Overview of program

The Adolescent Case Management Support Service (ACMS) is an outreach case management program operating five days a week between the hours of 9.00am and 5.00pm. The team consist of 5 permanent case managers and a Team Leader.

The program provides a case managed specialist support service to young people (12-17 years) on Child Protection orders with the Department of Health and Human Services, Victoria. The young people we work with predominantly reside at home or in alternative community placements. Our clients are considered to be at risk of future harm, given their histories of abuse, trauma and neglect.

The case manager's role focuses on the young person's needs and wellbeing and in doing so, implementing and developing the statutory Case Plan. This involves assessment, risk and behaviour management interventions, co-ordinating care teams and support services, high levels of engagement, exit planning and administrative responsibilities.

The role is a very rewarding one that enables positive change to occur for some of the most vulnerable young people and families in our community.

Position Objectives

- The position exists to provide a specialist support service to young people who are considered to be at risk; they may be living in family based settings, independently or in home-based care placements.
- The primary goal of the position is to best support young people who are at home or in community based settings to prevent an out-of-home care placement through the statutory service system.
- Engage families where appropriate to ensure young people have the opportunity to reconnect, reunify and understand their family history.

Key responsibilities

The key responsibilities are as follows but are not limited to:

1.	Assume case monitoring and evaluation responsibilities and provide supervision, counselling, and specialist support to young people and their families/substitute care givers, in the context of the statutory child protection case plan.
2.	Develop and maintain a professional and respectful working relationship with young people and their families.
3.	Contribute to the development, implementation, and review of client case plans and individual programs for young people and work as part of a multi-disciplinary care team. The operationalising of case plans will specify objectives of intervention, anticipated time lines and the tasks/responsibilities necessary in their achievement.
4.	Provide advice, support and crisis intervention to families or care givers who provide direct day to day care of clients, on managing challenging and difficult behaviour.
5.	Prepare and develop reports, case notes, safety plans and provide advice and recommendations for client case plan meetings, reviews, and referrals, and client court appearances.
6.	Advocate on behalf of clients and where appropriate, their families, and facilitate access to specialist generic and community services as necessary.
7.	Work as part of a team and participate in team meetings, joint work opportunities and case evaluation activities.

Key Selection Criteria

The Key Selection Criteria are based on role specific requirements **and** the Anglicare Victoria Capability Framework. Applicants are required to provide a written response to **both** a) and b).

a) Role specific requirements

Applicants are required to provide a written response to the role specific requirements. The five criteria are to be addressed individually (no more than 2 pages in total).
