## Primary Purpose:

As part of a multidisciplinary mental health service delivering high quality mental health care and, in accordance with Mental Health Service principles, National Mental Health Standards, Agency policy, legal requirements and relevant professional competencies, the Psychiatrist:

- Provides comprehensive general inpatient and community psychiatric services in Tasmania.
- Acts as a consultant to mental health professionals and health service providers, including general practitioners and other agencies, regarding the assessment and management of individuals with mental health disorders.
- Undertakes supervisory responsibilities with Registrars/Career Medical Officers, Resident Medical Officers and other medical staff as required/appropriate.

## Duties:

1. Provision of a comprehensive general psychiatric service including assessment and treatment of mental health clients at various sites across the region including inpatient settings, community clinics and clients' homes.
2. Contribution to the effective functioning of the multidisciplinary mental health team through leadership and participation in clinical reviews and providing consultant oversight to other team members across the treatment settings.
3. Promote and maintain close links with other specialists, general practitioners and service providers to ensure continuity of patient care and the ongoing development of the mental health sector.
4. Participation in teaching and supervision of Registrars/Career Medical Officers, Resident Medical Officers and medical students as required and the in-service training of other staff.
5. Maintenance of a high standard of care in all respects, including compliance with agency endorsed documentation and data collation requirements as specified by the National Minimal Data Set and the National Outcomes and Case mix Collection documents.
6. Active participation in mental health service ongoing quality improvement activities and staff meetings.
7. Representation of the service at intra- and inter-agency meetings or forums as appropriate or required.
8. Maintenance of a satisfactory knowledge of major evidence-based practice research findings in area of clinical practice and participation in appropriate formal continuing medical education.
9. Actively participate in and contribute to the organisation's Quality & Safety and Work Health & Safety processes, including in the development and implementation of safety systems, improvement initiatives, safeguarding practices for vulnerable people, and related training.
10. The incumbent can expect to be allocated duties, not specifically mentioned in this document, that are within the capacity, qualifications and experience normally expected from persons occupying positions at this classification level.

## Key Accountabilities and Responsibilities:

- Responsible for being aware of all policies, procedures and legislation affecting the duties of this job. These include: the Mental Health Services Strategic Plan, the Mental Health Services Consumer–Carer Framework, the Mental Health Act 2013, the Guardianship & Administration Act 1995, statements of consumer rights and responsibilities adopted by this service, and a general awareness of the provisions of legislation that has an overarching effect on the service, including in the areas of Work Health and Safety, Equal Employment Opportunity and Anti-Discrimination.
- Acts as an approved Medical Practitioner under the Mental Health Act.
- Provides specialist psychiatric services and is expected to operate with a high level of clinical responsibility and autonomy.
- Clinical and professional accountability is to the Head of Department or delegate as determined by the Statewide Clinical Director.
- Broad administrative and clinical direction from the Team Leader or Head of Department.
- Champion a child safe culture that upholds the National Principles for Child Safe Organisations. The Department is committed to the safety, wellbeing, and empowerment of all children and young people, and expect all employees to actively participate in and contribute to our rights-based approach to care, including meeting all mandatory reporting obligations.
- Where applicable, exercise delegations in accordance with a range of Acts, Regulations, Awards, administrative authorities and functional arrangements as mandated by Statutory office holders including the Secretary and Head of State Service. The relevant Unit Manager can provide details to the occupant of delegations applicable to this position.
- Comply at all times with policy and protocol requirements, including those relating to mandatory education, training and assessment.

## Pre-employment Conditions:

*It is the Employee's responsibility to notify an Employer of any new criminal convictions during the course of their employment with the Department.*

The Head of the State Service has determined that the person nominated for this job is to satisfy a pre-employment check before taking up the appointment, on promotion or transfer. The following checks are to be conducted:

1. Conviction checks in the following areas:
  - a. crimes of violence
  - b. sex related offences
  - c. serious drug offences
  - d. crimes involving dishonesty
2. Identification check
3. Disciplinary action in previous employment check.

## Selection Criteria:

1. Extensive experience and skills in general psychiatry in a range of practice settings.
2. Demonstrated high level of oral and written communication skills and demonstrated experience and skills in liaising with General Practitioners and other health service providers.
3. Experience in the area of clinical leadership and demonstrated commitment to a multidisciplinary service model and the ability to deal effectively with interpersonal issues.
4. Demonstrated ability to convey psychiatric knowledge effectively to fellow staff, service providers and patients.
5. Psychiatric interests in areas relevant to the position including research experience and publications.
6. Understanding of the National and State Mental Health policy frameworks as they impact on the provision of clinical services.

## Working Environment:

The Department of Health is committed to improving the health and wellbeing of patients, clients and the Tasmanian community through a sustainable, high quality and safe health system. We value leading with purpose, being creative and innovative, acting with integrity, being accountable and being collegial.

The Department of Health is committed to improving the way we work with vulnerable people, in particular implementing strategies and actions to promote child safety and wellbeing, empower, and prevent harm to children and young people.

The Department upholds the *Australian Charter of Healthcare Rights* in our practice and is committed to the safeguarding and protection of the welfare and rights of all people, particularly those that may be at risk of abuse, neglect, or exploitation. We place emphasis on the provision of culturally safe, respectful, and inclusive care that is responsive to diverse needs.

The Department seeks to provide an environment that supports safe work practices, diversity and respect, including with employment opportunities and ongoing learning and development. We value the diverse backgrounds, skills and contributions of all employees and treat each other and members of the community with respect. We do not tolerate discrimination, harassment or bullying in the workplace. All employees must uphold the *State Service Principles* and *Code of Conduct* which are found in the *State Service Act 2000*. The Department supports the [Consumer and Community Engagement Principles](#).
