Your work area

The UWA Dental School is a contemporary, progressive, innovative and vibrant centre of excellence in dentistry. It is composed of three academic units and the Oral Health Centre of Western Australia (OHCWA). Our mission is to achieve excellence in dental education, research and oral health care to the benefit of our local community and the advancement of dentistry globally. This is achieved by highly qualified academics and staff, interacting with dedicated and engaged students, in state-of-the-art facilities, with up-to-date equipment and technology.

OHCWA is a partnership between The University of Western Australia and the Department of Health of Western Australia, and is the primary focus for oral health education, research and specialist care delivery in Western Australia. It treats approximately 15,000 patients a year and delivers a range of clinical and technical training programmes. OHCWA is located on the QEII campus adjacent to the new Perth Children's Hospital.

Reporting structure
