
About Us

Anglicare Victoria works with children, young people, individuals, and families. We prevent harm and empower people to overcome challenges and achieve their full potential.

We believe in families and know that with access to the right support every family can grow and achieve their goals.

We work with families towards positive change. Whether it be a helping hand in a time of crisis or providing longer-term support and care. We partner with local communities, the private and public sectors, and our donors to deliver better results.

Supporting tens of thousands of Victorians every year, our 2000+ staff and volunteers operate from more than 90 sites across the state, as well as delivering assistance online, at home and in the community. We are Victoria's largest provider of Out of Home Care and Family Services, and one of Australia's most innovative agencies in working with vulnerable children youth and families.

Family Preservation & Reunification (FPR) Response

Anglicare Victoria (AV) offers flexible and tailored support services as part of the Family Preservation & Reunification (FPR) Response, a Department of Families, Fairness & Housing (DFFH) state-wide initiative. FPR supports children and their families in creating a positive and safe environment within the family home, focusing on families remaining together and where children in care can return to reside with their family. The services within the FPR use various approaches including early intervention and assistance strategies, targeted and specialist support and continuing care pathways. AV provides FPR through short-term intensive support services and long-term transitional support services, based on the needs of the children and their families.
