- Provide a consultant service to inpatients, admitting and managing patients under their care.
- Accept referrals and undertake consultation and patient review.
- Participate in outpatient clinics in all aspects of rehabilitation medicine.
- Participate in an afterhours Consultants on call roster for rehabilitation services.
- Regular attendance at multidisciplinary clinic and meetings.
- Participate in quality activity programs.

2. Teaching:

- Participate in undergraduate and postgraduate specialist trainee teaching.
- Liaise with the University of Tasmania (UTAS) Department of Medicine in respect to the teaching of undergraduates and Registrars.

3. Education and Research:

- Maintain an active interest in research.
- Active participation in ongoing education meetings and activities.

4. Management:

- Responsible to the Head of Department (Rehabilitation).
- Liaison with the UTAS' Department of Medicine on issues relating to undergraduate teaching and research.

5. Performance and Development Review:

- To be conducted with the Head of Department on an annual basis.

6. Actively participate in and contribute to the organisation's Quality & Safety and Work Health & Safety processes, including in the development and implementation of safety systems, improvement initiatives and related training.

7. The incumbent can expect to be allocated duties, not specifically mentioned in this document, that are within the capacity, qualifications and experience normally expected from persons occupying positions at this classification level.

Key Accountabilities and Responsibilities:

The occupant of the position will work under the broad direction of the Head of Department and will be responsible for working in accordance with the following performance criteria.

- Provide a high-quality service under the direction of the Head of Department to patients of the RHH and Repatriation Centre by:
 - Providing appropriate clinical care to patients/clients.
 - Coordinating the follow up care of patients.
 - Attending inpatients rounds and consulting clinics as scheduled.
 - Contributing to an after-hours on-call services in accordance with a roster.
 - Ensuring effective communication with care providers, especially General Practitioners, to promote continuity of patient care.
- Demonstrate a commitment to continuous services improvement by:
 - Participating in the development of clinical guidelines and protocols.
 - Attending and participating in clinical and departmental meetings.
 - Participating in departmental peer review and audit activities.
 - Continuously reviewing existing practices and promoting change where required.
 - Participating in Risk Management and Quality Improvement programs undertaken by the Department.
 - Participating in College-based programs directed towards maintaining the highest standards of professional care.
 - Participating in personal performance appraisal.
- Demonstrate a commitment for personal and professional development by:
 - Attending conferences to maintain and enhance knowledge.
 - Participating in programs designed to provide personal growth and development.
- Demonstrate a commitment to the provision of a multidisciplinary approach to clinical care by:
 - Working harmoniously with all members of the multidisciplinary clinical team.
 - Being responsive to the expectations and needs of both clinical and non-clinical colleagues.
- Engender a consumer focus in service delivery by:
 - Ensuring consumers can exercise their rights and responsibilities.
 - Ensuring that patients and families are given adequate information upon which to base treatment decisions and follow up.
 - Respond to complaints from patients and their relatives; and demonstrating empathy for patients and their families.
- Provide appropriate support, direction and training to trainee medical officers, nurses, and medical students by:
 - Providing appropriate direction and supervision to Registrars, Resident Medical Officers and Nurses.
 - Acting as a role model and mentor for trainee medical staff, nurses, and medical students.
 - Participating in the education of trainee medical staff, nurses, and medical students.

- Promote and contribute to the maintenance of a safe working environment by:
 - Complying with work health, safety and welfare policies and other written arrangements for work health, safety, and welfare at work.
 - Participating in relevant occupational health, safety, and welfare programs.
 - Complying with any reasonable instruction and following safe-work practices in relation to occupational health, safety, and welfare at work.
 - Participating in training programs and on-the-job training programs for occupational health, safety, and welfare.
 - Reporting all incidents, accidents and observed hazards to their supervisor or manager as soon as possible and assisting in the investigation process.
 - Supporting the role of the health and safety representatives by keeping them informed of any issues relating to health, safety, and welfare in the workplaces.
 - Ensuring that you are not, by the consumption of alcohol or a drug, in such a state as to endanger your own health and safety at work or the health and safety or any other person.
 - Participating in appraisals to evaluate work health and safety performance.
- Where applicable, exercise delegations in accordance with a range of Acts, Regulations, Awards, administrative authorities and functional arrangements as mandated by Statutory office holders including the Secretary and Head of State Service. The relevant Unit Manager can provide details to the occupant of delegations applicable to this position.
- Comply at all times with policy and protocol requirements, including those relating to mandatory education, training and assessment.

Pre-employment Conditions:

It is the Employee's responsibility to notify an Employer of any new criminal convictions during the course of their employment with the Department.

The Head of the State Service has determined that the person nominated for this job is to satisfy a pre-employment check before taking up the appointment, on promotion or transfer. The following checks are to be conducted:

1. Conviction checks in the following areas:
 - a) crimes of violence
 - b) sex related offences
 - c) serious drug offences
 - d) crimes involving dishonesty
2. Identification check
3. Disciplinary action in previous employment check.

Selection Criteria:

1. Sound knowledge of current specialty practice in Rehabilitation Medicine.
2. Recent experience in providing specialist rehabilitation inpatient and outpatient services.
3. Demonstrated ability to work with a multidisciplinary team of medical, nursing and health professional staff.
4. Demonstrated capacity for undergraduate and postgraduate teaching.
5. Demonstrated ability to communicate effectively and maintain good interpersonal relationships in dealing with patients, their relatives, and professional colleagues.
6. Knowledge of continuous quality improvement activities relevant to practice within the clinical discipline.
7. Evidence of ongoing participation and commitment to continuing medical education.
8. Demonstrated effective administrative skills in the health-care environment.

Working Environment:

The Department of Health is committed to improving the health and wellbeing of patients, clients and the Tasmanian community through a sustainable, high quality and safe health system. We value leading with purpose, being creative and innovative, acting with integrity, being accountable and being collegial.

The Department seeks to provide an environment that supports safe work practices, diversity and respect, including with employment opportunities and ongoing learning and development. We value the diverse backgrounds, skills and contributions of all employees and treat each other and members of the community with respect. We do not tolerate discrimination, harassment or bullying in the workplace. All employees must uphold the *State Service Principles* and *Code of Conduct* which are found in the *State Service Act 2000*. The Department supports the [Consumer and Community Engagement Principles](#).
