- Equal Employment Opportunities (including prevention of bullying, harassment and intimidation).
- *Children and Young People (Safety) Act 2017 (SA)* 'Notification of Abuse or Neglect'.
- Disability Discrimination.
- *Independent Commissioner Against Corruption Act 2012 (SA)*.
- *Information Privacy Principles Instruction*.
- Relevant Awards, Enterprise Agreements, *Public Sector Act 2009*, *Health Care Act 2008* and the *SA Health (Health Care Act) Human Resources Manual*.
- Relevant Australian Standards.
- Duty to maintain confidentiality.
- Smoke Free Workplace.
- To value and respect the needs and contributions of SA Health Aboriginal staff and clients, and commit to the development of Aboriginal cultural competence across all SA Health practice and service delivery.
- Applying the principles of the *South Australian Government's Risk Management Policy* to work as appropriate.

The SA Health workforce contributes to the safety and quality of patient care by adhering to the South Australian Charter of Health Care Rights, understanding the intent of the National Safety and Quality Health Service Standards and participating in quality improvement activities as necessary.

Performance Development

The incumbent will be required to participate in the organisation's Performance Review & Development Program which will include a regular review of the incumbent's performance against the responsibilities and key result areas associated with their position and a requirement to demonstrate appropriate behaviours which reflect a commitment to both CALHN and the broader SA Health values and strategic directions.

Handling of Official Information:

By virtue of their duties, SA Health employees frequently access, otherwise deal with, and/or are aware of, information that needs to be treated as confidential.

SA Health employees will not access or attempt to access official information, including confidential patient information other than in connection with the performance by them of their duties and/or as authorised.

SA Health employees will not misuse information gained in their official capacity.

SA Health employees will maintain the integrity and security of official or confidential information for which they are responsible. Employees will also ensure that the privacy of individuals is maintained and will only release or disclose information in accordance with relevant legislation, industrial instruments, policy, or lawful and reasonable direction.

White Ribbon:

SA Health has a position of zero tolerance towards men's violence against women in the workplace and the broader community. In accordance with this, the incumbent must at all times act in a manner that is non-threatening, courteous, and respectful and will comply with any instructions, policies, procedures or guidelines issued by SA Health regarding acceptable workplace behaviour.

Cultural Commitment:

CALHN welcomes and respects Aboriginal and Torres Strait Islander people and values the expertise, cultural knowledge and life experiences they bring to the workplace. In acknowledgement of this, CALHN is committed to increasing the Aboriginal and Torres Strait Islander Workforce. Our Reconciliation Action Plan guides, supports and holds us accountable as we uphold our values and focus on making reconciliation a reality. The plan can be found at centraladelaide.health.sa.gov.au.

Resilience:

SA Health employees persevere to achieve goals, stay calm under pressure and are open to feedback.

Integrity Statement:

As a public sector employee, the incumbent will have a responsibility to maintain ethical behaviour and professional integrity standards. It is expected that the incumbent act in accordance with the Code of Ethics, and contribute to a culture of integrity within SA Health.

Knowledge

- Detailed knowledge of Vascular Surgery conditions and procedures.
- A good understanding of the policies and procedures of the Central Adelaide LHN.

Organisational Context

Organisational Overview:

At CALHN we are shaping the future of health with world-class care and world-class research. This is fundamental in assisting us to achieve our vision of becoming one of the top five performing health services in Australia and one of the top 50 performing health services in the world within five years.

We are part of SA Health, which is the brand name for the public health system. As a system SA Health's mission is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians

Our Legal Entities:

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Wellbeing. The Department for Health and Wellbeing is an administrative unit under the Public Sector Act 2009.

The legal entities include but are not limited to the Central Adelaide Local Health Network Inc., Northern Adelaide Local Health Network Inc., Southern Adelaide Local Health Network Inc., Women's and Children's Health Network Inc., Barossa Hills Fleurieu Local Health Network Inc., Eyre and far North Local Health Network Inc., Flinders and Upper North Local Health Network Inc., Limestone Coast Local Health Network Inc., Riverland Mallee Coorong Local Health Network Inc., Yorke and Northern Local Health Network Inc. and SA Ambulance Service Inc.

SA Health Challenges:

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Strategic Plan has been developed to meet these challenges and ensure South Australian's have access to the best available health care in hospitals, health care centres and through GPs and other providers.

Central Adelaide Local Health Network:

Established in July 2011, CALHN is one of five Local Health Networks (LHNs) in South Australia and we are accountable to the Central Adelaide Local Health Network Governing Board. Our board has oversight of our strategy, risk management, governance and performance, and works with our Chief Executive Officer to provide strategic direction for our network.

CALHN is responsible for the following health services:

- Royal Adelaide Hospital (RAH)
- The Queen Elizabeth Hospital (TQEH)
- Hampstead Rehabilitation Centre (HRC)
- St Margaret's Rehabilitation Hospital (SMRH)
- Glenside Health Service (GHS) Psychiatric Intensive Care Unit; Inpatient Rehabilitation Services and Acute beds only
- Adelaide Dental Hospital (ADH).

CALHN also has governance over numerous community mental health and primary health services including Prison Health Service, SA Dental Service and DonatLife SA. Of note also is governance of the Statewide Clinical Support Services (SCSS) including SA Medical Imaging (SAMI), SA

Pathology SA Pharmacy and BreastScreenSA, responsibility of which has vacillated between CALHN and DHW over the past few years.

CALHN is one of three metropolitan LHNs and its core population is approximately 390,000 people. CALHN also provides services to patients from other SA networks, rural and remote areas, the Northern Territory, NSW (Broken Hill) and western parts of Victoria. These services usually relate to complex services such as head and neck cancer, radiation therapy, cardiac surgery, spinal surgery or rehabilitation.

CALHN's purpose is to deliver quality and sustainable healthcare. While the delivery of high quality patient care is our number one priority, underpinning our goals is good governance, improved patient experience, business operations, efficiency and financial performance and more accountable and contemporary ways of working.

To find out more about CALHN visit centraladelaide.health.sa.gov.au.

Division/ Department:

Royal Adelaide Hospital is committed to the achievement of best practice in the design and delivery of services to its patients. This involves the pursuit of quality improvement and innovation in every aspect of its operation.

The Surgical Directorate incorporates a full range of Surgical Subspecialty services. The Directorate is committed to the principles of multi-disciplinary team care with the patient at the centre of care.

The Vascular Department is committed to delivering the highest standards of patient care. The Service has a strong commitment to best evidenced clinical practice, research, teaching and continuing education and conducts regular peer reviews and clinical audits.

Values and behaviours

Central Adelaide Local Health Network Values

Our values, together with our vision and ambitions provide direction for everything that happens across our network. They outline who we are, what we stand for, what our consumers and their families can expect from us and what we can expect from each other. They guide our decisions and actions.

Values

Behaviours

People first

- I am there for my patients and colleagues when they need me most.
- I put myself in my patients and colleagues shoes to understand their needs.
- I go out of my way to make sure my patients and colleagues achieve the best outcome and have a great experience.
- I respect uniqueness in my colleagues, our patients and their families.

Ideas driven

- I look and listen to ensure I fully understand the problem and find a solution.
- I look for ways to break-down barriers and silos to hear new perspectives and solve complex problems.
- I invest in my own learning and look for opportunities to explore and introduce new ideas.
- I am interested in critical research and how it informs creative thinking.

Future focussed

- I embrace leading practices and use them to evolve our ways of working.
- I lead and support change to improve patient and organisational outcomes.
- I am constantly on the look-out for opportunities to improve.

Community minded

- I put my hand up to lead work that matters.
- I am accountable and focused on value.
- I value and champion diversity.
- I embrace collaboration and constructive partnerships.

Code of Ethics

The *Code of Ethics for the South Australian Public Sector* provides an ethical framework for the public sector and applies to all public service employees:

- Democratic Values - Helping the government, under the law to serve the people of South Australia.
- Service, Respect and Courtesy - Serving the people of South Australia.
- Honesty and Integrity- Acting at all times in such a way as to uphold the public trust.
- Accountability- Holding ourselves accountable for everything we do.
- Professional Conduct Standards- Exhibiting the highest standards of professional conduct.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.
