Working Environment:

The Department of Health (DoH) and Tasmanian Health Service (THS) are committed to improving the health and wellbeing of patients, clients and the Tasmanian community through a sustainable, high quality, safe and people-focussed health system. Alongside this, staff are expected to act with integrity, be accountable for their actions, and work collegially with colleagues and others to provide better outcomes for Tasmanians.

State Service Principles and Code of Conduct: The minimum responsibilities required of officers and employees of the State Service are contained in the *State Service Act 2000*. The State Service Principles at Sections 7 and 8 outline both the way that employment is managed in the State Service and the standards expected of those who work in the State Service. The Code of Conduct at Section 9 reinforces and upholds the Principles by establishing standards of behaviour and conduct that apply to all employees and officers, including Heads of Agencies. Officers and employees who are found to have breached the Code of Conduct may have sanctions imposed.

The *State Service Act 2000* and the Employment Directions can be found on the State Service Management Office's website at <http://www.dpac.tas.gov.au/divisions/ssmo>

Fraud Management: The Department has a zero tolerance to fraud. Officers and employees must be aware of, and comply with, their Agency's fraud prevention policy and procedure and it is the responsibility of all officers and employees to report any suspected fraudulent activity to their Director or line manager, the Chief People Officer or to the Manager Internal Audit. The DoH and THS are committed to minimising the occurrence of fraud through the development, implementation and regular review of fraud prevention, detection and response strategies, and are conscious of the need to protect employees who advise management of suspected fraudulent activity from reprisal or harassment, and to comply with its obligations under the *Public Interest Disclosure Act 2002*. Any matter determined to be of a fraudulent nature will be followed up and appropriate action will be taken. This may include having sanctions imposed under the *State Service Act 2000*.

Delegations: This position may exercise delegations in accordance with a range of Acts, Regulations, Awards, administrative authorities and functional arrangements mandated by Statutory office holders including the Secretary. The relevant Unit Manager can provide details to the occupant of delegations applicable to this position. The DoH and THS have a zero tolerance in relation to fraud and in exercising any delegations attached to this role the occupant is responsible for the detection and prevention of fraud, misappropriation and other irregularities, and for ensuring that all officers and employees are aware of their Agency's fraud policy and reporting procedures.

Blood borne viruses and immunisation: Health Care Workers (as defined by DoH and THS policy) within DoH and THS are expected to comply with their Agency's policies and procedures relating to blood borne viruses and immunisation, including against Hepatitis B. Depending on the level of risk associated with their duties, Health Care Workers may be required to demonstrate current immunity, previous seroconversion to Hepatitis B or immunity following vaccination.

Records and Confidentiality: Officers and employees of the Department are responsible and accountable for making proper records. Confidentiality must be maintained at all times and information must not be accessed or destroyed without proper authority.

Smoke-free: DoH and THS workplaces are smoke-free environments. Smoking is prohibited in all State Government workplaces, including vehicles and vessels.
