

Role Description

Position Title Senior Theatre Technician

Position Number ENV161

Purpose of Role

To lead the delivery of technical lighting and sound operational services for performances across Council's performance venues and events.

Specific Responsibilities

- Lead a technical team to deliver well executed productions and events in accordance with technical specifications.
- Act as a point of contact for technical matters by providing sound advice, innovation and problem solving for management.
- Perform technical and operational duties related to lighting, sound and other technical systems, including the operation of such systems during performances.
- Competently setup, operate, pack down, and maintain audio visual equipment.
- Undertake equipment and building maintenance for Council's performance venues to ensure lights, sound, multi-media and projection equipment remain reliable and in good working order.
- Develop working relationship with stakeholders including community groups, service providers, Council staff, business and commercial operators.

Work Experiences and Skills – essential

- Demonstrated relevant experience in a similar role or a role requiring a similar skill set.
- Demonstrated ability to perform visual inspections of equipment to ensure safe and efficient operation in line with legislative and best practice requirements.
- Excellent time management skills to achieve proficiency and effectiveness in managing conflicting priorities and meeting deadlines.
- Well developed people and relationship skills with demonstrated ability to work in a team environment communicating and motivating effectively at all levels of the organisation, contributing to a positive work environment with a strong focus on provision of quality customer service.

Academic, Trade Qualifications and other Licences – essential

- Current C class driver's licence.
- Current Apply First Aid Certification and Provide Cardiopulmonary Resuscitation certification.
- Current Queensland Working with Children Blue Card or willingness to apply for prior to commencing work and provide evidence of suitability within 2 months of engagement.

Recordkeeping

In accordance with Council's recordkeeping guideline, ensure that full and accurate records are made of all business transactions conducted on behalf of Council and that these records are appropriately kept and stored in the appropriate corporate information management systems.

Health, Safety and Environment

Ensure your safety and that of your work colleagues at work whilst complying with Council's workplace health and safety policies, procedures and practices. At no time are you to perform work duties in an unsafe manner. You must always ensure all risks associated with your work tasks are identified and control actions are implemented before work commences.

Work Location

You may be required to perform your role from any work location within the region.

Diversity Undertaking

You may be required to perform duties outside the specific responsibilities within the limits of your skill, competence and training.
