NB: The above details in relation to Location, Position Type and Work Pattern may differ when this position is advertised – please refer to these details within the actual advert. The remainder of the content of this Statement of Duties applies to all advertised positions.

Primary Purpose:

The Midwife Unit Manager:

- Provides leadership to the Maternity Unit, North West Regional Hospital (NWRH).
- Ensures the efficient and effective provision of care, based on clinical standards and best practice principles within a collaborative and multidisciplinary framework by coordinating the clinical, management, education and nursing research functions within the Maternity Unit.
- Leads and manages the coordination of overall patient care and is responsible for managing the allocated human, material and financial resources for service delivery within the Maternity Unit NWRH.

Duties:

1. Leads and manages the coordination of patient care within the Maternity Unit in accordance with best practice principles and within a collaborative multidisciplinary framework.
2. Provides leadership in contemporary nursing practice and promotes an environment conducive to innovation and change.
3. Manages the financial, physical and human resources of the Maternity Unit to achieve agreed service outcomes within the allocated budget.
4. Monitors, manages and reports on the Maternity Unit performance and activity levels.
5. Monitors and manages staff performance and development.
6. Actively participate in and contribute to the organisation's Quality & Safety and Work Health & Safety processes, including in the development and implementation of safety systems, improvement initiatives, safeguarding practices for vulnerable people, and related training.
7. The incumbent can expect to be allocated duties, not specifically mentioned in this document, that are within the capacity, qualifications and experience normally expected from persons occupying positions at this classification level.

Key Accountabilities and Responsibilities:

The Midwife Unit Manager works autonomously at unit/ward level under the general direction of the Nursing Director - Women's and Children's Services to provide direction and leadership to the Maternity Unit and is responsible and accountable for the following:

- Ensuring the standards of patient/client care within the practice area are in accordance with relevant legislation, clinical standards and evidence based practice;
- Ensuring the provision of nursing care that meets the care requirements of each patient/client in the practice area;
- Managing physical, financial and human resources effectively, ensuring the practice area objectives are met;
- Work collaboratively to support a learning organisation encouraging and supporting staff to develop further knowledge and skills to enhance the individual and the practice area;
- Providing clear direction to staff, so that all staff have an understanding of their responsibilities and duties;

- Ensuring that quality improvement processes are in place and acted upon, resulting in constant evaluation and improvement in the standard of care to patients/clients;
- Acting as a role model for staff by actively coaching/mentoring/developing staff;
- Developing collaborative relationships with stakeholders and ensuring mechanisms are in place to support consumer advocacy;
- Actively participating in personal and professional development activities;
- Contribute to the expansion of knowledge and ideas in the relevant field by supporting and participating in research, and translating evidence into practice;
- Championing a child safe culture that upholds the National Principles for Child Safe Organisations. The Department is committed to the safety, wellbeing, and empowerment of all children and young people, and expect all employees to actively participate in and contribute to our rights-based approach to care, including meeting all mandatory reporting obligations;
- Where applicable, exercising delegations in accordance with a range of Acts, Regulations, Awards, administrative authorities and functional arrangements as mandated by Statutory office holders including the Secretary and Head of State Service. The relevant Unit Manager can provide details to the occupant of delegations applicable to this position; and
- Complying at all times with policy and protocol requirements, including those relating to mandatory education, training and assessment.

Pre-employment Conditions:

It is the Employee's responsibility to notify an Employer of any new criminal convictions during the course of their employment with the Department.

The Head of the State Service has determined that the person nominated for this job is to satisfy a pre-employment check before taking up the appointment, on promotion or transfer. The following checks are to be conducted:

1. Conviction checks in the following areas:
 - a. crimes of violence
 - b. sex related offences
 - c. serious drug offences
 - d. crimes involving dishonesty
2. Identification check
3. Disciplinary action in previous employment check.

Selection Criteria:

Specific Knowledge:

1. Demonstrated extensive clinical knowledge and experience relevant to the area.
2. Comprehensive knowledge of and experience in contemporary nursing management practice, including: clinical governance; clinical risk management; evidenced based practice; research; clinical standards; ethics; and legislation.

Skills:

1. **Leadership skills** – Individuals will demonstrate capability to promote a shared vision and purpose, and positively influence others (internally and externally) to ensure optimal client outcomes and build a culture of success, commitment and active contribution by all staff within the practice area.
2. **Decision making skills** – Individuals will demonstrate capability to make rational and sound decisions based on a consideration of the facts and alternatives available make quick decisions when required and will commit to definite courses of actions.
3. **Business focus** – Individuals will demonstrate capability to be focused on: understanding the business of the organisation; the business unit and the practice area; and delivering the best care outcomes within the available resources.

Personal Qualities:

1. **Initiative** – Individuals will demonstrate capability to be adaptable and respond and adjust easily to change. They are proactive and self-directed and will seize opportunities and act upon them, ensuring improved outcomes for the practice area.
2. **Resilience** – Individuals will demonstrate capability to persevere to achieve goals even in the face of obstacles, cope effectively with disappointments and setbacks and remain calm and in control under pressure.
3. **Builds productive networks** – Individuals will demonstrate capability to establish and maintain relationships and useful partnerships with people at all levels and disciplines across the business unit and group.

Working Environment:

The Department of Health is committed to improving the health and wellbeing of patients, clients and the Tasmanian community through a sustainable, high quality and safe health system. We value leading with purpose, being creative and innovative, acting with integrity, being accountable and being collegial.

The Department of Health is committed to improving the way we work with vulnerable people, in particular implementing strategies and actions to promote child safety and wellbeing, empower, and prevent harm to children and young people.

The Department upholds the *Australian Charter of Healthcare Rights* in our practice and is committed to the safeguarding and protection of the welfare and rights of all people, particularly those that may be at risk of abuse, neglect, or exploitation. We place emphasis on the provision of culturally safe, respectful, and inclusive care that is responsive to diverse needs.

The Department seeks to provide an environment that supports safe work practices, diversity and respect, including with employment opportunities and ongoing learning and development. We value the diverse backgrounds, skills and contributions of all employees and treat each other and members of the community with respect. We do not tolerate discrimination, harassment or bullying in the workplace. All employees must uphold the *State Service Principles* and *Code of Conduct* which are found in the *State Service Act 2000*. The Department supports the [Consumer and Community Engagement Principles | Tasmanian Department of Health](#).
