Primary Purpose:

Provide an efficient and effective allied health service to the patients and clients of the Department of Health (DoH).

Duties:

1. Assess, plan, carry out and re-assess a treatment program for the allied health needs of patients.
2. Record adequate details of assessments, treatments, and discharge summary in the clinical record.
3. Liaise with other allied health professionals and members of the treatment team regarding on-going care of patients.
4. Assist senior allied health staff in the implementation of continuous quality improvement programs.
5. Actively participate in and contribute to the organisation's Quality & Safety and Work Health & Safety processes, including in the development and implementation of safety systems, improvement initiatives, safeguarding practices for vulnerable people, and related training.
6. The incumbent can expect to be allocated duties, not specifically mentioned in this document, that are within the capacity, qualifications and experience normally expected from persons occupying positions at this classification level.

Key Accountabilities and Responsibilities:

- Responsible for working within the policies and guidelines of the relevant professional organisation and the DoH.
- Initially the work of a new graduate is subject to professional supervision. As experience is gained, the contribution and the level of professional judgement increases and professional supervision decreases, until a wide range of professional tasks is capable of being performed under general professional guidance.
- Champion a child safe culture that upholds the *National Principles for Child Safe Organisations*. The Department is committed to the safety, wellbeing, and empowerment of all children and young people, and expect all employees to actively participate in and contribute to our rights-based approach to care, including meeting all mandatory reporting obligations.
- Where applicable, exercise delegations in accordance with a range of Acts, Regulations, Awards, administrative authorities and functional arrangements as mandated by Statutory office holders including the Secretary and Head of State Service. The relevant Unit Manager can provide details to the occupant of delegations applicable to this position.
- Comply at all times with policy and protocol requirements, including those relating to mandatory education, training and assessment.

Pre-employment Conditions:

It is the Employee's responsibility to notify an Employer of any new criminal convictions during the course of their employment with the Department.

The Head of the State Service has determined that the person nominated for this job is to satisfy a pre-employment check before taking up the appointment, on promotion or transfer. The following checks are to be conducted:

1. Conviction checks in the following areas:
 - a. crimes of violence
 - b. sex related offences
 - c. serious drug offences
 - d. crimes involving dishonesty

2. Identification check
3. Disciplinary action in previous employment check.

Selection Criteria:

1. Sound theoretical professional knowledge gained through an appropriate course of study at a recognised tertiary institution.
2. Well-developed communication skills, including the capacity to work as part of a multidisciplinary team.
3. Initiative and adaptability, including ability in time management and work prioritising and monitoring.
4. Understanding of, and commitment to, continuous quality improvement programs, customer service and quality in the workplace.
5. Understanding of appropriate Work Health and Safety legislation and codes of practice.

Working Environment:

The Department of Health is committed to improving the health and wellbeing of patients, clients and the Tasmanian community through a sustainable, high quality and safe health system. We value leading with purpose, being creative and innovative, acting with integrity, being accountable and being collegial.

The Department of Health is committed to improving the way we work with vulnerable people, in particular implementing strategies and actions to promote child safety and wellbeing, empower, and prevent harm to children and young people.

The Department upholds the *Australian Charter of Healthcare Rights* in our practice and is committed to the safeguarding and protection of the welfare and rights of all people, particularly those that may be at risk of abuse, neglect, or exploitation. We place emphasis on the provision of culturally safe, respectful, and inclusive care that is responsive to diverse needs.

The Department seeks to provide an environment that supports safe work practices, diversity and respect, including with employment opportunities and ongoing learning and development. We value the diverse backgrounds, skills and contributions of all employees and treat each other and members of the community with respect. We do not tolerate discrimination, harassment or bullying in the workplace. All employees must uphold the *State Service Principles* and *Code of Conduct* which are found in the *State Service Act 2000*. The Department supports the [Consumer and Community Engagement Principles | Tasmanian Department of Health](#).
