*NB. The above details in relation to Location, Position Type and Work Pattern may differ when this position is advertised – please refer to these details within the actual advert. The remainder of the content of this Statement of Duties applies to all advertised positions.*

## Primary Purpose:

Provide clinical services of the highest possible standard to patients and their families.

Actively pursue performance improvements in Department of Anaesthesia and Perioperative Medicine by involvement in clinical support roles.

Actively pursue improved outcomes for patients by participating in teaching and research relevant to anaesthesia.

## Duties:

1. Provide clinical services in Anaesthesia and Perioperative Services including diagnosis, treatment and care for patients within the Southern area, both inpatients and outpatients.
2. Participate in undergraduate and postgraduate teaching programs.
3. Undertake research in the area of anaesthesia and perioperative care.
4. Participate in an out of hours On-Call Roster.
5. Actively pursue improvements in clinical support areas as allocated by the Director.
6. Participate in such Hospital committees and administrative matters as required by the Director - Department of Anaesthesia & Perioperative Medicines.
7. Participate in continuous quality improvement activities.
8. Observe all hospital bylaws and statutory regulations.
9. Actively participate in and contribute to the organisation's Quality & Safety and Work Health & Safety processes, including in the development and implementation of safety systems, improvement initiatives, safeguarding practices for vulnerable people, and related training.
10. The incumbent can expect to be allocated duties, not specifically mentioned in this document, that are within the capacity, qualifications and experience normally expected from persons occupying positions at this classification level.

## Key Accountabilities and Responsibilities:

Provide a high-quality service under the direction of the Director - Department of Anaesthesia & Perioperative Care to patients of the Agency by:

- Providing appropriate clinical care to patients
- Coordinating the follow up care of patients
- Attending inpatients rounds and consulting clinics as scheduled
- Contributing to an afterhours on-call service in accordance with a roster
- Ensuring effective communication with care providers, to promote continuity of patient care.

Demonstrate a commitment to continuous service improvement by:

- Participating in the development of clinical guidelines and protocols
- Attending and participating in clinical and departmental meetings
- Participating in departmental peer review and audit activities
- Continuously reviewing existing practices and promoting change where required
- Participating in quality improvement programs undertaken by the Royal Hobart Hospital
- Participating in College based programs directed towards maintaining the highest standards of professional care
- Participating in personal performance appraisal.

Demonstrate a commitment to personal and professional development by:

- Attending conferences to maintain and enhance knowledge
- Participating in programs designed to provide personal growth and development.

Demonstrate a commitment to the provision of a multidisciplinary approach to clinical care by:

- Working harmoniously with all members of the clinical team
- Being responsive to the expectations and needs of both clinical and nonclinical colleagues.

Engender a consumer focus in service delivery by:

- Ensuring consumers are able to exercise their rights and responsibilities
- Ensuring that patients and families are given adequate information upon which to base treatment decisions and follow up
- Being responsive to complaints from patients and their relatives
- Demonstrating empathy for patients and their families.

Provide appropriate support, direction and training to trainee medical officers, nurses and medical students by:

- Providing appropriate direction and supervision to Registrars, Resident Medical Officers and Nurses.
- Acting as a role model and mentor for trainee medical staff, nurses and medical students
- Participating in the education of trainee medical staff, nurses and medical students.

Participate in and contribute to the academic life of the Department by:

- Conducting research
- Participating actively in postgraduate educational activities e.g.: Grand Rounds, Department Meetings
- Contributing to the supervision of postgraduate students.

Promote and contribute to the maintenance of a safe working environment by:

- Complying with Work Health and Safety (WH&S) and welfare policies and other written arrangements for WH&S and welfare at work.
- Participating in relevant WH&S and welfare programs.
- Complying with any reasonable instruction and following safe-work practices in relation to WH&S and welfare at work.
- Participating in training programs and on the job training programs for WH&S and welfare.
- Reporting all incidents, accidents and observed hazards to their supervisor or manager as soon as possible and assisting in the investigation process.

- Supporting the role of the health and safety representatives by keeping them informed of any issues relating to WH&S and welfare in the workplaces.
- Ensuring that you are not, by the consumption of alcohol or a drug, in such a state as to endanger your own health and safety at work or the health and safety of any other person.
- Participating in appraisals to evaluate WH&S performance.
- Champion a child safe culture that upholds the *National Principles for Child Safe Organisations*. The Department is committed to the safety, wellbeing, and empowerment of all children and young people, and expect all employees to actively participate in and contribute to our rights-based approach to care, including meeting all mandatory reporting obligations.
- Where applicable, exercise delegations in accordance with a range of Acts, Regulations, Awards, administrative authorities and functional arrangements as mandated by Statutory office holders including the Secretary and Head of State Service. The relevant Unit Manager can provide details to the occupant of delegations applicable to this position.
- Comply at all times with policy and protocol requirements, including those relating to mandatory education, training and assessment.

## Pre-employment Conditions:

*It is the Employee's responsibility to notify an Employer of any new criminal convictions during the course of their employment with the Department.*

The Head of the State Service has determined that the person nominated for this job is to satisfy a pre-employment check before taking up the appointment, on promotion or transfer. The following checks are to be conducted:

1. Conviction checks in the following areas:
  - a. crimes of violence
  - b. sex related offences
  - c. serious drug offences
  - d. crimes involving dishonesty
2. Identification check
3. Disciplinary action in previous employment check.

## Selection Criteria:

1. Demonstrated ability to provide inpatient and outpatient care in Anaesthesia at a tertiary referral teaching hospital standard.
2. Demonstrated ability to manage and lead clinical support activities.
3. Demonstrated high level written and verbal communication skills and the ability to maintain good interpersonal relationships.
4. Demonstrated well developed conceptual, analytical and synthesis skills and demonstrated ability to be flexible, adaptable and innovative in the achievement of objectives.
5. Demonstrated skills and experience in undergraduate and postgraduate teaching.

6. Demonstrated skills and experience in undertaking and managing research activities.
7. Demonstrate a commitment to the provision of a multidisciplinary approach to clinical care.
8. Demonstrate a commitment to personal and professional development.
9. Demonstrated ability to maintain confidentiality and professionalism and uphold the requirements of the Codes of Conduct of AHPRA and the Tasmanian State Service.
10. Demonstrated commitment to continuous quality improvement.

## Working Environment:

The Department of Health is committed to improving the health and wellbeing of patients, clients and the Tasmanian community through a sustainable, high quality and safe health system. We value leading with purpose, being creative and innovative, acting with integrity, being accountable and being collegial.

The Department of Health is committed to improving the way we work with vulnerable people, in particular implementing strategies and actions to promote child safety and wellbeing, empower, and prevent harm to children and young people.

The Department upholds the *Australian Charter of Healthcare Rights* in our practice and is committed to the safeguarding and protection of the welfare and rights of all people, particularly those that may be at risk of abuse, neglect, or exploitation. We place emphasis on the provision of culturally safe, respectful, and inclusive care that is responsive to diverse needs.

The Department seeks to provide an environment that supports safe work practices, diversity and respect, including with employment opportunities and ongoing learning and development. We value the diverse backgrounds, skills and contributions of all employees and treat each other and members of the community with respect. We do not tolerate discrimination, harassment or bullying in the workplace. All employees must uphold the *State Service Principles* and *Code of Conduct* which are found in the *State Service Act 2000*. The Department supports the [Consumer and Community Engagement Principles | Tasmanian Department of Health](#)
