Number	976119
Division	Corporate and Business Services
Branch	Finance and Budget Services
Section	Budget and Resource Services
Sub-Section/Unit/School	N/A
Supervisor	Manager Budget Systems and Data
Award/Agreement	Tasmanian State Service Award
Classification	General Stream Band 5
Employment Conditions	Permanent or fixed term, full time, 73.5 hours per fortnight, 52 weeks per year including 4 weeks annual leave.
Location	South

The Role

To work collaboratively with the Budget and Resource Services (BRS) team to provide holistic financial business systems support and advice to Finance and Budget Services management and to business units and schools within the Department.

Level of Responsibility/ Direction and Supervision

Responsible for the provision of business system administration, support and advice for the BRS section including data analysis undertaken from key budget management and financial information systems.

Responsible for determining relevant priorities and expected to use initiative and discretion in resolving non-standard issues in accordance with legislation and established departmental frameworks.

The occupant operates with a significant degree of independence under the general direction of the supervisor to undertake the day to day activities.

The department has a range of delegations in operational areas including Finance, Human Resources and Facilities. The occupant is responsible for ascertaining the delegations that are assigned to these duties and is expected to exercise any applicable delegations prudently and in accordance with any specified limitations.

Primary Duties

1. Assist with the provision of a business systems user support service for the Department's budget, resourcing and financial management information systems including:
 - Undertake general help centre tasks;
 - Analyse, triage, resolve, track and manage incidents and issues; and
 - Liaise with business units, schools, vendors and other stakeholders.
2. Assist in the design, development, implementation and ongoing support and maintenance of budget, resourcing and financial management information systems, including the development of business requirements, functional and/or technical specifications and business process documentation.
3. Deliver data and information, including analysis, advice and presentation material (reporting services) for:
 - Development of budget, resourcing and financial systems based reporting with a key focus on budget priorities;
 - Business units or schools' requests for data/information;
 - Key Departmental financial data sets; and
 - Annual National and State Reporting.
4. Provide key contributions to priority projects as required.
5. Perform other duties as envisaged by the assigned classification under the relevant industrial award or agreement and in accordance with the skills, competency and training of the occupant.

Selection Criteria

Employment in the State Service is governed by the *State Service Act 2000* and employment decisions must be based on merit. A decision relating to appointment or promotion is based on merit if:

- an assessment is made of the relative suitability of the candidates for the duties; and
- the assessment is based on the relationship between the candidates' work-related qualities and the work related qualities genuinely required for the performance of the duties; and
- the assessment focuses on the relative capacity of the candidates to achieve outcomes related to the duties; and
- the assessment is the primary consideration in making the decision.

Work-related qualities might include; skills and abilities; qualifications, training and competencies; standard of work performance; capacity to produce required outcomes; relevant personal qualities; and demonstrated potential for future development.

The following specific selection criteria must be addressed by candidates in this context. The nominated position objective and duties contained in this statement of duties must also be used to assist in the interpretation of these selection criteria.

1. Demonstrated experience in providing business system user support.
2. Demonstrated ability in the provision of contemporary Information Technology solutions in a financial management environment including upgrade analysis, design of enhancements, testing and documenting, in technologies relevant to the Department.
3. Demonstrated analytical and conceptual skills to analyse end user requirements and needs, identify issues, develop suggested solution, outline options for action and make recommendations.

4. Effective project management skills and the proven ability to work independently and efficiently as part of a team to deliver quality and timely outputs that contribute to efficient business operations.
5. High level communication and interpersonal skills to be able to liaise, problem solve, collaborate and negotiate with a range of stakeholders.
6. Personal skills of flexibility and initiative, self motivation and capacity for innovation.

Requirements

- Essential**
- The *Registration to Work with Vulnerable People Act 2013* requires persons undertaking work in a regulated activity to be registered. A regulated activity is a child related service or activity defined in the *Registration to Work with Vulnerable People Regulations 2014*. This registration must remain current and valid at all times whilst employed in this role and the status of this may be checked at any time during employment.
 - Current Tasmanian Registration to Work with Vulnerable People (Registration Status – Employment)

- Desirable**
- A Diploma in Accounting or equivalent

Working within the Department of Education

The Department is responsible for providing public education, vocational education and training, adult and community education, and library and archive services throughout Tasmania.

Our strategic focus is centered on achieving the Tasmanian Government’s priorities for education, training and information services. These priorities are expressed through the goals of the *Learners First: Every Learner, Every Day* Strategic Plan, and the *Libraries Tasmania Strategy*.

Our Commitment	Together we inspire and support all learners to succeed as connected, resilient, creative and curious thinkers.
Our Values	Aspiration, Respect, Courage and Growth.
Our Goals	Access, Participation and Engagement; Early Learning; Wellbeing; Literacy and Numeracy.

Our strategies aim to transform the way Tasmanians access education, training and information services, provide a fresh and exciting approach to lifelong learning and build an education system that inspires and supports all learners to succeed as connected, resilient, creative and curious thinkers.

Information and Records Management

All employees are responsible and accountable to:

- Create records according to the business needs and business processes of their business unit or school that adequately document the business activities in which they take part.
- Register documents in an approved Business Information Management System.
- Access information for legitimate work purposes only.

All employees must not:

- Destroy delete or alter records without proper authority; or
- Remove information, documents or records from the Department without permission.

State Service Principles and Code of Conduct

Employment in the State Service is governed by the *State Service Act 2000*. All employees are responsible for ensuring that the standards of behaviour and conduct specified in the State Service Principles and Code of Conduct are adhered to. All employees are expected to act ethically and with integrity in the undertaking of their duties. Employees who breach the code of conduct may have sanctions imposed.

The State Service Principles and Code of Conduct are contained in the *State Service Act 2000* and can be found on the State Service Management Office website at <http://www.dpac.tas.gov.au/divisions/ssmo> together with Employment Direction No. 2 *State Service Principles*. All employees must read these and ensure they understand their responsibilities.

All employees are expected to utilise information management systems in a responsible manner in line with the DoE Condition of Use policy statement located at [Department of Education: Information technology policies](#)

Work Health and Safety and Workplace Diversity

The Department is committed to high standards of performance in respect of work health and safety and managing diversity. All employees are expected to promote and uphold the principles of fair and equitable access to employment/promotion, personal development and training and the elimination of workplace harassment and discrimination.

In accordance with the *Work Health and Safety Act 2012*, all employees whilst at work are expected to participate in maintaining safe working conditions and practices and take reasonable care for their own health and safety, ensuring their actions do not adversely affect the health and safety of others. All employees are expected to comply with any reasonable instruction given by the Agency to ensure compliance with the Act and collaborate with Agency work health and safety policies, procedures and guidelines.

The Department of Education is committed to providing a safe workplace for all employees and has zero tolerance to all forms of violence.

State Government workplaces and vehicles are non smoking environments.

Category/funding/restrictions: Permanent or Fixed Term. Cost code: Specified for the School/College or Business Unit.
