Department's Role

The **Department of Primary Industries, Parks, Water and Environment (DPIPWE)** is responsible for the sustainable management and protection of Tasmania's natural and cultural assets for the benefit of Tasmanian communities and the economy. The Department's activities guide and support the use and management of Tasmania's land and water resources and protect its natural and cultural environment. The Department is also responsible for delivering the services that support primary industry development and the protection of the State's relative disease and pest-free status.

Under Tasmania's emergency management arrangements DPIPWE is the management authority (lead agency) for various aspects of the management of biosecurity emergencies (includes exotic animal, plant and marine disease and pest emergencies), environmental emergencies (includes marine pollution spills), fire in national parks and other reserves, floods from dam failure and sea inundation from storm surge. In regard to those types of emergency prevention, preparedness and response activities are core business of this agency and potentially may involve all staff in some way.

The Department's website at www.dpipwe.tas.gov.au provides more information.

The **Parks & Wildlife Service Division** acts as both Tasmania's biggest land manager and one of the most significant tourism operators, contributing significant to the state's brand and capacity to deliver experiences. The PWS is responsible for managing Tasmania's parks and reserves and for protecting the State's unique natural heritage while at the same time providing for the sustainable use and economic opportunities for the Tasmanian community.

The role of the **Operations Branch** is to manage Tasmania's parks and reserves, providing high level strategic and policy advice to ensure the natural and cultural values of the parks and reserves system are strategically managed and enhanced in line with government policy and legislative requirements.

The Operations Branch includes the following sections:

- **Three Regional Areas - Northern, North-Western and Southern**
Each region is responsible for the planning and direction of operational activities and programs for that particular area, ensuring quality service delivery, effective risk management and the most efficient use of available resources and budgetary provisions.
- **Property Services** represents the Crown as an owner of property through pro-active Crown property development, facilitating public and private sector use of Crown and reserve land property and providing an authoritative and specialist source of advice direct to Government and the private sector. The Unit undertakes a significant number of Crown property transactions including sales, leases, tenancies, exchanges.

Working Environment

Employees work within an environment that supports safe work practices, diversity and equity with employment opportunities and ongoing learning and development. We are committed to valuing and respecting each other as colleagues and peers. We value the diverse backgrounds, skills and contributions of all employees and treat each other and our customers with respect. We do not tolerate discrimination, harassment or bullying in the workplace.

DPIPWE has a culture of zero tolerance towards violence, including any form of family violence. We will take an active role to support employees and their families by providing a workplace environment that promotes their safety and provides the flexibility to support employees to live free from violence.

There is a strong emphasis on building leadership capacity throughout DPIPWE.

The expected behaviours and performance of the Department's employees and managers are enshrined in the *State Service Act 2000* through the State Service Principles and Code of Conduct. These can be located at www.dpac.tas.gov.au/divisions/ssmo.

Special Employment Conditions

Medical examination

Often work is outdoors and sometimes in remote locations which may involve periods of rough camping. Participation in fire management activities is a requirement of the role.

To meet remote working and fire management responsibilities, in line with agency standard policies and procedures, the Field Officer will be required to complete an approved medical disclosure and contact information form and participate in an annual medical examination and fire fighter fitness assessment.

Availability and Recall

The Field Officer will be subject to fire duties availability, which imposes some restrictions on movement on days off and the taking of recreation leave during the fire season.

Fire suppression operations may involve work outside normal working hours for which payment will be made in accordance with the Tasmanian State Service Award. The Field Officer must return to work for fire duties if requested when off duty.

The duties will require the Field Officer to:

- work weekends and public holidays in accordance with a roster work pattern of 10 days on and 4 days off for part of the year; working 8 hours, which enables you to have an accrued day off every month.
- work overtime, which includes after hours work and responding to afterhours disturbances;
- be rostered or directed to be available to return to work at short notice to deal with unforeseen circumstances or emergencies (e.g. wildfire);
- obtain and maintain a First Aid Certificate and perform first aid duties.
