of Abuse or Neglect'.
- > *Disability Discrimination*.
- > *Independent Commissioner Against Corruption Act 2012 (SA)*
- > *Information Privacy Principles Instruction*
- > *Relevant Awards, Enterprise Agreements, Public Sector Act 2009, Health Care Act 2008 and the SA Health (Health Care Act) Human Resources Manual*.
- > *Relevant Australian Standards*.
- > *Duty to maintain confidentiality*.
- > *Smoke Free Workplace*.
- > *To value and respect the needs and contributions of SA Health Aboriginal staff and clients, and commit*

to the development of Aboriginal cultural competence across all SA Health practice and service delivery.

- > Applying the principles of the South Australian Government's Risk Management Policy to work as appropriate.
- > Controlled Substances Act and Regulations
- > Pharmacy Act and Regulations
- > Follow SHPA practice guidelines
- > Follow SA Pharmacy and SA Health Directives and Guidelines

The SA Health workforce contributes to the safety and quality of patient care by adhering to the South Australian Charter of Health Care Rights, understanding the intent of the National Safety and Quality Health Service Standards and participating in quality improvement activities as necessary.

Performance Development

The incumbent will be required to participate in the organisation's Performance Review & Development Program which will include a regular review of the incumbent's performance against the responsibilities and key result areas associated with their position and a requirement to demonstrate appropriate behaviours which reflect a commitment to SA Health values and strategic directions.

Handling of Official Information:

By virtue of their duties, SA Health employees frequently access, otherwise deal with, and/or are aware of, information that needs to be treated as confidential.

SA Health employees will not access or attempt to access official information, including confidential patient information other than in connection with the performance by them of their duties and/or as authorised.

SA Health employees will not misuse information gained in their official capacity.

SA Health employees will maintain the integrity and security of official or confidential information for which they are responsible. Employees will also ensure that the privacy of individuals is maintained and will only release or disclose information in accordance with relevant legislation, industrial instruments, policy, or lawful and reasonable direction.

White Ribbon:

SA Health has a position of zero tolerance towards men's violence against women in the workplace and the broader community. In accordance with this, the incumbent must at all times act in a manner that is non-threatening, courteous, and respectful and will comply with any instructions, policies, procedures or guidelines issued by SA Health regarding acceptable workplace behaviour.

Resilience:

SA Health employees persevere to achieve goals, stay calm under pressure and are open to feedback.

Organisational Context

Organisational Overview:

Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer and better lives for all South Australians. We will achieve our objectives by

strengthening primary health care, enhancing hospital care, reforming mental health care and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians

Our Legal Entities:

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Wellbeing. The Department for Health and Wellbeing is an administrative unit under the Public Sector Act 2009.

The legal entities include but are not limited to the Central Adelaide Local Health Network Inc., Northern Adelaide Local Health Network Inc., Southern Adelaide Local Health Network Inc., Women's and Children's Health Network Inc., Country Health SA Local Health Network Inc. and SA Ambulance Service Inc.

SA Health Challenges:

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Care Plan has been developed to meet these challenges and ensure South Australian's have access to the best available health care in hospitals, health care centres and through GPs and other providers.

Health Network/ Division/ Department:

SA Pharmacy was formed on 1 July 2012, consolidating the publicly managed and operated pharmacy services of the five SA Local Health Networks. The service forms part of Statewide Clinical Support Services (this also include SA Medical Imaging and SA Pathology services). SA Pharmacy is led by the Executive Director SA Pharmacy.

SA Pharmacy is committed to providing a clinically led, cost-efficient, professional pharmacy service. Contemporary pharmacy services involve a range of activities aimed at enhancing the safe and effective use of medicines. These activities include the procurement, supply, manufacture and distribution of medicines, patient-centred clinical pharmacy services and system-wide professional services such as teaching, training and research.

SA Pharmacy Vision:

- > To provide safe, high-quality and cost effective pharmacy services, delivered by a committed and well supported workforce, to optimise patient outcomes.

SA Pharmacy Mission:

To work innovatively and effectively in the delivery of pharmacy services that:

- > Ensure safe, timely and reliable supply of medicines
- > Minimise the likelihood of medicine-related harm and optimise clinical outcomes
- > Contribute to the sustainability of safe medication use through clinical research, education and training
- > Maintain a safe workplace where staff are supported and valued.

Values

SA Health Values

The values of SA Health are used to indicate the type of conduct required by our employees and the conduct that our customers can expect from our health service:

- > We are committed to the values of integrity, respect and accountability.
- > We value care, excellence, innovation, creativity, leadership and equity in health care provision and health outcomes.

- > We demonstrate our values in our interactions with others in SA Health, the community, and those for whom we care.

SA Pharmacy Cultural Values

SA Pharmacy welcomes Aboriginal and Torres Strait Islander people and values the expertise, cultural knowledge and life experiences they bring to the workplace. SA Pharmacy is a culturally inclusive work environment that is respectful of Aboriginal and Torres Strait Islander culture.

Code of Ethics

The *Code of Ethics for the South Australian Public Sector* provides an ethical framework for the public sector and applies to all public service employees:

- > Democratic Values - Helping the government, under the law to serve the people of South Australia.
- > Service, Respect and Courtesy - Serving the people of South Australia.
- > Honesty and Integrity- Acting at all times in such a way as to uphold the public trust.
- > Accountability- Holding ourselves accountable for everything we do.
- > Professional Conduct Standards- Exhibiting the highest standards of professional conduct.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.
