Organisational Context

Organisational Overview:

Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socio economic, biological and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians

Our Legal Entities:

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Ageing and the Minister for Mental Health and Substance Abuse.

The legal entities include but are not limited to Department for Health and Ageing, Central Adelaide Local Health Network, Northern Adelaide Local Health Network, Southern Adelaide Local Health Network, Women's and Children's Health Network, Country Health SA Local Health Network and SA Ambulance Service.

SA Health Challenges:

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Care Plan has been developed to meet these challenges and ensure South Australian's have access to the best available health care in hospitals, health care centres and through GPs and other providers.

Health Network/ Division/ Department:

The Southern Adelaide Local Health Network (LHN) provides care for around 341,000 people living in the southern metropolitan area of Adelaide as well as providing a number of state-wide services, and services to those in regional areas. More than 7,000 skilled staff provides high quality patient care, education, research and health promoting services.

Southern Adelaide LHN provides a range of acute and sub-acute health services for people of all ages, and has three hospitals, Flinders Medical Centre, Noarlunga Hospital and the Repatriation General Hospital.

Southern Adelaide LHN Intermediate Care Services will deliver multi-disciplinary clinical care, addressing complexity through targeted approaches to complex chronic disease management in the community, and supported hospital discharge and avoidance programs. There is a key focus on building partnerships across the care continuum supporting interfaces between acute sites, GPs, Primary Care and Community based services.

Mental Health Services provides a range of integrated services across community and hospital settings, targeted at all age groups, in collaboration with non-Government organisations and Adelaide Primary Health Network

Values

SA Health Values

The values of SA Health are used to indicate the type of conduct required by our employees and the conduct that our customers can expect from our health service:

- > We are committed to the values of integrity, respect and accountability.
- > We value care, excellence, innovation, creativity, leadership and equity in health care provision and health outcomes.
- > We demonstrate our values in our interactions with others in SA Health, the community, and those for whom we care.

Code of Ethics

The Code of Ethics for the South Australian Public Sector provides an ethical framework for the public sector and applies to all public service employees; it sets out the South Australian Public Sector values as:

- > Service – Proudly serve the community and Government of South Australia.
- > Professionalism – Strive for excellence.
- > Trust – Have confidence in the ability of others.
- > Respect – Value every individual.
- > Collaboration & engagement – Create solutions together.
- > Honesty & integrity – Act truthfully, consistently, and fairly.
- > Courage & tenacity- Never give up.
- > Sustainability – Work to get the best results for current and future generations of South Australians.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.

Domestic and Family Violence

The Southern Adelaide Local Health Network (SALHN) recognises the devastating impact domestic or family violence can have on the lives, of those who experience abuse and are committed to supporting employees who experience domestic or family violence by providing a workplace environment that provides flexibility and supports their safety.

SALHN Vision

We believe in providing the standard of health care that we desire for our own families and friends.

SALHN core value TRUST

Building positive relationships; with our patients, employees and partners.
