

PROFESSOR (BUSINESS, BUSINESS INNOVATION, GLOBAL BUSINESS)

DEPARTMENT/UNIT	Office of the Pro Vice-Chancellor (Indonesia)
FACULTY/DIVISION	Office of the Pro Vice-Chancellor (Indonesia)
CLASSIFICATION	Professor
DESIGNATED CAMPUS OR LOCATION	Monash Indonesia

ORGANISATIONAL CONTEXT

Monash is a university of transformation, progress and optimism. Our people are our most valued asset, with our academics among the best in the world. You will be part of a university that is made up of inspirational, challenging thinkers and doers – and your work will make a lasting impact. Monash University was founded on the belief that the search for knowledge and the ways to use it never end. Discover more at www.monash.edu

In establishing the Monash Indonesia campus the University is continuing its commitment to being a truly global university. This new Monash campus joins a dynamic network alongside the highly successful Monash University Malaysia, as well as our partnered campuses in Suzhou, China and Mumbai, India.

The campus will make a strong and distinctive contribution to Indonesia's social, economic and technological development. Through the addition of this campus to our global network, Monash is cementing its position as a truly global university focused on making a positive global impact. Indonesia is a key partner for Australia and the University, and we're committed to building our existing, and forging new, lasting relationships.

Monash Indonesia will build and strengthen existing ties between Australia and Indonesia, and offer staff, students, alumni and partners collaborative opportunities with a world top 100 university operating across five countries in the Asia Pacific region. We will pave new pathways for students who desire a global education and be awarded at the conclusion of their studies with a world-class Monash University degree.

POSITION PURPOSE

A Professor is expected to lead and contribute to the teaching effort of Monash Indonesia by implementing contemporary teaching and learning techniques for pre- and post-experience post-graduate programs with various offering modes (weekdays or weekends, regular or intensive mode). The candidate is expected to carry out activities to lead, maintain and develop scholarly, research and/or professional endeavours relevant to the profession or discipline.

The Professor will work towards advancing and achieving Monash Indonesia's strategic research priorities through a program of research focused on this cognate area. Consideration for an appointment in this position requires a track record of high-quality, ground-breaking scholarly activities undertaken individually and collaboratively.

Monash Indonesia seeks a world-class appointment capable of leading and delivering contemporary pedagogy for business education, conducting high-quality research, and leading faculty members to engage with relevant stakeholders to gain funding and impact in the areas of Business, Business Innovation, or Global Business.

Reporting Line: The position reports to Pro Vice-Chancellor (Indonesia)

Supervisory Responsibilities: This position provides direct supervision to academic staff in the area of Business Innovation

Financial Delegation: Yes, in accordance with the University delegations schedule

Budgetary Responsibilities: Yes, in line with Key Responsibilities

KEY RESPONSIBILITIES

Specific duties required of a Professor may include:

1. Working with the Pro Vice-Chancellor (Indonesia), develop and lead strategy a strategic approach to grow research income streams, industry associations and interdisciplinary initiatives to support the translation of research outcomes for economic, social, and environmental impact
2. Promote engagement and culture within Monash Indonesia, including actively working with colleagues on initiatives that link the academy to industry and grow the University's reputation of outstanding teaching and research
3. Develop and drive opportunities to build capability and capacity for Business, Business Innovation, or Global Business research within Monash Indonesia, including promoting research engagement opportunities to staff and actively fostering relationships with industry
4. Actively engage in Business, Business Innovation or Global Business research by maintaining a research pipeline to be published in high-quality refereed journals and supervising and mentoring early career researchers and research students
5. Foster research excellence through procuring competitive research grants, leading significant research projects and working with other staff to develop research links
6. Provide strong and committed leadership in teaching, curriculum development and research training by participating in Monash Indonesia's curriculum planning and development processes, academic committees, and relevant examination processes, in addition to monitoring the quality of individual teaching in the relevant discipline
7. Lead educational innovation and delivery across relevant coursework programs
8. Provide innovative and effective leadership for the expansion of the HDR program by attracting high-quality HDR students

9. Contribute to academic and administrative leadership within Monash Indonesia by participating in the development of policy and strategy
10. Maintain and broaden collaborative internal and external partnerships, both nationally and internationally, making a significant contribution to the profession
11. Other duties as directed from time to time

KEY SELECTION CRITERIA

Education/Qualifications

1. The appointee **must** have:
 - A doctorate in Management Science, Operation Management, International Business, International Economics or Political Economy. However, you are encouraged to apply if your doctorate is in cognate areas of Business, Business Innovation and Global Business.
 - Excellent teaching evaluation as evidenced by past teaching evaluation reports. Excellent feedback on post-experience programs for Business Innovation applicants.
 - Evidence of engagements with industry

Knowledge and Skills

2. Evidence of outstanding scholarly activity of an international standard in Business, Business Innovation, or Global Business and a demonstrated ongoing commitment to one or more programs of research
3. Demonstrated ability to generate research income, including from both traditional and more innovative sources of research funding
4. Record of successful supervision of postgraduate research students and the ability to make a significant contribution to postgraduate training programs in Business, Business Innovation, or Global Business
5. Proven excellence in teaching at both undergraduate and postgraduate levels
6. Demonstrated skills and experience in managing and/or leading large projects or teams to achieve educational, research and quality improvement outcomes
7. Effective track record in the ability to foster a collaborative and engaging research culture, promoting research collaboration and opportunities for engagement across the wider University and international research community
8. Proven professional leadership qualities and capacity for executive administrative responsibilities
9. Evidence of sustained relationships with industry, business, government and professional bodies coupled with vision for the future needs and development of Business, Business Innovation, or Global Business within Indonesia and internationally
