Position Information

Purpose	<p>The Community Mental Health Practitioner (CMHP) provides wellbeing services as part of the Locals to consumers, families, carers and supporters in line with Mind’s Model of Recovery Oriented Practice, My Better Life model and organisational values for people with mental health and/or alcohol and other drugs challenges. The CMHP delivers one-to-one individualised support, intake and assessment, outreach support, service navigation and care coordination.</p> <p>Community Mental Health Practitioners play an integral role in working collaboratively with consumers to achieve their wellbeing and recovery goals through telehealth, one-to-one support, and group work facilitation to enhance recovery, personal growth and activities of daily living.</p>
Position reports to	Service Manager
Mind classification level	SCHADS Level 3
Stream	Victoria Operations
About the service	<p>The Adult and Older Adult Mental Health and Wellbeing services, otherwise known as “Locals”, are a key recommendation from Victoria’s Royal Commission into the mental health service system. As such, the Locals are a key feature of the current system transformation.</p> <p>The Locals will act as front door to the mental health service system and will provide a continuum of care and support including clinical interventions, wellbeing supports, and therapeutic support through an integrated mental health and alcohol and other drug framework approach.</p> <p>Mind Australia is the lead agency in a consortium which comprises of Monash Health, Foundation House and Thorne Harbour Health, who will deliver the Greater Dandenong Local. Our shared vision is a Greater</p>

Mind values the experience and contribution of people from all cultures, genders, sexualities, bodies, abilities, ages, spiritualities and backgrounds. We encourage applications from Aboriginal and Torres Strait Islander peoples, people with a lived experience of mental ill-health and recovery, people living with disability, those who identify as LGBTIQ and applicants from culturally and linguistically diverse backgrounds.

	<p>Dandenong Local that delivers integrated care and support that puts the person accessing the service at the very centre of their treatment, support and care coordination using a range of evidence informed approaches. The consortium is committed to embedding lived and living experience within all aspects of the service including program design and evaluation, leadership, service delivery and governance.</p>
