

Department of Medical Education, Melbourne Medical School Opportunity to join the First Nations Tutor Team in 2022

About you

- Identify as Aboriginal and/or Torres Strait Islander.
- Passion for First Nations health and wellbeing.
- No previous tutoring experience required.
- No medical knowledge required.

First Nations Tutors will receive relevant training and opportunities for professional development in teaching.

All tutorial sessions are paid at University Tutoring rates and co-delivered with trained non-Indigenous tutors; all teaching materials will be provided.

Interested?

Submit your expression of interest and a brief CV to firstnationshealth-md@unimelb.edu.au
