## Guide to submitting an application

Thank you for considering applying for a position within SA Health. Recruitment and Selection processes across SA Health are based on best practice and a commitment to a selection based on merit. This means treating all applications in a fair and equitable manner that aims to choose the best person for the position.

A well presented, easy to read application will allow the panel to assess the information they need from your application. To give yourself the best opportunity to reach interview, the application should clearly and concisely demonstrate to the selection panel that you are suitably equipped to perform the role, and that you possess all of the stated minimum essential skills, abilities, knowledge, experience and educational qualifications (where required).

The online application form to apply for this position will ask for employment history, education, qualifications and referees however to understand the position and requirements we suggest you become familiar with the attached Job and Person Specification.

We request that you attach the following to your application -

- ✎ **A covering letter** of up to 2 pages introducing yourself to the selection panel and describing your skills, abilities, knowledge, qualifications and experience in relation to the position;
- ✎ **A current Curriculum vitae/Resume** that includes your personal details, relevant employment history, education, training courses, qualifications and professional memberships.

\* Refer to <http://www.sahealthcareers.com.au/information/> for further information regarding

- The Indicative Total Remuneration which is inclusive of Award salary, superannuation and other monetary benefits.
- Information for Applicants
- Criminal History Assessment requirements

## ROLE CONTEXT

### Primary Objective(s) of role:

Employees classified at this level use their clinical knowledge and experience to provide the pivotal co-ordination of patient/client care delivery in a patient/client care area within a Health Unit/Community Service. The main focus of this role is the line management, coordination and leadership of nursing/midwifery and/or multi-disciplinary team activities to achieve continuity and quality of patient/client care and outcomes.

Employees in this role accept accountability for the outcomes of nursing/midwifery practices and/or multidisciplinary outcomes in the specific practice setting; for addressing inconsistencies between practice and policy; and for developing team performance and a positive work culture in the interest of patient/client outcomes.

### Direct Reports:

Direct reports to this position include

- > RN/Ms Level 1 & 2
- > Enrolled Nurses
- > Assistants in Nursing
- > Direct Care Workers

### Key Relationships/ Interactions:

#### Internal

- > Maintains close collaborative working relationships with all level 3 Nurses/ Midwives.
- > Provides direct line report and maintains a close working relationship with the Associate Nurse/Midwife Unit Manager (Level 2) and the Clinical Nurse/Midwife (Level 2).
- > Provides direct line report and maintains cooperative and productive working relationships within all members of the health care team.
- > Provides direct line report and maintains develops, supports and works collaboratively with less

- > experienced members of the nursing/midwifery team.
- > Collaborative working relationships with the multidisciplinary team and people and culture consultants.

#### External

- > Maintains relationships with non-government organisations or other government organisations.

### **Challenges associated with Role:**

Major challenges currently associated with the role include:

- > Managing a team and addressing inconsistencies in between practice and policies/procedures
- > Monitor and manage unit resources and promote a culture of due diligence
- > Keeping up-to-date with professional standards of practice, implementing and monitoring evidence based care and quality and safety initiatives
- > Dealing appropriately with patients, residents families and community where there can be multiple complexities, diverse cultural backgrounds and consumer expectations.

### **Delegations:**

- > Level 6 BHFLHN Human Resource Delegations and Authorisations

### **Resilience:**

SA Health employees persevere to achieve goals, stay calm under pressure and are open to feedback.

### **Performance Development**

The incumbent will be required to participate in the organisation's Performance Review & Development Program which will include a regular review of the incumbent's performance against the responsibilities and key result areas associated with their position and a requirement to demonstrate appropriate behaviours which reflect a commitment to SA Health values and strategic directions.

### **General Requirements:**

\*NB Reference to legislation, policies and procedures includes any superseding versions

Managers and staff are required to work in accordance with the Code of Ethics for South Australian Public Sector, Policies and Procedures and legislative requirements including but not limited to:

- > *Work Health and Safety Act 2012* (SA) and when relevant WHS Defined Officers must meet due diligence requirements.
- > *Return to Work Act 2014* (SA), facilitating the recovery, maintenance or early return to work of employees with work related injury / illness.
- > Equal Employment Opportunities (including prevention of bullying, harassment and intimidation).
- > *Children's Protection Act 1993* (Cth) – 'Notification of Abuse or Neglect'.
- > Disability Discrimination.
- > *Independent Commissioner Against Corruption Act 2012* (SA)
- > *SA Information Privacy Principles*
- > Relevant Awards, Enterprise Agreements, *Public Sector Act 2009* (SA), *Health Care Act 2008* (SA), and the SA Health (Health Care Act) Human Resources Manual.
- > Relevant Australian Standards.
- > Duty to maintain confidentiality.
- > Smoke Free Workplace.
- > To value and respect the needs and contributions of SA Health Aboriginal staff and clients, and commit to the development of Aboriginal cultural competence across all SA Health practice and service delivery.
- > Applying the principles of the South Australian Government's Risk Management Policy to work as appropriate.
- > *Health Practitioner Regulation National Law (South Australia) Act 2010*
- > *Mental Health Act 2009* (SA) and Regulations
- > *Controlled Substances Act 1984* (SA) and Regulations
- > The Nursing and Midwifery Board of Australia Registration Standards (including the Guidelines and Assessment Frameworks for Registration Standards)
- > The Nursing and Midwifery Board of Australia Professional Practice Codes and Guidelines (including Competency Standards, Codes of Ethics and Professional Conduct, Decision Making Framework and Professional Boundaries)
- > Professional Practice Standards and competencies consistent with area of practice as varied from time to time
- > SA Health / BHFLHN policies, procedures and standards.

#### **Handling of Official Information:**

By virtue of their duties, SA Health employees frequently access, otherwise deal with, and/or are aware of, information that needs to be treated as confidential.

SA Health employees will not access or attempt to access official information, including confidential patient information other than in connection with the performance by them of their duties and/or as authorised.

SA Health employees will not misuse information gained in their official capacity.

SA Health employees will maintain the integrity and security of official or confidential information for which they are responsible. Employees will also ensure that the privacy of individuals is maintained and will only release or disclose information in accordance with relevant legislation, industrial instruments, policy, or lawful and reasonable direction.

#### **White Ribbon:**

SA Health has a position of zero tolerance towards men's violence against women in the workplace and the broader community. In accordance with this, the incumbent must at all times act in a manner that is non-threatening, courteous, and respectful and will comply with any instructions, policies, procedures or guidelines issued by SA Health regarding acceptable workplace behaviour.

**Cultural Statement:**

BHFLHN welcomes Aboriginal and Torres Strait Islander people and values the expertise, cultural knowledge and life experiences they bring to the workplace. BHFLHN is a culturally inclusive work environment that is respectful of Aboriginal and Torres Strait Islander culture.

**Special Conditions:**

\*NB Reference to legislation, policies and procedures includes any superseding versions

- > It is mandatory that no person, whether or not currently working in SA Health, will be eligible for appointment to a position in SA Health unless they have obtained a satisfactory Background Screening and National Criminal History Clearance.
- > Prescribed Positions under the Children's Protection Act (1993) must obtain a satisfactory Background Screening and National Criminal History Clearance through the Screening and Licensing Unit, Department of Human Services (DHS).
- > Approved Aged Care Provider Positions as defined under the Accountability Principles 1998 made in pursuant to the Aged Care Act 2007 (Cth) must obtain a satisfactory National Police Certificate (NPC) through the South Australian Police confirming the clearance is for the purpose of employment involving unsupervised contact with vulnerable groups.
- > National Police Certificates and Disability Services Employment Screening must be renewed every 3 years thereafter from date of issue.
- > Working With Children Checks must be renewed every 5 years thereafter from date of issue.
- > Depending on work requirements the incumbent may be transferred to other locations across SA Health to perform work appropriate to classification, skills and capabilities either on a permanent or temporary basis subject to relevant provisions of the *Public Sector Act 2009* for Public Sector employees or the *SA Health (Health Care Act) Human Resources Manual* for Health Care Act employees.
- > The incumbent may be required to participate in Counter Disaster activities including attendance, as required, at training programs and exercises to develop the necessary skills required to participate in responses in the event of a disaster and/or major incident.
- > Appointment is subject to immunisation risk category requirements (see page 1). There may be ongoing immunisation requirements that must be met.

## Organisational Context

### Organisational Overview:

Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians

### Our Legal Entities:

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Ageing and the Minister for Mental Health and Substance Abuse.

The legal entities include but are not limited to Department for Health and Ageing, Central Adelaide Local Health Network, Northern Adelaide Local Health Network, Southern Adelaide Local Health Network, Women's and Children's Health Network, Country Health SA Local Health Network and SA Ambulance Service.

### SA Health Challenges:

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Care Plan has been developed to meet these challenges and ensure South Australian's have access to the best available health care in hospitals, health care centres and through GPs and other providers.

### Health Network/ Division/ Department:

Kangaroo Island is Australia's third largest island situated 110 kilometres south-west of Adelaide, with the health service covering an area of approximately 4400 square kilometres. The island is easily accessible by ferry or plane.

Kingscote is the major commercial centre with a population of approximately 2200 people. Other townships include: American River, Baudin Beach, Brownlow KI, Emu Bay, Island Beach, Nepean Bay, Parndana, Penneshaw, Stokes Bay and Vivonne Bay.

The total population of Kangaroo Island is approx. 4,400.

Kangaroo Island is an international tourist destination (190,000 per annum) with a commitment to sustainable tourism, and preserving the environment. It is a microcosm of different landscapes and environments - stunning beaches, forests, desert dunes and farmland. More than one third of the island is covered by national and conservation parks. Kangaroo Island is a haven for kangaroos, wallabies, possums, frogs, bandicoots, koalas, platypus, sealions and long nosed fur seals.

The Kangaroo Island Health Service has been a recognised Multi-Purpose Site since 1997. The flexibility of this model has facilitated the delivery of Hospital, Aged Care, Obstetric and Community Health Services to the wider island community, incorporating the towns of Kingscote, American River, Penneshaw and Parndana.

Kangaroo Island Health Service offers the following services:

- > Residential Aged Care Services, Acute inpatient care, Level 1 Theatre Service, 24 hour, seven day per week Accident & Emergency, Pre, Peri and Post Natal Maternity Services, Outpatient Services, End of Life Care (hospital and community based), Community Home Support program (CHSP), Diversional Activities, Allied Health Services, Mental Health Services, Residential and in home respite services, Community Health and Out of Hospital Services, Chemotherapy

## Values

### SA Health Values

The values of SA Health are used to indicate the type of conduct required by our employees and the conduct that our customers can expect from our health service:

- > We are committed to the values of integrity, respect and accountability.
- > We value care, excellence, innovation, creativity, leadership and equity in health care provision and health outcomes.
- > We demonstrate our values in our interactions with others in SA Health, the community, and those for whom we care.

### Code of Ethics

The *Code of Ethics for the South Australian Public Sector* provides an ethical framework for the public sector and applies to all public service employees:

- > Democratic Values - Helping the government, under the law to serve the people of South Australia.
- > Service, Respect and Courtesy - Serving the people of South Australia.
- > Honesty and Integrity- Acting at all times in such a way as to uphold the public trust.
- > Accountability- Holding ourselves accountable for everything we do.
- > Professional Conduct Standards- Exhibiting the highest standards of professional conduct.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.
