Immunisation Risk Category Requirements:	<input type="checkbox"/> Category A (direct contact with blood or body substances) <input type="checkbox"/> Category B (indirect contact with blood or body substances) <input checked="" type="checkbox"/> Category C (minimal patient contact)

ROLE CONTEXT

Primary Objective(s) of role:

We have several ongoing positions at the ASO5 across the following four team workstreams:

- > Engagement and Community Communications team:
 - o Lead community-driven efforts to improve cultural safety and responsiveness in mainstream health services, ensuring they support Aboriginal cultures and improve health outcomes.
 - o Facilitate strong community engagement and communications to align policies and strategies with the needs and priorities of Aboriginal communities.
 - o Foster collaboration and shared decision-making with Aboriginal communities, ensuring they are central to shaping health services and outcomes that directly affect them.
- > Shared Decision-Making and Partnership team:
 - o Facilitate partnerships and governance approaches between Aboriginal representatives and health system stakeholders to deliver on Closing the Gap commitments.
 - o Strengthen the Aboriginal Community-Controlled Organisation Sector and transform decision-making processes within SA Health to improve outcomes for Aboriginal peoples.
 - o Lead the development and management of the SA Closing the Gap Health and Wellbeing Partnership Committee and support other partnership governance mechanisms.
- > Investment, Evidence, and Performance team:
 - o Design and implement systems for transparent monitoring, data collection, sharing, and reporting on Aboriginal health outcomes.
 - o Provide leadership in data evaluation, analysis, and research to guide health priorities, policy, and decision-making.
 - o Provides systemwide leadership and advice on investment into Aboriginal health outcomes (both targeted and mainstream) and support performance and outcome measures to improve commissioning, contract and procurement outcomes.
 - o Leads projects with the Local Health Networks to improve Aboriginal Health
- > Policy and Reform team:
 - o Developing policies and processes to build SA Health's capability to transform in line with the four Closing the Gap Priority Reforms and improve monitoring and reporting of progress.
 - o Provide strategic advice on proposals, policy, programs, services and research that draws on information from across SA Health.

- Work across SA Health to coordinate systemwide responses to state and national Closing the Gap requests, including monitoring and reporting on Closing the Gap progress.

>

Key Relationships/ Interactions:

- > Meet immunisation requirements as outlined by the *Immunisation for Health Care Workers in South Australia Policy Directive*.
- > Equal Employment Opportunities (including prevention of bullying, harassment and intimidation).
- > *Children and Young People (Safety) Act 2017 (SA)* 'Notification of Abuse or Neglect'.
- > Disability Discrimination.
- > *Independent Commissioner Against Corruption Act 2012 (SA)*.
- > *Information Privacy Principles Instruction*.
- > Relevant Awards, Enterprise Agreements, *Public Sector Act 2009*, *Health Care Act 2008* and the *SA Health (Health Care Act) Human Resources Manual*.
- > Relevant Australian Standards.
- > Duty to maintain confidentiality.
- > Smoke Free Workplace.
- > To value and respect the needs and contributions of SA Health Aboriginal staff and clients, and commit to the development of Aboriginal cultural competence across all SA Health practice and service delivery.
- > Applying the principles of the *South Australian Government's Risk Management Policy* to work as appropriate.

The SA Health workforce contributes to the safety and quality of patient care by adhering to the South Australian Charter of Health Care Rights, understanding the intent of the National Safety and Quality Health Service Standards and participating in quality improvement activities as necessary.

Performance Development:

The incumbent will be required to participate in the organisation's Performance Review and Development Program which will include a regular review of the incumbent's performance against the responsibilities and key result areas associated with their position and a requirement to demonstrate appropriate behaviours which reflect a commitment to SA Health values and strategic directions.

Handling of Official Information:

By virtue of their duties, SA Health employees frequently access, otherwise deal with, and/or are aware of, information that needs to be treated as confidential.

SA Health employees will not access or attempt to access official information, including confidential patient information other than in connection with the performance by them of their duties and/or as authorised.

SA Health employees will not misuse information gained in their official capacity.

SA Health employees will maintain the integrity and security of official or confidential information for which they are responsible. Employees will also ensure that the privacy of individuals is maintained and will only release or disclose information in accordance with relevant legislation, industrial instruments, policy, or lawful and reasonable direction.

White Ribbon:

SA Health has a position of zero tolerance towards men's violence against women in the workplace and the broader community. In accordance with this, the incumbent must at all times act in a manner that is non-threatening, courteous, and respectful and will comply with any instructions, policies, procedures or guidelines issued by SA Health regarding acceptable workplace behaviour.

Resilience:

SA Health employees persevere to achieve goals, stay calm under pressure and are open to feedback.

Organisational Context

Organisational Overview:

Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians.

Our Legal Entities:

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Wellbeing. The Department for Health and Wellbeing is an administrative unit under the Public Sector Act 2009.

The legal entities include but are not limited to the Central Adelaide Local Health Network Inc., Northern Adelaide Local Health Network Inc., Southern Adelaide Local Health Network Inc., Women's and Children's Health Network Inc., Barossa Hills Fleurieu Local Health Network Inc., Eyre and far North Local Health Network Inc., Flinders and Upper North Local Health Network Inc., Limestone Coast Local Health Network Inc., Riverland Mallee Coorong Local Health Network Inc., Yorke and Northern Local Health Network Inc. and SA Ambulance Service Inc.

SA Health Challenges:

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Care Plan has been developed to meet these challenges and ensure South Australian's have access to the best available health care in hospitals, health care centres and through GPs and other providers.

Health Network/ Division/ Department:

The Implementation Science Unit (ISU) is part of the Clinical System Support & Improvement Division of the Department for Health and Wellbeing (DWH) and provides a central hub for SA Health implementation and project support. ISU is the host team supporting the expression of interest, depending on the requirements, the position may be located within any division, unit, team within DHW.

The Department for Health and Wellbeing assists the Minister to set the policy framework and strategic directions for SA Health. The Department supports the delivery of public health services, formulates health and wellbeing policy and programs, facilitates public and consumer consultation on health issues, and monitors the performance of South Australia's health system by providing timely advice, research and administrative support.

Values

SA Health Values

The values of SA Health are used to indicate the type of conduct required by our employees and the conduct that our customers can expect from our health service:

- > We are committed to the values of integrity, respect and accountability.
- > We value care, excellence, innovation, creativity, leadership and equity in health care provision and health outcomes.
- > We demonstrate our values in our interactions with others in SA Health, the community, and those for whom we care.

Code of Ethics

The *Code of Ethics for the South Australian Public Sector* provides an ethical framework for the public sector and applies to all public service employees.

- > Democratic Values - Helping the government, under the law to serve the people of South Australia.
- > Service, Respect and Courtesy - Serving the people of South Australia.
- > Honesty and Integrity- Acting at all times in such a way as to uphold the public trust.
- > Accountability- Holding ourselves accountable for everything we do.
- > Professional Conduct Standards- Exhibiting the highest standards of professional conduct.

As a public sector employee, you have a responsibility to maintain ethical behaviour and professional integrity standards. It is expected that you act in accordance with the Code of Ethics and contribute to a culture of integrity within SA Health.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.
