Guide to submitting an application

Thank you for considering applying for a position within SA Health. Recruitment and Selection processes across SA Health are based on best practice and a commitment to a selection based on merit. This means treating all applications in a fair and equitable manner that aims to choose the best person for the position.

A well presented, easy to read application will allow the panel to assess the information they need from your application. To give yourself the best opportunity to reach interview, the application should clearly and concisely demonstrate to the selection panel that you are suitably equipped to perform the role, and that you possess all of the stated minimum essential skills, abilities, knowledge, experience and educational qualifications (where required).

The online application form to apply for this position will ask for employment history, education, qualifications and referees however to understand the position and requirements we suggest you become familiar with the attached Job and Person Specification.

We request that you attach the following to your application -

- ✎ **A covering letter** of up to 2 pages introducing yourself to the selection panel and describing your skills, abilities, knowledge, qualifications and experience in relation to the position;
- ✎ **A current Curriculum vitae/Resume** that includes your personal details, relevant employment history, education, training courses, qualifications and professional memberships.

* Refer to [Guidelines for Applicants](#) for further information regarding

- Salary Packaging
- Opportunities for movement within SA Health
- Flexible working arrangements
- Criminal History screening and background checks
- Immunisation requirements
- Rights of review
- Information for applicants

Immunisation Risk Category	<input checked="" type="checkbox"/> Category A (direct contact with blood or body substances) <input type="checkbox"/> Category B (indirect contact with blood or body substances) <input type="checkbox"/> Category C (minimal patient contact)

ROLE CONTEXT

Primary Objective(s) of role:

Employees classified at this level provide nursing and/or midwifery services in health service settings. Employees working within this level develop from novice practitioners to a proficient level of professional practice. They consolidate knowledge and skills and develop in capability through continuous professional development and experience. An employee at this level accepts accountability for his or her own standards of nursing/midwifery care and for activities delegated to others.

Direct Reports:

The Registered Nurse

- Reports to the Nurse/Midwife NMUM Level 3.

Key Relationships/ Interactions:

Internal

- Provides the direct or indirect supervision of a Assistant in Nursing, Students in Enrolled Nursing, Enrolled Nurses and Direct Care Attendants
- Collaborative working relationship with all nursing and or midwifery staff;
- Maintains cooperative and productive working relationships within all members of the health care team.

External

- Maintains relationships with non-government organisations or other government organisations to meet the needs of the client group.

Challenges associated with Role:

Major challenges currently associated with the role include:

- > Providing evidenced based care, developing clinical skills while keeping up to date with professional standards of practice and quality management initiatives consistent with organisational policies
- > Working with children, youth, women and their families where there are multiple complexities and diverse cultural backgrounds.
- > Recognising and responding to clinical deterioration or other incidents and escalating appropriately

Delegations:

- > As per RMCLHN RMC delegations.

Resilience:

SA Health employees persevere to achieve goals, stay calm under pressure and are open to feedback.

Performance Development

The incumbent will be required to participate in the organisation's Performance Review & Development Program which will include a regular review of the incumbent's performance against the responsibilities and key result areas associated with their position and a requirement to demonstrate appropriate behaviours which reflect a commitment to SA Health values and strategic directions.

General Requirements:

- > *NB References to legislation, policies and procedures includes any superseding versions
- > Managers and staff are required to work in accordance with the Code of Ethics for South Australian Public Sector, Policies and Procedures and legislative requirements including but not limited to:
- > *Work Health and Safety Act 2012* (SA) and when relevant WHS Defined Officers must meet due diligence requirements.
- > *Return to Work Act 2014* (SA), facilitating the recovery, maintenance or early return to work of employees with work related injury / illness.
- > Equal Employment Opportunities (including prevention of bullying, harassment and intimidation).
- > *Children's Protection Act 1993* (Cth) – 'Notification of Abuse or Neglect'.
- > Disability Discrimination.
- > *Independent Commissioner Against Corruption Act 2012* (SA)
- > *SA Information Privacy Principles*
- > Relevant Awards, Enterprise Agreements, *Public Sector Act 2009* (SA), *Health Care Act 2008* (SA), and the SA Health (Health Care Act) Human Resources Manual.
- > Relevant Australian Standards.
- > Duty to maintain confidentiality.
- > Smoke Free Workplace.
- > To value and respect the needs and contributions of SA Health Aboriginal staff and clients, and commit to the development of Aboriginal cultural competence across all SA Health practice and service delivery.
- > Applying the principles of the South Australian Government's Risk Management Policy to work as appropriate.
- > *Health Practitioner Regulation National Law (South Australia) Act 2010*
- > *Mental Health Act 2009* (SA) and Regulations

- > *Controlled Substances Act 1984 (SA) and Regulations*
- > The Nursing and Midwifery Board of Australia Registration Standards (including the Guidelines and Assessment Frameworks for Registration Standards)
- > The Nursing and Midwifery Board of Australia Professional Practice Codes and Guidelines (including Competency Standards, Codes of Ethics and Professional Conduct, Decision Making Framework and Professional Boundaries)
- > Professional Practice Standards and competencies consistent with area of practice as varied from time to time
- > SA Health / RMCLHN policies, procedures and standards.

Handling of Official Information:

- > By virtue of their duties, SA Health employees frequently access, otherwise deal with, and/or are aware of, information that needs to be treated as confidential.
- > SA Health employees will not access or attempt to access official information, including confidential patient information other than in connection with the performance by them of their duties and/or as authorised.
- > SA Health employees will not misuse information gained in their official capacity.
- > SA Health employees will maintain the integrity and security of official or confidential information for which they are responsible. Employees will also ensure that the privacy of individuals is maintained and will only release or disclose information in accordance with relevant legislation, industrial instruments, policy, or lawful and reasonable direction.

White Ribbon:

SA Health has a position of zero tolerance towards men's violence against women in the workplace and the broader community. In accordance with this, the incumbent must at all times act in a manner that is non-threatening, courteous, and respectful and will comply with any instructions, policies, procedures or guidelines issued by SA Health regarding acceptable workplace behaviour.

Cultural Statement:

RMCLHN welcomes Aboriginal and Torres Strait Islander people and values the expertise, cultural knowledge and life experiences they bring to the workplace. RMCLHN is a culturally inclusive work environment that is respectful of Aboriginal and Torres Strait Islander culture.

Special Conditions:

The majority of information in this section is standard, however there may be some variation between specific positions eg if an incumbent requires an unrestricted drivers licence, to travel, work a 24-7 roster etc. Any additions should be approved by HR.

***NB** Reference to legislation, policies and procedures includes any superseding versions

- > Meet immunisation requirements as outlined by the *Immunisation Guidelines for Health Care Workers in South Australia 2014*.
- > It is mandatory that no person, whether or not currently working in SA Health, will be eligible for appointment to a position in SA Health unless they have obtained a satisfactory National Police Certificate (NPC).
- > Prescribed Positions under the Child Safety (Prohibited Persons) Act 2016 must obtain a satisfactory Working With Children Check (WWCC) through the Department of Human Services (DHS) Screening Unit.
- > Approved Aged Care Provider Positions as defined under the Accountability Principles 1998 made in pursuant to the Aged Care Act 2007 (Cth) must obtain a satisfactory National Police Certificate (NPC) through the South Australian Police or from an accredited CrimTrac Provider for Aged Care Related Work, confirming the clearance is for the purpose of unsupervised contact with vulnerable groups.

- > Prescribed positions under the Disability Services Act 1993 (and pursuant to the National Disability Insurance Scheme - Practice Standards – Worker Screening Rules 2018) must obtain a satisfactory National Disability Insurance Scheme (NDIS) Worker Screening Check through the Department of Human Services (DHS) Screening Unit.
- > NPCs must be renewed every 3 years thereafter from date of issue.
- > WWCCs and NDIS Worker Screening Checks must be renewed every 5 years thereafter from date of issue.
- > Depending on work requirements the incumbent may be transferred to other locations across SA Health to perform work appropriate to classification, skills and capabilities either on a permanent or temporary basis subject to relevant provisions of the *Public Sector Act 2009* for Public Sector employees or the *SA Health (Health Care Act) Human Resources Manual* for Health Care Act employees.
- > The incumbent may be required to participate in Counter Disaster activities including attendance, as required, at training programs and exercises to develop the necessary skills required to participate in responses in the event of a disaster and/or major incident.
- > The incumbent may be required to undertake further study to obtain a qualification which supports the needs of the health unit. Where further study is required, RMCLHN will provide support and assistance in accordance with provisions of the *SA Health (Health Care Act) Human Resources Manual*. Note, however, this Special Condition does *not* apply to existing RMCLHN employees with continuous employment with RMCLHN which commenced prior to 1 October 2016.
- > Appointment is subject to immunisation risk category requirements (see page 1). There may be ongoing immunisation requirements that must be met.

Organisational Context

Organisational Overview:

Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians

Our Legal Entities:

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Ageing and the Minister for Mental Health and Substance Abuse.

The legal entities include but are not limited to Department for Health and Ageing, Central Adelaide Local Health Network, Northern Adelaide Local Health Network, Southern Adelaide Local Health Network, Women's and Children's Health Network, Barossa Hills Fleurieu Local Health Network, Eyre and Far North Local Health Network, Flinders and Upper North Local Health Network, Limestone Coast Local Health Network, Riverland Mallee Coorong Local Health Network, Yorke and Northern Local Health Network and SA Ambulance Service.

SA Health Challenges:

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Care Plan has been developed to meet these challenges and ensure South Australian's have access to the best available health care in hospitals, health care centres and through GPs and other providers.

Health Network/ Division/ Department:

The Riverland Mallee Coorong Local Health Network is incorporated under the *SA Health Care Act 2008* and has a Governing Board which reports to the Minister for Health and Wellbeing.

The Riverland Mallee Coorong Local Health Network supports approximately 68,000 people living in the Riverland, and the Murray River, Lakes and Coorong areas of South Australia, extending east to the Victorian Border. This includes the towns and surrounds of Renmark, Paringa, Berri, Barmera, Waikerie, Loxton, Pinnaroo, Lamerloo, Karoonda, Mannum, Murray Bridge, Tailem Bend and Meningie.

Our wide range of health care services include accident and emergency, day and inpatient surgery, Aboriginal health, mental health, obstetric services, chemotherapy, renal dialysis services, community and allied health, and aged care services.

Values

SA Health Values

The values of SA Health are used to indicate the type of conduct required by our employees and the conduct that our customers can expect from our health service:

- > We are committed to the values of integrity, respect and accountability.
- > We value care, excellence, innovation, creativity, leadership and equity in health care provision and health outcomes.
- > We demonstrate our values in our interactions with others in SA Health, the community, and those for whom we care.

Code of Ethics

The *Code of Ethics for the South Australian Public Sector* provides an ethical framework for the public sector and applies to all public service employees:

- > Democratic Values - Helping the government, under the law to serve the people of South Australia.
- > Service, Respect and Courtesy - Serving the people of South Australia.
- > Honesty and Integrity- Acting at all times in such a way as to uphold the public trust.
- > Accountability- Holding ourselves accountable for everything we do.
- > Professional Conduct Standards- Exhibiting the highest standards of professional conduct.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.
