Primary Purpose:

Deliver a high quality alcohol and other drug treatment service in accordance with relevant Government Legislation and Regulations, Primary Health Care Principles, Alcohol and Drug Service (ADS) policies, procedures and protocols and relevant professional competencies.

Provide a specialist assessment and treatment service for people with multiple and complex needs, including co-morbid alcohol and other drug and mental health issues, and their families in accordance with discipline specific skills and abilities.

Act as a consultant to other agencies with regard to the support and management of clients with alcohol and other drug needs and promotes community awareness in relation to alcohol and other drugs.

Duties:

1. Provide a specialised, comprehensive, evidence-based clinical assessment, treatment and assertive case-management service to clients, including their families/carers, who have issues with alcohol and/or other drugs and support referral and liaison with relevant service providers.
2. Undertake clinical documentation in line with organisational and professional requirements, including maintaining effective record keeping on clients and produce clear, well presented treatment reports to the ADS Team Leader (North West) as required.
3. Actively support, contribute to and participate in ongoing quality assurance programs, including approved research, incident reporting and evaluation, internal audits, and policy and procedure review, as well as the development, implementation and evaluation of specialised alcohol and other drug psychosocial treatment programs.
4. Consult with professionals and other agencies on the management of clients, and their families/carers, affected by alcohol and or other drugs to optimise service effectiveness.
5. Support the ADS Team Leader (North West) in the provision of clinical supervision and mentoring of counsellors, less experienced staff and students in accordance with current models and professional standards.
6. Participate actively in the planning, administration and delivery of education programs and health promotion activities for clients, families/carers, health professionals and the broader community to promote awareness of alcohol and/or other drugs use/misuse.
7. Undertake continuing professional development including completing mandatory training and participation in formal supervision or peer review.
8. The incumbent can expect to be allocated duties, not specifically mentioned in this document, that are within the capacity, qualifications and experience normally expected from persons occupying positions at this classification level.

Key Accountabilities and Responsibilities:

Broad administrative and overall clinical direction is provided by the ADS Team Leader (North West), with professional supervision provided or approved by the Head of Discipline or delegate. The Alcohol and Other Drugs Senior Counsellor is clinically and professionally accountable to the Head of Discipline through the relevant Discipline Senior, and is responsible for:

- Providing specialised Alcohol and Other Drugs counselling services and professional standards of care to Mental Health Services (MHS) clients.
- Ensuring best practice and up-to-date communication occurs with and between stakeholders.
- Developing individual awareness of all policies, procedures and legislation affecting the duties of this position. This includes statements of consumer rights and responsibilities adopted by the Service, and a general awareness of legislation, including Work Health and Safety, Equal Employment Opportunity and Anti-Discrimination.
- Recognising and maintaining one's own professional development.
- Where applicable, exercising delegations in accordance with a range of Acts, Regulations, Awards, administrative authorities and functional arrangements as mandated by Statutory office holders including the Secretary and Head of State Service. The relevant Unit Manager can provide details to the occupant of delegations applicable to this position.
- Complying at all times with policy and protocol requirements, including those relating to mandatory education, training and assessment.
- Actively participate in and contribute to the organisation's Quality & Safety and Work Health & Safety processes, including in the development and implementation of safety systems, improvement initiatives, safeguarding practices for vulnerable people, and related training.

Pre-employment Conditions:

It is the Employee's responsibility to notify an Employer of any new criminal convictions during the course of their employment with the Department.

The Head of the State Service has determined that the person nominated for this job is to satisfy a pre-employment check before taking up the appointment, on promotion or transfer. The following checks are to be conducted:

1. Conviction checks in the following areas:
 - a. crimes of violence
 - b. sex related offences
 - c. serious drug offences
 - d. crimes involving dishonesty
2. Identification check
3. Disciplinary action in previous employment check.

Selection Criteria:

1. Comprehensive knowledge of contemporary evidence based practice used in the treatment and prevention of alcohol and other drug dependence, including alcohol and other drug assessment, the harm minimisation framework, interventions, and prevention activities.
2. Knowledge of and the ability to undertake comprehensive assessments and therapeutic interventions with individuals and their families with complex needs, including individual and group programs.
3. Knowledge of, and ability to develop, monitor and implement quality assurance and improvement activities and/or research.
4. Experience and knowledge of liaison and consultation with other services and agencies in the context of providing specialised Alcohol and Other Drugs assessment, advice and training.
5. Well-developed written and verbal communication skills, including the ability to provide treatment reports, with demonstrated interpersonal skills to work effectively in a multidisciplinary team and with the broader service system.
6. Understanding of relevant legislation and professional practice standards including Work Health & Safety Legislation, Workplace Diversity Guidelines, the *Alcohol and Drug Dependency Act 1968*, *Mental Health Act 2013*, and Discipline Codes of Ethics and Professional Practice.

Working Environment:

The Department of Health is committed to improving the health and wellbeing of patients, clients and the Tasmanian community through a sustainable, high quality and safe health system.
