## JOB SPECIFICATION

### Primary Objective(s) of role:

Employees classified at this level use their clinical knowledge and experience to provide the pivotal co-ordination of patient/client care delivery in a patient/client care area within a Health Unit/Community Service. The main focus of this role is the line management, coordination and leadership of nursing/midwifery and/or multi-disciplinary team activities to achieve continuity and quality of patient/client care and outcomes.

Employees in this role accept accountability for the outcomes of nursing/midwifery practices and/or multidisciplinary outcomes in the specific practice setting; for addressing inconsistencies between practice and policy; and for developing team performance and a positive work culture in the interest of patient/client outcomes.

The Nurse Manager ORMIS Lead undertakes a combination of team leadership, ORMIS (Operating Theatre Information Systems) administration and support. The main focus of the role is the coordination and leadership of the ORMIS administrative support team and their activities to achieve continuity and quality of patient/client care. These activities can include (but are not limited to), data validation and data quality improvement, education and support to ORMIS/ORMIS data users, timely reporting to management levels, testing and implementing upgrades and enhancements, providing formatted data for research, analysis and improvement of practise.

### Direct Reports: (List positions reporting directly to this position)

Level 1 & 2 RN/Ms (ORMIS Team Nurses)

### Key Relationships / Interactions:

#### Internal:

- > Maintains close collaborative working relationships with all level 3 and level 4 Nurses/ Midwives.
- > Provides direct line report and maintains a close working relationship with the Associate Nurse/Midwife Unit Manager (Level 2) and the Clinical Nurse/Midwife (Level 2).
- > Provides direct line report and maintains cooperative and productive working relationships within all members of the health care team.

- > Provides direct line report and maintains develops, supports and works collaboratively with less experienced members of the nursing/midwifery team.
- > Collaborative working relationships with the multidisciplinary team and people and culture consultants.

External:

- > Maintains relationships with non-government organisations or other government organisations.
- >

#### Challenges associated with Role:

Major challenges currently associated with the role include:

- > Managing a team and addressing inconsistencies in between practice and polices/procedures
- > Monitoring and managing unit resources and promoting a culture of due diligence
- > Keeping up-to-date with professional standards of practice, implementing and monitoring evidence based care and quality and safety initiatives
- > Dealing appropriately with children, youth, women and their families where there can be multiple complexities, diverse cultural backgrounds and consumer expectations.

#### Delegations: (As defined in SALHN instruments of delegations)

(Levels / limits of authority in relation to finance, human resources, Work Health and Safety and administrative requirements as defined by Departmental delegations and policies.)

Financial	N/A
Human Resources	N/A
Procurement	N/A

#### Resilience

SA Health employees persevere to achieve goals, stay calm under pressure and are open to feedback.

#### Performance Development

As an individual it is your responsibility to actively participate in the Performance Review & Development Program which will include a six (6) monthly review of your performance against the responsibilities and key result areas associated with your position.

As a Manager you, or your delegate, are required to action the Performance Review & Development Program inclusive of six (6) monthly reviews, for all employees for whom you are responsible.

### Other Details

## Organisational Overview

Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians.

## SA Health Challenges

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce strategies, and ageing infrastructure. The SA Health Strategic Plan has been developed to meet these challenges and ensure South Australians have access to the best available health care in hospitals, health care centres and through GPs and other providers.

## Our Legal Entities

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Wellbeing. The Department for Health and Wellbeing is an administrative unit under the Public Sector Act 2009.

## Governing Boards

The State Government is reforming the governance of SA Health, including from 1 July 2019 the establishment of 10 Local Health Networks, each with its own Governing Board.

Statewide	> Women's and Children's Health Network
Metropolitan	> Central Adelaide Local Health Network > Southern Adelaide Local Health Network > Northern Adelaide Local Health Network
Regional	> Barossa Hills Fleurieu Local Health Network > Yorke and Northern Local Health Network > Flinders and Upper North Local Health Network > Riverland Mallee Coorong Local Health Network > Eyre and Far North Local Health Network > South East Local Health Network

## Southern Adelaide Local Health Network (SALHN)

SALHN provides care for more than 350,000 people living in the southern metropolitan area of Adelaide as well as providing a number of statewide services, and services to those in regional areas. More than 7,500 skilled staff provide high quality patient care, education, research and health promoting services.

SALHN provides a range of acute and sub-acute health services for people of all ages.

SALHN includes

- > [Flinders Medical Centre](#)
- > [Noarlunga Hospital](#)
- > [GP Plus Health Care Centres and Super Clinics](#)
- > [Mental Health Services](#)
- > Sub-acute services, including [Repat Health Precinct](#)
- > [Jamie Larcombe Centre](#)
- > [Aboriginal Family Clinics](#)

**Code of Ethics**

The Code of Ethics for the South Australian Public Sector provides an ethical framework for the public sector and applies to all public service employees; it sets out the **South Australian Public Sector Values** as:

- > **Service** – We proudly serve the community and Government of South Australia.
- > **Professionalism** – We strive for excellence.
- > **Trust** – We have confidence in the ability of others.
- > **Respect** – We value every individual.
- > **Collaboration & engagement** – We create solutions together.
- > **Honesty & integrity** – We act truthfully, consistently, and fairly.
- > **Courage & tenacity** – We never give up.
- > **Sustainability** – We work to get the best results for current and future generations of South Australians.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.

**Domestic and Family Violence**

The Southern Adelaide Local Health Network (SALHN) recognises the devastating impact domestic or family violence can have on the lives, of those who experience abuse and are committed to supporting employees who experience domestic or family violence by providing a workplace environment that provides flexibility and supports their safety.

**Role Acceptance**

I have read and understand the responsibilities associated with the Nurse Unit Manger in the SALHN Perioperative services and organisational context and the values of SA Health as described within this document.
