To be eligible for appointment in this role you will be required to meet the immunisation requirements associated with Category A (direct contact with blood or body substances). [Please click here for further information on these requirements.](#)

Guide to submitting an application

Thank you for considering applying for a position within SA Health. Recruitment and Selection processes across SA Health are based on best practice and a commitment to a selection based on merit. This means treating all applications in a fair and equitable manner that aims to choose the best person for the position.

A well presented, easy to read application will allow the panel to assess the information they need from your application. To give yourself the best opportunity to reach interview, the application should clearly and concisely demonstrate to the selection panel that you are suitably equipped to perform the role, and that you possess all of the stated minimum essential skills, abilities, knowledge, experience and educational qualifications (where required).

The online application form to apply for this position will ask for employment history, education, qualifications and referees however to understand the position and requirements we suggest you become familiar with the attached Job and Person Specification.

We request that you attach the following to your application -

- ✍ **A covering letter** of up to 2 pages introducing yourself to the selection panel and describing your skills, abilities, knowledge, qualifications and experience in relation to the position;
- ✍ **A current Curriculum vitae/Resume** that includes your personal details, relevant employment history, education, training courses, qualifications and professional memberships.

* Refer to <http://www.sahealthcareers.com.au/information/> for further information regarding

- The Indicative Total Remuneration which is inclusive of Award salary, superannuation and other monetary benefits.
- Information for Applicants
- Criminal History Assessment requirements

Immunisation Risk Category	<input checked="" type="checkbox"/> Category A (direct contact with blood or body substances) <input type="checkbox"/> Category B (indirect contact with blood or body substances) <input type="checkbox"/> Category C (minimal patient contact)

ROLE CONTEXT

Primary Objective(s) of role:

A Nurse Practitioner is an advanced practice nurse endorsed by the Nursing and Midwifery Board of Australia to practise within their scope under the legislatively protected title 'nurse practitioner'. Nurse Practitioners are expert practitioners, practicing beyond the usual extent of a nurse, at an advanced level, with an expanded scope of practice, and with an advanced degree of autonomy and clinical decision making. They work independently and collaboratively in the health care system. Employees classified at this level provide high level clinical nursing expertise for specified individual patients/clients and/or groups/populations.

Employees in these roles accept accountability for their nursing practice, professional advice given, delegations of care made and for addressing inconsistencies between practice and policy.

The nurse practitioner scope of practice is approved by LHN Nursing and Midwifery Credentialling Committee.

Direct Reports:

> Nil

Key Relationships/ Interactions:

Internal

- > Reports professionally to Nursing Director, Women and Children's Division and clinically to the Head of Pediatrics via the Neonatologist on duty.
- > Maintains close collaborative working relationships with: Nurse/Midwife Unit Manager N/MUM of the Special Care Nursery and other N/MUM's specifically in the Women and Children's Division, Nurse/Midwife Consultants, Nurse Midwife Educators, other Neonatal Nurse Practitioners (NNP).
- > Maintains close collaborative working relationships with Neonatal Consultants, Paediatricians, Obstetricians and training medical staff.
- > Maintains a cooperative and productive working relationship with all members of the health care team including Allied Health staff.
- > Supports and works collaboratively with the less experienced members of the Nursing and/or Midwifery team.
- > Contributes to the day to day operation of the neonatal service and provides professional guidance to Nursing/Midwifery staff.

External

- > Maintains relationships with non-government organisations or other government organisations.

Challenges associated with Role:

Major challenges currently associated with the role include:

- > Keeping professionally up to date with relevant research, technological advances and models of care.
- > Working appropriately and in a culturally respectful way with patients and their families where there are multiple complexities, diverse cultural backgrounds and expectations of clients.
- > Accepting responsibility for the maintenance of own knowledge and professional competence and contemporary practices.
- > Working collaboratively within the multidisciplinary team and across organisational Divisions/sites and promotes communication processes to enable best patient/client outcomes.

Delegations:

- > Nil

Resilience:

SA Health employees persevere to achieve goals, stay calm under pressure and are open to feedback.

Performance Development

The incumbent will be required to participate in the organisation's Performance Review & Development Program which will include a regular review of the incumbent's performance against the responsibilities and key result areas associated with their position and a requirement to demonstrate appropriate behaviours which reflect a commitment to SA Health values and strategic directions.

General Requirements:

Managers and staff are required to work in accordance with the Code of Ethics for South Australian Public Sector, Policies and Procedures and legislative requirements including but not limited to:

- > *Work Health and Safety Act 2012 (SA) and when relevant WHS Defined Officers must meet due diligence requirements.*
- > *Return to Work Act 2014 (SA), facilitating the recovery, maintenance or early return to work of*

employees with work related injury / illness.

- > *Equal Employment Opportunities (including prevention of bullying, harassment and intimidation).*
- > *Child Safety (Prohibited Person) Act (2016).*
- > *Disability Discrimination.*
- > *Independent Commissioner Against Corruption Act 2012 (SA)*
- > *Information Privacy Principles Instruction*
- > *Relevant Awards, Enterprise Agreements, Public Sector Act 2009 (SA), Health Care Act 2008 (SA), and the SA Health (Health Care Act) Human Resources Manual.*
- > *Relevant Australian Standards.*
- > *Duty to maintain confidentiality.*
- > *Smoke Free Workplace.*
- > *To value and respect the needs and contributions of SA Health Aboriginal staff and clients, and commit to the development of Aboriginal cultural competence across all SA Health practice and service delivery.*
- > *Applying the principles of the South Australian Government's Risk Management Policy to work as appropriate.*
- > *Health Practitioner Regulation National Law (South Australia) Act 2010*
- > *Mental Health Act 2009 (SA) and Regulations*
- > *Controlled Substances Act 1984 (SA) and Regulations*
- > *The Nursing and Midwifery Board of Australia Registration Standards (including the Guidelines and Assessment Frameworks for Registration Standards)*
- > *The Nursing and Midwifery Board of Australia Professional Practice Codes and Guidelines (including Competency Standards, Codes of Ethics and Professional Conduct, Decision Making Framework and Professional Boundaries)*
- > *Professional Practice Standards and competencies consistent with area of practice as varied from time to time*
- > *Relevant policies, procedures and standards of SA Health and the Northern Adelaide Local Health Network.*

**NB Reference to legislation, policies and procedures includes any superseding versions.*

Handling of Official Information:

By virtue of their duties, SA Health employees frequently access, otherwise deal with, and/or are aware of, information that needs to be treated as confidential.

SA Health employees will not access or attempt to access official information, including confidential patient information other than in connection with the performance by them of their duties and/or as authorised.

SA Health employees will not misuse information gained in their official capacity.

SA Health employees will maintain the integrity and security of official or confidential information for which they are responsible. Employees will also ensure that the privacy of individuals is maintained and will only release or disclose information in accordance with relevant legislation, industrial instruments, policy, or lawful and reasonable direction.

White Ribbon:

SA Health has a position of zero tolerance towards men's violence against women in the workplace and the broader community. In accordance with this, the incumbent must at all times act in a manner that is non-threatening, courteous, and respectful and will comply with any instructions, policies, procedures or guidelines issued by SA Health regarding acceptable workplace behaviour.

Cultural Commitment:

NALHN welcomes and respects Aboriginal and Torres Strait Islander people and values the expertise, cultural knowledge and life experiences they bring to the workplace. In acknowledgement of this, NALHN is committed to increasing the Aboriginal and Torres Strait Islander Workforce.

Special Conditions:

- > It is mandatory that no person, whether or not currently working in SA Health, will be eligible for appointment to a position in SA Health unless they have obtained a satisfactory Background Screening and National Criminal History Clearance.
- > *Prescribed Positions* under the *Child Safety (Prohibited Person) Act (2016)* must obtain a satisfactory criminal and relevant history screening for child related work through the Screening Unit, Department of Human Services.
- > Criminal Screening and Relevant History screenings must be renewed every 5 years thereafter from date of issue for 'Prescribed Positions' under the *Child Safety (Prohibited Person) Act (2016)* or every 3 years thereafter from date of issue for 'Approved Aged Care Provider Positions' as defined under the *Accountability Principles 2014* made in pursuant to the *Aged Care Act 2007* (Cth).
- > Depending on work requirements the incumbent may be transferred to other locations across SA Health to perform work appropriate to classification, skills and capabilities either on a permanent or temporary basis subject to relevant provisions of the *Public Sector Act 2009* for Public Sector employees or the *SA Health (Health Care Act) Human Resources Manual* for Health Care Act employees.
- > The incumbent may be required to participate in Counter Disaster activities including attendance, as required, at training programs and exercises to develop the necessary skills required to participate in responses in the event of a disaster and/or major incident.

Appointment is subject to immunisation risk category requirements (see page 1). There may be ongoing immunisation requirements that must be met.

*NB Reference to legislation, policies and procedures includes any superseding versions

Key Result Area and Responsibilities

Key Result Areas	Major Responsibilities

Education	<ul style="list-style-type: none"> > Hold a contemporary professional practice portfolio containing evidence of postgraduate qualifications and learning and practice experiences that underpin a demonstrable application of knowledge and skills commensurate with the level of autonomy, decision making authority and influence of recommendations expected of the role. > Present at conferences, undertake post graduate teaching and assessment and/or publish in refereed professional journals. > Lead the development of education resources for health professionals and patient/client groups.
Research	<ul style="list-style-type: none"> > Integrate contemporary information and research evidence with personal experience to support the decision making, innovative thinking and objective analysis that are expected at this level. e.g. Critically appraise and synthesise the outcomes of relevant research. > Initiate, conduct, implement and/or guide a major research or systems development portfolio relevant to improved service outcomes. > Contribute specific expertise to monitoring and evaluative research activities in order to improve nursing or midwifery practice and service delivery. > Develops, conducts and guides clinical research to evaluate own and organisational practice to deliver informed practice change. > Will lead by example in developing highly innovative solutions to problems based on research and inquiry.
Professional leadership	<ul style="list-style-type: none"> > Act as a consultant to the state or national health system in area of expertise, providing authoritative advice and recommendations. > Act as a consultant providing high level advice to key stakeholders on national and state protocols, and issues relating to professional and clinical practice, workforce, legislation, education and/or research. > Provides leadership and direction, acts as a role model, mentor, consultant and resource person. > May lead and participate in state-wide services. > Influences the practice of nursing and multi-disciplinary care. > Contribute and manage state-wide portfolios, projects, and programs to contribute to the development, implementation, and evaluation of relevant departmental and government policies. > Contribute to redesign of care and treatment practices.

Knowledge, Skills and Experience

ESSENTIAL MINIMUM REQUIREMENTS

Educational/Vocational

- > Registered or eligible for registration as a Nurse with the Nursing and Midwifery Board of Australia and who holds, or who is eligible to hold, a current practicing certificate with the notation of Nurse Practitioner.

Personal Abilities/Aptitudes/Skills

- > Demonstrated ability to work as an autonomous practitioner and/or as part of a multidisciplinary team.
- > Effective leadership skills including highly developed skills in communication, problem solving, conflict resolution and negotiation.
- > Demonstrated ability in the facilitation of change management.
- > Demonstrated flexibility, innovation and creativity which can be applied to the Health setting.
- > Demonstrated ability to participate/initiate and or facilitate high quality research.

Experience

- > Registered Nurse/Midwife with at least 3 years post registration experience.
- > Demonstrated advanced level of nursing practice in the care and management of neonates.
- > Experience in developing policies, procedures, clinical standards and models of care in the relevant area of clinical practice.
- > Experience in the supervision of student nurses, enrolled nurses and less experienced registered nurses/midwives.

Knowledge

- > Knowledge and understanding of the Neonatal Nurse Practitioner's role.
- > Knowledge and understanding of relevant legislation, industrial agreements, standards, codes, ethics and competency standards.
- > Knowledge of Quality Improvement Systems as applied to a healthcare setting.
- > Knowledge of contemporary nursing/midwifery and health care issues.
- > Expert knowledge of neonatal intensive care nursing.

DESIRABLE CHARACTERISTICS

Educational/Vocational Qualifications

- > Tertiary qualifications in nursing or human services related discipline.
- > Holds a Masters level award (Nurse Practitioner) or equivalent.
- > Holds a Neonatal Intensive Care Certificate.
- > Member of the relevant Professional Nursing College.

Personal Abilities/Aptitudes/Skills

- > Ability to work within a team framework that fosters an environment that develops staff potential.
- > Skills in using computers and software relevant to the area of practice.

Experience

- > Experience with quality improvement activities.
- > Experience in evaluating the results of nursing research and integrating, where relevant, the results into nursing practice.

Knowledge

- > Knowledge of the South Australian Public Health System.

Organisational Context

SA Health

SA Health is committed to protecting and improving the health of all South Australians by providing leadership in health reform, public health services, health and medical research, policy development and planning, with an increased focus on wellbeing, illness prevention, early intervention and quality care.

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health, the Minister for Health & Wellbeing. The State Government has reformed the governance of SA Health, including establishing 10 Local Health Networks (LHNs), each with its own Governing Board.

These reforms have taken a staged approach, with the most significant changes to taking place from 1 July 2019 when the new Governing Boards become fully operational.

SA Health is comprised of the Department for Health and Wellbeing and the following legal entities:

- > Central Adelaide Local Health Network
- > **Northern Adelaide Local Health Network**
- > Southern Adelaide Local Health Network
- > Women's and Children's Health Network
- > Barossa Hills Fleurieu Local Health Network
- > Eyre and Far North Local Health Network
- > Flinders and Upper North Local Health Network
- > Riverland Mallee Coorong Local Health Network
- > South East Local Health Network
- > Yorke and Northern Local Health Network
- > SA Ambulance Service

Northern Adelaide Local Health Network

The Northern Adelaide Local Health Network (NALHN) provides care to more than 400,000 people living in the northern metropolitan area of Adelaide as well as providing a number of state-wide services, and services to those in regional areas. NALHN works to ensure quality and timely delivery of health care, whilst building a highly skilled, engaged and resilient workforce based on a culture of collaboration, respect, integrity and accountability.

NALHN offers a range of primary health care services across the northern metropolitan area of Adelaide, with a focus on providing preventive and health promoting programs in the community, and transition and hospital substitution and avoidance programs targeted at chronic disease and frail aged.

Clinical leadership of care systems is central to the current national and state wide health reforms. NALHN care delivery is configured within clinical divisions that are patient-focused, clinically led groupings of services. Clinical Divisions are responsible for managing service delivery activities across NALHN campuses and units, bringing together empowered experts to directly make relevant decisions.

NALHN includes:

- > Lyell McEwin Hospital (LMH) - a 336-bed specialist referral public teaching hospital which has links to the University of Adelaide, University of South Australia and Flinders University. LMH provides a full range of high-quality medical, surgical, diagnostic, emergency and support services.
- > Modbury Hospital is a 174-bed, acute care teaching hospital that provides inpatient, outpatient, emergency services, Aged Care, Rehabilitation and Palliative Care. GP Plus Health Care Centres and Super Clinics
- > Aboriginal Health Services
- > Mental Health Services (including two statewide services – Forensics and Older Persons)
- > Sub-acute Services

The total operating budget for 19/20 for NALHN is \$790M with a workforce of 3,857 FTE / 5,240 head count.

NALHN Governing Board

The Governing Board members bring to NALHN a wealth of knowledge and experience across many areas.

NALHN is confident that with the support of our highly qualified Governing Board, NALHN will be well placed to achieve better health service decisions tailored to local needs and deliver a safe, high quality and financially sustainable LHN into the future.

Values

SA Health Values

The values of SA Health are used to indicate the type of conduct required by our employees and the conduct that our customers can expect from our health service:

- > We are committed to the values of integrity, respect and accountability.
- > We value care, excellence, innovation, creativity, leadership and equity in health care provision and health outcomes.
- > We demonstrate our values in our interactions with others in SA Health, the community, and those for whom we care.

Code of Ethics

The *Code of Ethics for the South Australian Public Sector* provides an ethical framework for the public sector and applies to all public service employees:

- > Democratic Values - Helping the government, under the law to serve the people of South Australia.
- > Service, Respect and Courtesy - Serving the people of South Australia.
- > Honesty and Integrity- Acting at all times in such a way as to uphold the public trust.
- > Accountability- Holding ourselves accountable for everything we do.
- > Professional Conduct Standards- Exhibiting the highest standards of professional conduct.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.

As a public sector employee, you have a responsibility to maintain ethical behaviour and professional integrity standards. It is expected that you act in accordance with the Code of Ethics, and contribute to a culture of integrity within SA Health.
