Guide to submitting an application

Thank you for considering applying for a position within SA Health. Recruitment and Selection processes across SA Health are based on best practice and a commitment to a selection based on merit. This means treating all applications in a fair and equitable manner that aims to choose the best person for the position.

A well presented, easy to read application will allow the panel to assess the information they need from your application. To give yourself the best opportunity to reach interview, the application should clearly and concisely demonstrate to the selection panel that you are suitably equipped to perform the role, and that you possess all of the stated minimum essential skills, abilities, knowledge, experience and educational qualifications (where required).

The online application form to apply for this position will ask for employment history, education, qualifications and referees however to understand the position and requirements we suggest you become familiar with the attached Job and Person Specification.

We request that you attach the following to your application -

- ✍ **A covering letter** of up to 2 pages introducing yourself to the selection panel and describing your skills, abilities, knowledge, qualifications and experience in relation to the position;
- ✍ **A current Curriculum vitae/Resume** that includes your personal details, relevant employment history, education, training courses, qualifications and professional memberships.

* Refer to <http://www.sahealthcareers.com.au/information/> for further information regarding

- The Indicative Total Remuneration which is inclusive of Award salary, superannuation and other monetary benefits.
- Information for Applicants
- Criminal History Assessment requirements

ROLE CONTEXT

Primary Objective(s) of role:

Employees classified at this level provide nursing services in health service settings. Employees working within this level develop from novice practitioners to a proficient level of professional practice. They consolidate knowledge and skills and develop in capability through continuous professional development and experience. An employee at this level accepts accountability for his or her own standards of nursing/midwifery care and for activities delegated to others.

Direct Reports:

> Nil

Key Relationships/ Interactions:

Internal

- > Provides supervision of students, Assistants in Nursing, and Enrolled Nurses.
- > Maintains cooperative and productive working relationships within all members of the health care team.

External

- > Maintains relationships with non-government organisations or other government organisations to meet the needs of the client group.

Challenges associated with Role:

Major challenges currently associated with the role include:

- > Providing evidenced based care, developing clinical skills while keeping up to date with professional standards of practice and quality management initiatives consistent with organisational policies
- > Working with children, youth, women and their families where there are multiple complexities and diverse cultural backgrounds.
- > Recognising and responding to clinical deterioration or other incidents and escalating appropriately
- > Dealing with challenging behaviours

Delegations:

- > Nil

Resilience:

SA Health employees persevere to achieve goals, stay calm under pressure and are open to feedback.

Performance Development

The incumbent will be required to participate in the organisation's Performance Review & Development Program which will include a regular review of the incumbent's performance against the responsibilities and key result areas associated with their position and a requirement to demonstrate appropriate behaviours which reflect a commitment to SA Health values and strategic directions.

General Requirements:

Managers and staff are required to work in accordance with the Code of Ethics for South Australian Public Sector, Policies and Procedures and legislative requirements including but not limited to:

- > *Work Health and Safety Act 2012 (SA)* and when relevant WHS Defined Officers must meet due diligence requirements.
- > *Return to Work Act 2014 (SA)*, facilitating the recovery, maintenance or early return to work of employees with work related injury / illness.
- > Equal Employment Opportunities (including prevention of bullying, harassment and intimidation).
- > *Children's Protection Act 1993 (Cth)* – 'Notification of Abuse or Neglect'.
- > Disability Discrimination.
- > *Independent Commissioner Against Corruption Act 2012 (SA)*
- > *SA Information Privacy Principles*
- > Relevant Awards, Enterprise Agreements, *Public Sector Act 2009 (SA)*, *Health Care Act 2008 (SA)*, and the SA Health (Health Care Act) Human Resources Manual.
- > Relevant Australian Standards.
- > Duty to maintain confidentiality.
- > Smoke Free Workplace.
- > To value and respect the needs and contributions of SA Health Aboriginal staff and clients, and commit to the development of Aboriginal cultural competence across all SA Health practice and service delivery.
- > Applying the principles of the South Australian Government's Risk Management Policy to work as appropriate.
- > *Health Practitioner Regulation National Law (South Australia) Act 2010*
- > *Mental Health Act 2009 (SA)* and Regulations
- > *Controlled Substances Act 1984 (SA)* and Regulations

- > The Nursing and Midwifery Board of Australia Registration Standards (including the Guidelines and Assessment Frameworks for Registration Standards)
- > The Nursing and Midwifery Board of Australia Professional Practice Codes and Guidelines (including Competency Standards, Codes of Ethics and Professional Conduct, Decision Making Framework and Professional Boundaries)
- > Professional Practice Standards and competencies consistent with area of practice as varied from time to time
- > Relevant policies, procedures and standards of SA Health and the Northern Adelaide Local Health Network.

Handling of Official Information:

- > By virtue of their duties, SA Health employees frequently access, otherwise deal with, and/or are aware of, information that needs to be treated as confidential.
- > SA Health employees will not access or attempt to access official information, including confidential patient information other than in connection with the performance by them of their duties and/or as authorised.
- > SA Health employees will not misuse information gained in their official capacity.
- > SA Health employees will maintain the integrity and security of official or confidential information for which they are responsible. Employees will also ensure that the privacy of individuals is maintained and will only release or disclose information in accordance with relevant legislation, industrial instruments, policy, or lawful and reasonable direction.

White Ribbon:

SA Health has a position of zero tolerance towards men's violence against women in the workplace and the broader community. In accordance with this, the incumbent must at all times act in a manner that is non-threatening, courteous, and respectful and will comply with any instructions, policies, procedures or guidelines issued by SA Health regarding acceptable workplace behaviour.

Cultural Commitment:

NALHN welcomes and respects Aboriginal and Torres Strait Islander people and values the expertise, cultural knowledge and life experiences they bring to the workplace. In acknowledgement of this, NALHN is committed to increasing the Aboriginal and Torres Strait Islander Workforce

Special Conditions:

- > Meet immunisation requirements as outlined by the *Immunisation Guidelines for Health Care Workers in South Australia 2014*.
- > It is mandatory that no person, whether or not currently working in SA Health, will be eligible for appointment to a position in SA Health unless they have obtained a satisfactory Criminal and Relevant History Screening Assessment.
- > *Prescribed Positions* under the *Children's Protection Act (1993)* must obtain a satisfactory criminal and relevant history screening for child related work through the Screening Unit, Department for Communities and Social Inclusion.
- > Criminal Screening and Relevant History screenings must be renewed every 3 years thereafter from date of issue for 'Prescribed Positions' under the *Children's Protection Act 1993 (Cth)* or 'Approved Aged Care Provider Positions' as defined under the *Accountability Principles 2014* made in pursuant to the *Aged Care Act 2007 (Cth)*.
- > Depending on work requirements the incumbent may be transferred to other locations across SA Health to perform work appropriate to classification, skills and capabilities either on a permanent or temporary basis subject to relevant provisions of the *Public Sector Act 2009* for Public Sector employees or the *SA Health (Health Care Act) Human Resources Manual* for Health Care Act employees.

- > The incumbent may be required to participate in Counter Disaster activities including attendance, as required, at training programs and exercises to develop the necessary skills required to participate in responses in the event of a disaster and/or major incident.

Key Result Area and Responsibilities

| Key Result Areas | Major Responsibilities |
|-------------------------------------|---|
| Direct/indirect patient/client care | <ul style="list-style-type: none"> > Assess individual patient/client needs, plan, implement and/or coordinate appropriate service delivery from a range of accepted options including other disciplines or agencies. > Provide direct person centred nursing/midwifery care and/or individual case management to patients/clients on a shift by shift basis in a defined clinical area with increasing autonomy over time. > Plan and coordinate services with other disciplines or agencies in providing individual health care needs |
| Support of health setting services | <ul style="list-style-type: none"> > Participate in quality improvement activities that contribute to patient/client safety, risk minimisation and safe work activities within the practice setting. > Provide ward/team leader/coordination as required on a shift by shift basis. (A team leader is a RN assigned responsibility for supporting staff and coordinating patient/client care). > Contribute to procedures for effectively dealing with people exhibiting challenging behaviours. |
| Education | <ul style="list-style-type: none"> > Provide health promotion and education, to patients/clients or groups and carers to improve the health outcomes of individual. > Support nursing/midwifery practice and learning experiences for students undertaking clinical placements, orientation for new staff and preceptorship of graduates. |
| Research | <ul style="list-style-type: none"> > Participate in evaluative research activities within the practice setting. > Use foundation theoretical knowledge and evidenced based guidelines to achieve positive patient/client care outcomes. |
| Professional leadership | <ul style="list-style-type: none"> > Provide, with increasing capacity over time, support and guidance to newer or less experienced staff, Enrolled Nurses, student nurses and other workers providing basic nursing care. > Review decisions, assessments and recommendations from less experienced Registered Nurses and Enrolled Nurses and students. |

Knowledge, Skills and Experience

- > Ability to use technology and computer skills.

Experience

- > Experience in quality improvement activities eg the development and/or implementation of clinical standards, practice guidelines, protocols/audits and quality indicators.

Knowledge

- > Knowledge of contemporary professional nursing issues
- > Knowledge of the South Australian Public Health System.

Organisational Context

Organisational Overview:

Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians

Our Legal Entities:

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Ageing and the Minister for Mental Health and Substance Abuse.

The legal entities include but are not limited to Department for Health and Ageing, Central Adelaide Local Health Network, Northern Adelaide Local Health Network, Southern Adelaide Local Health Network, Women's and Children's Health Network, Country Health SA Local Health Network and SA Ambulance Service.

SA Health Challenges:

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Care Plan has been developed to meet these challenges and ensure South Australian's have access to the best available health care in hospitals, health care centres and through GPs and other providers.

Health Network/ Division/ Department:

The implementation of the National Health Reform in 2011 saw the establishment of five Local Health Networks across SA intended to promote, maintain and restore the health of the communities they serve.

The Northern Adelaide Local Health Network (LHN) provides care for around 341,000 people living in the northern metropolitan area of Adelaide as well as providing a number of state-wide services, and services to those in regional areas. More than 3,800 skilled staff provide high quality patient care, education, research and health promoting services.

The Northern Adelaide Local Health Network (NALHN) provides a range of acute and sub acute health services for people of all ages and covers 16 Statistical Local Areas and four Local Government Areas (one of which crosses the Central Adelaide Local Health Network) and includes the following:

- Lyell McEwin Hospital
- Modbury Hospital
- Sub-Acute
- GP Plus Health Care Centres and Super Clinics
- Aboriginal Health Care Services
- Mental Health Services (including two statewide services – Forensics and Older Persons)

NALHN offers a range of primary health care services across the northern metropolitan area of Adelaide, with a focus on providing preventive and health promoting programs in the community, and transition and hospital substitution and avoidance programs targeted at chronic disease and frail aged.

Clinical leadership of care systems is central to the current national and state wide health reforms. NALHN care delivery is configured within clinical divisions that are patient-focused, clinically led groupings of services. Clinical Divisions are responsible for managing service delivery activities across NALHN campuses and units, bringing together empowered experts to directly make relevant decisions.

Values

SA Health Values

The values of SA Health are used to indicate the type of conduct required by our employees and the conduct that our customers can expect from our health service:

- > We are committed to the values of integrity, respect and accountability.
- > We value care, excellence, innovation, creativity, leadership and equity in health care provision and health outcomes.
- > We demonstrate our values in our interactions with others in SA Health, the community, and those for whom we care.

Code of Ethics

The *Code of Ethics for the South Australian Public Sector* provides an ethical framework for the public sector and applies to all public service employees:

- > Democratic Values - Helping the government, under the law to serve the people of South Australia.
- > Service, Respect and Courtesy - Serving the people of South Australia.
- > Honesty and Integrity- Acting at all times in such a way as to uphold the public trust.
- > Accountability- Holding ourselves accountable for everything we do.
- > Professional Conduct Standards- Exhibiting the highest standards of professional conduct.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.

ROLE DESCRIPTION

| | |
|---|---|
| Role Title: | Clinical Nurse |
| Classification Code: | Registered Nurse/Midwife Level 2 – RN/M2 |
| LHN/ HN/ SAAS/ DHA: | Northern Adelaide Local Health Network |
| Hospital/ Service/ Cluster | |
| Division: | |
| Department/Section / Unit/ Ward: | |
| Role reports to: | Nurse Unit Manager (NUM) |
| Role Created/ Reviewed Date: | November 2018 |
| Criminal History Clearance Requirements: | <input type="checkbox"/> Aged (NPC) <input checked="" type="checkbox"/> Child- Prescribed (DCSI) <input checked="" type="checkbox"/> Vulnerable (NPC) <input type="checkbox"/> General Probity (NPC) |

ROLE CONTEXT

Primary Objective(s) of role:

Provide nursing and/or midwifery services in a variety of health service settings which has been consolidated by experience and/or further study with staff at this level developing from competent to proficient practitioners.

Accepts accountability for their own practice standards, activities delegated to others and the guidance and development of less experienced staff.

The Clinical Nurse role at this level continues to be predominantly clinical in nature; however employees are assigned appropriate portfolios. The allocation of portfolio responsibilities should be negotiated with each employee and be consistent with the career development plan for the employee as determined by their performance review/development plan.

Direct Reports:

> Nil

Key Relationships/ Interactions:

Internal

The Clinical Nurse:

- > Maintains a close working relationship with the Associate and Nurse/Midwife Unit Manager.
- > Maintains cooperative and productive working relationships within all members of the health care team
- > Supports and works collaboratively with less experienced members of the nursing team

External

- > Maintains relationships with non-government organisations or other government organisations to meet the needs of the client group.

Challenges associated with Role:

Major challenges currently associated with the role include:

- > Keeping up to date with, implementing and monitoring evidence based practice and quality management initiatives consistent with organisational policies
- > Dealing appropriately and relevantly with patients and their families where there are multiple complexities, diverse cultural backgrounds and expectations of clients
- > Accepting responsibility for the maintenance of own knowledge and professional competence and contemporary practices.
- >

Resilience:

SA Health employees persevere to achieve goals, stay calm under pressure and are open to feedback.

Performance Development

The incumbent will be required to participate in the organisation's Performance Review & Development Program which will include a regular review of the incumbent's performance against the responsibilities and key result areas associated with their position and a requirement to demonstrate appropriate behaviours which reflect a commitment to SA Health values and strategic directions.

General Requirements:

*NB References to legislation, policies and procedures includes any superseding versions

Managers and staff are required to work in accordance with the Code of Ethics for South Australian Public Sector, Policies and Procedures and legislative requirements including but not limited to:

- > *Work Health and Safety Act 2012* (SA) and when relevant WHS Defined Officers must meet due diligence requirements.
- > *Return to Work Act 2014* (SA), facilitating the recovery, maintenance or early return to work of employees with work related injury / illness.
- > Equal Employment Opportunities (including prevention of bullying, harassment and intimidation).
