

Chief Financial Officer - Business Partner

Position Detail			
Reports To	CFO Business Partnering (Head)	Group	Chief Financial Officer
Classification	ASA 6	Location	Brisbane, Canberra or Melbourne
Reports – Direct Total	Nil		

Organisational Environment

Airservices is a government owned organisation providing safe, secure, efficient and environmentally responsible services to the aviation industry.

Each year we manage over four million aircraft movements carrying more than 156 million passengers, and provide air navigation services across 11 per cent of the world's airspace.

Airservices has two major operating centres in Melbourne and Brisbane and a corporate office in Canberra. We operate 29 air traffic towers at international and regional airports, and provide aviation rescue fire fighting services at 27 Australian airports.

We are committed to continuing to improve our business by providing our customers with services they value, and embedding new ways of working and technology investments to further innovate and optimise.

Primary Purpose of Position

As a Chief Financial Officer Business Partner you will provide strategic commercial advice including (but not limited to):

Strategic financial and commercial advice - The role will provide strategic advice across the full range of CFO activities to Executive leaders within the business.

Strategy and Solutions – The role will research, design, develop and provide financial and commercial change initiatives aligned to the business strategy. It will also play an important role in the implementation of organisation wide CFO initiatives and ensure the effective coordination and engagement of relevant financial and commercial expertise.

Coaching and Capability Development - Mature the commercial and financial acumen of the business (i.e. capability development)

Accountabilities and Responsibilities

- Provide strategic CFO domain advice to facilitate long-term commercial thinking for Chiefs and senior leaders
- Support the provision of insights around improvement opportunities from across the business to support the development of the improvement agenda for the CFO domain
- Liaise with other domain Business Partners to drive consolidated planning & reporting
- Collaborate with other areas from CFO to input domain insights into financial planning and analysis to inform strategy development and set domain targets
- Develop trusted relationships with the Executive
- Mature the commercial and financial acumen of the business (i.e. capability development)
- Identify and undertake financial/commercial analysis of key performance levers for the business
- Deliver critical decision support focused on performance improvement
- Co-design reports to drive CFO Performance
- Co-ordinate CFO leadership meetings and provide guidance on effective delivery of outcomes
- Be the central interface point for the business to the CFO domain
- Lead cross functional teams to deliver business improvement initiatives.

People

- Create and support an environment, which fosters an emphasis on collaboration and accountability to promote a trust-based, inclusive culture centred on principles of care and purpose.
- Communicate with influence to support the team's objectives and collaboratively engage with peers and other teams within Airservices.
- Develop and maintain a broad range of relationships to influence within the value chain at the peer and more senior levels, and positively influence external stakeholders.

Safety

- Exemplify, support and promote the behaviours of the organisation wide safety culture to embed that culture.
