■ Position Summary

Australian Red Cross Young Parents Program (YPP) works to ensure best outcomes for children and families by improving the capacity of young parents with complex needs aged 13 to 25, to live and parent independently. YPP is designed to meet the needs of a highly vulnerable group in the community, namely pregnant and parenting young women and men who are unable to access elsewhere the safety, security and support required to parent effectively. YPP takes a strengths-based early intervention approach, building the capacity of young parents to live independently in appropriate housing, develop parenting skills to ensure the best outcomes for their children, and break the cycle of intergenerational trauma, abuse and neglect.

The Domestic and Family Violence Specialist Lead will work with YPP, staff and clients to facilitate sustainable change in families experiencing multiple and complex challenges as a result of domestic and family violence (DFV) and to minimize or prevent a family from entering or re-entering the statutory child protection system.

The role includes preparing policies and procedures, assisting with direct client support, facilitation, assessment and intake of families at YPP, management and support of the program facilitators, collaboration with both internal and external stakeholders and data collection for reporting purposes. The focus is on capacity building across the YPP team and ensuring sustainability of practice and skill development.

■ Position Responsibilities

Key Responsibilities

- Develop and update YPP policies and procedures using evidence based research in DFV to ensure best possible program and client outcomes and contribute to the implementation of the policies and procedures into program delivery.

- Establish and maintain effective networks and relationships with other service providers, local agencies, government and other non-government services to ensure that client needs are being met in an appropriate professional manner.
- Develop and deliver parent education classes and support activities for clients using evidence based research.
- Maintain effective record keeping on all clients including the maintenance of comprehensive databases, and regular and timely updating of all client files.
- To provide DFV mentoring and support to case managers and support workers with complex cases, including access to relevant legal support.
- Provide interventions focused on the best interests of the child that will achieve positive outcomes to families to strengthen the care and protection of children living at home.
- When required, conduct therapeutic intervention and engagement strategies to assist with changing behaviours for the perpetrator(s) where necessary.
- Assess referrals into the service to screen for DFV, undertake risk assessments with case managers where DFV is identified, including home visits where appropriate.
- Provide YPP team with advice on safe engagement strategies for families affected by DFV.
- Provide specialist one to one DFV assessment and counselling services to young parents, when required.
- Provide advice and support to effectively respond to complex client and program issues.
- Ensure compliance with all Red Cross policies including Ethical Framework, Workplace Health and Safety Child Protection, Privacy, Information sharing and storage .
