

## Labourer Operations - SQID

### Position Description

<b>Directorate</b>	Projects and Asset Services	<b>Department</b>	Asset Maintenance
<b>Reports To</b>	Crew Leader - SQID	<b>Direct Reports</b>	No
<b>Queensland Local Government Industry Award - State 2017 - Stream</b>	Stream B - Division 2, Section 5 - Operational Services	<b>Moreton Bay Regional Council Certified Agreement 2022 EBA5 Wage Level</b>	Schedule 2, Wage Level 3

### Position Purpose

Work across the region as a part of the Projects and Asset Services Division, carrying out tasks as directed by an Asset Maintenance leader, in a conscientious and efficient manner in order to deliver on Council's broader Asset Maintenance community service requirements.

### Key Responsibilities and Outcomes

- Undertake a range of activities associated with the SQID (Stormwater Quality Improvement Device) maintenance inspection cleaning.
- Build solid working relationships with a range of broad work teams and their employees to ensure delivery of all works is done in a professional manner.
- Support the wider outputs of the Asset Maintenance Department and work as an integral part of supporting team outputs.
- Identify where the safe disposal of materials and waste is required and undertake the disposal process in a safe and effective manner.
- Correctly use and maintain plant and equipment provided, including all personal protective equipment, in accordance with manufacturer's instructions, council's safety policy and procedures.

### Our Values

Our values shape the way we behave, how we interact with each other and our customers. They underpin our decision making and are our guiding principles for how we work every day. As a Team Member you will take individual accountability for demonstrating the values expectations and behaviours.

**SERVICE**
**TEAMWORK**
**INTEGRITY**
**RESPECT**
**SUSTAINABILITY**

### Decision Making

<i>Budget</i>	Nil
<i>Delegations</i>	Delegations under the Local Government Act 2009 and as directed and published in Council's Delegation Register

---

### **Knowledge & Experience**

- Well-developed knowledge and practical experience in a range of asset maintenance practices and procedures.
- Ability to communicate, both written and verbal, to engage constructively with a range of internal team members and external residents and ratepayers.
- Sound level of experience in undertaking a range of manual operational tasks in an environment where safety is of high priority.
- Ability to learn and adapt to a range of emerging technology solutions as they apply to the requirements of this position.
- Well-developed experience in working constructively as part of a broader team of Labourers across Asset Maintenance Department.

### **Qualifications**

- Current MR class driver's licence.
- Construction Induction Card competency that has been used or obtained within the past 2 years.
- Current Confined Space Entry certification.
- Current Provide First Aid and Provide Cardiopulmonary Resuscitation certification.

*Note: This position description reflects a summary of the key accountabilities of the position, it is not intended to be an all-inclusive list of duties, steps and tasks. Leaders may direct team members to perform other duties at their discretion.*
