NB. The above details in relation to Location, Position Type and Work Pattern may differ when this position is advertised – please refer to these details within the actual advert. The remainder of the content of this Statement of Duties applies to all advertised positions.

Primary Purpose:

- As part of a multidisciplinary mental health service delivering high quality mental health care and, in accordance with Mental Health Service principles, National Mental Health Standards, Agency policy, legal requirements and relevant professional competencies.

Duties:

1. Carry out assessments, treatments and provide clinical care to individuals referred to the team in collaboration with other team members. This will include the application of a wide range of skills and interventions.
2. Act as a medical and psychiatric resource for other team members.
3. Seek appropriate clinical support and supervision from senior colleagues, the Director or Delegate.
4. Promote and maintain close links with colleagues and service providers to ensure continuity of patient care. Liaise with other community service providers, especially GP's.
5. Participate in medical student teaching and in-service training of staff.
6. Maintain a high standard of care in all respects, including agency endorsed documentation and participation in quality improvement activities. May be asked to represent the Department at meetings.
7. Provide medical and psychiatric relief in other areas of Mental Health Services as required.
8. Participate in medical on-call cover, including call-out for nights and weekends as required.
9. Contribute to service planning and promote the identification and achievement of key service goals and objectives.
10. The incumbent can expect to be allocated duties, not specifically mentioned in this document, that are within the capacity, qualifications and experience normally expected from persons occupying positions at this classification level.

Key Accountabilities and Responsibilities:

- Broad clinical direction and overall supervision from the relevant Director, with assistance from Consultant Psychiatrists and other staff as appropriate or delegated.
- Expected to exercise a high level of individual autonomy but is accountable to the relevant Director and the relevant Team Leader within the specified unit for all aspects of performance.
- Act as an approved Medical Practitioner under the Mental Health Act.
- Responsible for being aware of all policies, procedures and legislation affecting the duties of this position. This will include statements of consumer rights and responsibilities adopted by this service, and a general awareness of the provisions of legislation, which has an overarching effect on the service, including in the areas of Work, Health and Safety (WH&S), Equal Employment Opportunity and Anti-Discrimination.
- Where applicable, exercise delegations in accordance with a range of Acts, Regulations, Awards, administrative authorities and functional arrangements as mandated by Statutory office holders including the Secretary and Head of State Service. The relevant Unit Manager can provide details to the occupant of delegations applicable to this position.
- Comply at all times with policy and protocol requirements, including those relating to mandatory education, training and assessment.
- Actively participate in and contribute to the organisation's Quality & Safety and Work Health & Safety processes, including in the development and implementation of safety systems, improvement initiatives and related training.

Pre-employment Conditions:

It is the Employee's responsibility to notify an Employer of any new criminal convictions during the course of their employment with the Department.

The Head of the State Service has determined that the person nominated for this job is to satisfy a pre-employment check before taking up the appointment, on promotion or transfer. The following checks are to be conducted:

1. Conviction checks in the following areas:
 - a. crimes of violence
 - b. sex related offences
 - c. serious drug offences
 - d. crimes involving dishonesty
2. Identification check
3. Disciplinary action in previous employment check.

Selection Criteria:

1. Extensive experience and skills in general and psychiatric medicine in a range of practice settings.
2. Demonstrated high level of verbal and written communication skills, and demonstrated experience and skill in liaison, particularly with GP's.
3. Experience in the area of clinical leadership and demonstrated ability to deal effectively with interpersonal issues.
4. Demonstrated ability to convey medical and psychiatric knowledge effectively to fellow staff, service providers and patients.
5. Understanding of the National and State policy frameworks within which the duties of this position are undertaken.

Working Environment:

The Department of Health is committed to improving the health and wellbeing of patients, clients and the Tasmanian community through a sustainable, high quality and safe health system. We value leading with purpose, being creative and innovative, acting with integrity, being accountable and being collegial.

The Department seeks to provide an environment that supports safe work practices, diversity and respect, including with employment opportunities and ongoing learning and development. We value the diverse backgrounds, skills and contributions of all employees and treat each other and members of the community with respect. We do not tolerate discrimination, harassment or bullying in the workplace. All employees must uphold the *State Service Principles* and *Code of Conduct* which are found in the *State Service Act 2000*. The Department supports the [Consumer and Community Engagement Principles](#).
