

ROLE DESCRIPTION

Role Title:	Advanced Nurse Unit Manager
Classification Code:	Registered Nurse Level 4
LHN/ HN/ SAAS/ DHA:	Northern Adelaide Local Health Network
Hospital/ Service/ Cluster	
Division:	Aged Care, Rehabilitation and Palliative Care (ACRPC)
Department/Section / Unit/ Ward:	
Role reports to:	Nursing Director – Level 5
Role Created/ Reviewed Date:	June 2021
Criminal History Clearance Requirements:	<input checked="" type="checkbox"/> Aged (NPC) <input checked="" type="checkbox"/> Working With Children Check - WWCC (DHS) <input type="checkbox"/> Vulnerable (NPC) <input type="checkbox"/> General Probity (NPC)
Immunisation Risk Category	<input checked="" type="checkbox"/> Category A (direct contact with blood or body substances) <input type="checkbox"/> Category B (indirect contact with blood or body substances) <input type="checkbox"/> Category C (minimal patient contact)

ROLE CONTEXT

Primary Objective(s) of role:

Employees classified at this level use their clinical knowledge and experience to provide the pivotal co-ordination of patient/client care delivery in a patient/client care area within a Health Unit or Community Service.

The main focus of this role is the line management, coordination and leadership of the nursing and multi-disciplinary team activities, including where relevant, such local resource management as to achieve continuity and quality of patient/client care and outcomes.

Employees in this role accept accountability for the outcomes of nursing practices and multidisciplinary outcomes in the specific practice setting, for addressing inconsistencies between practice and policy; and for developing team performance within positive work cultures in the interest of patient/client outcomes.

Lead, manage, oversee and advise on nursing care and health service delivery for a defined service delivery area which is (by number of patients/clients and/or by clinical complexity and/or breadth and/or professional isolation) demonstrably beyond the usual range for that practice setting.

Employees in these roles practice within the context of the relevant Service Stream Descriptor.

Direct Reports:

- > Level 3 RNs
- Level 1 & 2 RNs
- Enrolled Nurses
- Assistants in Nursing
- Ancillary staff
- Allied Health

Key Relationships/ Interactions:

Internal

- > Maintains close collaborative working relationships with all level 3 and level 4 Nurses/Midwives.
- > Maintain a collegial relationship between Nursing, Medical and Allied Health Staff
- > Supports and works collaboratively with less experienced members of the nursing team

External

- > Maintains relationships with non-government organisations or other government organisations.

Challenges associated with Role:

Major challenges currently associated with the role include:

- > Managing a team and addressing inconsistencies in between practice and polices/procedures
- > Monitor and manage unit resources and promote a culture of due diligence
- > Keeping up to date with professional standards of practice, implementing and monitoring evidence-based care and quality and safety initiatives
- > Dealing appropriately with clients and their families where there can be multiple complexities, diverse cultural backgrounds and consumer expectations.

Delegations:

- > Financial level 5
- > Human Resource Delegation level D

Resilience:

SA Health employees persevere to achieve goals, stay calm under pressure and are open to feedback.

Performance Development

The incumbent will be required to participate in the organisation's Performance Review & Development Program which will include a regular review of the incumbent's performance against the responsibilities and key result areas associated with their position and a requirement to demonstrate appropriate behaviours which reflect a commitment to SA Health values and strategic directions.

General Requirements:

*NB References to legislation, policies and procedures includes any superseding versions

Managers and staff are required to work in accordance with the Code of Ethics for South Australian Public Sector, Policies and Procedures and legislative requirements including but not limited to:

- > *Work Health and Safety Act 2012 (SA)* maintaining your own health and safety and not place others at risk and comply with any reasonable instruction that is given to allow SA Health to comply with the WHS Act, and when relevant WHS Defined Officers must meet due diligence requirements.
- > *Return to Work Act 2014 (SA)*, facilitating the recovery, maintenance or early return to work of employees with work related injury / illness.
- > Equal Employment Opportunities (including prevention of bullying, harassment and intimidation).
- > Children and Young People (Safety) Act 2017 (SA) 'Notification of Abuse or Neglect'.
- > Disability Discrimination.
- > *Independent Commissioner Against Corruption Act 2012 (SA)*
- > *SA Information Privacy Principles*
- > Relevant Awards, Enterprise Agreements, *Public Sector Act 2009 (SA)*, *Health Care Act (SA) 2008*, and the SA Health (Health Care Act) Human Resources Manual.
- > Relevant Australian Standards.
- > Duty to maintain confidentiality.
- > Smoke Free Workplace.
- > To value and respect the needs and contributions of SA Health Aboriginal staff and clients and commit to the development of Aboriginal cultural competence across all SA Health practice and service delivery.
- > Applying the principles of the South Australian Government's Risk Management Policy to work as appropriate.
- > *Health Practitioner Regulation National Law (South Australia) Act 2010*
- > *Mental Health Act 2009 (SA)* and Regulations
- > *Controlled Substances Act 1984 (SA)* and Regulations
- > The Nursing and Midwifery Board of Australia Registration Standards (including the Guidelines and Assessment Frameworks for Registration Standards)
- > The Nursing and Midwifery Board of Australia Professional Practice Codes and Guidelines (including Competency Standards, Codes of Ethics and Professional Conduct, Decision Making Framework and Professional Boundaries)
- > Professional Practice Standards and competencies consistent with area of practice as varied from time to time.
- > Relevant policies, procedures and standards of SA Health and the Northern Adelaide Local Health Network.

Handling of Official Information:

By virtue of their duties, SA Health employees frequently access, otherwise deal with, and/or are aware of, information that needs to be treated as confidential.

SA Health employees will not access or attempt to access official information, including confidential patient information other than in connection with the performance by them of their duties and/or as authorised.

SA Health employees will not misuse information gained in their official capacity.

SA Health employees will maintain the integrity and security of official or confidential information for which they are responsible. Employees will also ensure that the privacy of individuals is maintained and will only release or disclose information in accordance with relevant legislation, industrial instruments, policy, or lawful and reasonable direction.

White Ribbon:

SA Health has a position of zero tolerance towards men's violence against women in the workplace and the broader community. In accordance with this, the incumbent must at all times act in a manner that is non-threatening, courteous, and respectful and will comply with any instructions, policies, procedures or guidelines issued by SA Health regarding acceptable workplace behaviour.

Cultural Commitment:

NALHN welcomes and respects Aboriginal and Torres Strait Islander people and values the expertise, cultural knowledge and life experiences they bring to the workplace. In acknowledgement of this, NALHN is committed to increasing the Aboriginal and Torres Strait Islander Workforce.

Special Conditions:

*NB Reference to legislation, policies and procedures includes any superseding versions

- > Meet immunisation requirements as outlined by the Immunisation for Health Care Workers in South Australia Policy Directive.
- > **Appointment is subject to immunisation risk category requirements (see page 1). There may be ongoing immunisation requirements that must be met.**
- > It is mandatory that no person, whether or not already working in SA Health, may be appointed to a position in SA Health unless they have the satisfactory Criminal and Relevant History Screening, as required by the *SA Health Criminal and Relevant History Screening Policy Directive*.
- > For 'Prescribed Positions' under the *Child Safety (Prohibited Persons) Act (2016)*, the individual's WWCC must be renewed every 5 years from the date of issue; and for "Approved Aged Care Provider Positions" every 3 years from the date of issue as required by the *Accountability Principles 2014* issued pursuant to the Aged care Act 1997 (Cth).
- > For appointment in a *Prescribed Position* under the *Child Safety (Prohibited Persons Act (2016))*, a current Working with Children Check (WWCC) is required from the Department for Human Services Screening Unit. For other positions, a satisfactory National Police Certificate (NPC) assessment is required.
- > Depending on work requirements the incumbent may be transferred to other locations across SA Health to perform work appropriate to classification, skills and capabilities either on a permanent or temporary basis subject to relevant provisions of the *Public Sector Act 2009* for Public Sector employees or the *SA Health (Health Care Act) Human Resources Manual* for Health Care Act employees.
- > The incumbent may be required to participate in Counter Disaster activities including attendance, as required, at training programs and exercises to develop the necessary skills required to participate in responses in the event of a disaster and/or major incident.
- > A valid South Australian unrestricted driver's license or equivalent.

Key Result Area and Responsibilities

Key Result Areas	Major Responsibilities
Direct/indirect patient/client care	<ul style="list-style-type: none"> > Integrate contemporary information and evidence with personal experience to support the decision making, innovative thinking and objective analysis that are expected at this level. E.g. Expert clinical knowledge underpins and informs their ability to support, lead and/or provide expert clinical care; develop and guide appropriate clinical education, and/or provide management activities that contribute to improve and optimise nursing care.
Support of health service systems	<ul style="list-style-type: none"> > Initiate, implement and co-ordinate processes, for quality improvement and continuity within corporate risk management and nursing/midwifery professional practice frameworks. e.g. investigating complaints, incidents and accidents, identifying hazards, assessing risks and implementing, monitoring and maintaining hazard control measures. > Change local processes and practices in accordance with emerging service needs, care evaluation results, identified imminent systems problems, and coordination of local activities with corporate systems. > Lead and coordinate the development and evaluation of clinical protocols, standards, policies and procedures. > Develop customised Key Performance Indicators and/or outcomes measurement models that influence organisation wide reporting processes. > Identify the need for, lead implementation of, and evaluate changes in organisational processes and practices in response to emerging service and workforce needs. > Use available information systems to inform decision making, evaluate outcomes and convey information to staff. > Initiate, develop and implement educational and/or clinical protocols/standards. > Undertake and/or oversee, within their span of control, some or all local resource management within the corporate administrative framework. Including some or all of the following within their defined ward/unit/value stream or program: recruitment, staffing, leave management; rostering, work allocation and attendance management; financial and supplies planning and monitoring. > Undertake a formal support/advisor role to Nurse Unit Managers in relation to an area of expertise in service co-ordination.

Education	<ul style="list-style-type: none"> > Hold a contemporary professional practice portfolio containing evidence of postgraduate qualifications and learning and practice experiences that underpin a demonstrable application of knowledge and skills commensurate with the level of autonomy, decision making authority and influence of recommendations expected of the role. > Present at conferences, undertake post graduate teaching and assessment and/or publish in refereed professional journals. > Develop and maintain a learning environment, taking a coaching approach to team development, individual capability development and performance development.
Research	<ul style="list-style-type: none"> > Integrate contemporary information and research evidence with personal experience to support the decision making, innovative thinking and objective analysis that are expected at this level. e.g. Critically appraise and synthesise the outcomes of relevant research. > Initiate, conduct, implement and/or guide a major research or systems development portfolio relevant to improved service outcomes. > Contribute specific expertise to monitoring and evaluative research activities in order to improve nursing or midwifery practice and service delivery.
Professional leadership	<ul style="list-style-type: none"> > Act as a consultant to the state or national health system in area of expertise, providing authoritative advice and recommendations. > Act as a consultant providing high level advice to key stakeholders on national and state protocols, and issues relating to professional and clinical practice, workforce, legislation, education and/or research. > Provides leadership and direction, acts as a role model, mentor, consultant and resource person. > May lead and participate in state-wide services. > Influences the practice of nursing and multi-disciplinary care. > Contribute and manage state-wide portfolios, projects, and programs to contribute to the development, implementation, and evaluation of relevant departmental and government policies. > Initiate and lead changes to models of care. > Participate in workgroups/programs for patient/client outcomes that extend beyond the unit/service/workplace. > Implement important and/or influential systems used beyond own area of service co-ordination.

Knowledge, Skills and Experience

ESSENTIAL MINIMUM REQUIREMENTS

Educational/Vocational Qualifications

- > Registered or eligible for registration as a Nurse with the Nursing and Midwifery Board of Australia and who holds, or who is eligible to hold, a current practicing certificate.

Personal Abilities/Aptitudes/Skills:

- > Demonstrated leadership qualities including highly developed skills in communication, problem solving, conflict resolution and negotiation skills.
- > Demonstrated ability to participate in and contribute to key decision-making processes at a senior level
- > Demonstrated ability to work with a high degree of autonomy
- > Demonstrated ability in leading and promoting consumer engagement initiatives
- > Demonstrated ability in the facilitation of change management.

Experience

- > Registered Nurse with at least 3 years post registration experience.
- > Experience in management and leadership roles
- > Demonstrated competence in the relevant area of nursing practice in accordance with the appropriate standards of practice.
- > Experience in the financial and asset management of a ward/unit
- > Experience in liaising with a range of community services, including non-government health care organisations

Knowledge

- > Knowledge and understanding of relevant legislation, industrial agreements, standards, codes, ethics and competency standards
- > Knowledge of Australian National Safety and Quality and Safety Health Service Standards
- > Knowledge of contemporary professional nursing and health care issues.

DESIRABLE CHARACTERISTICS

Educational/Vocational Qualifications

- > Tertiary qualifications relevant to practice setting.
- > Tertiary qualifications in nursing or human services related discipline.

Personal Abilities/Aptitudes/Skills

- > Skills in using computers and software relevant to the area of practice.

Experience

- > Experience in the financial, asset and human resources management of a ward/unit/service.
- > Experience in facilitating nursing or related research and applying findings to the area of practice.
- > Experience in organisational strategic planning.

Knowledge

- > Knowledge of the South Australian Public Health System.

Organisational Context

SA Health

SA Health is committed to protecting and improving the health of all South Australians by providing leadership in health reform, public health services, health and medical research, policy development and planning, with an increased focus on wellbeing, illness prevention, early intervention and quality care.

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health, the Minister for Health & Wellbeing. The State Government has reformed the governance of SA Health, including establishing 10 Local Health Networks (LHNs), each with its own Governing Board.

These reforms have taken a staged approach, with the most significant changes to taking place from 1 July 2019 when the new Governing Boards become fully operational.

SA Health is comprised of the Department for Health and Wellbeing and the following legal entities:

- > Central Adelaide Local Health Network
- > **Northern Adelaide Local Health Network**
- > Southern Adelaide Local Health Network
- > Women's and Children's Health Network
- > Barossa Hills Fleurieu Local Health Network
- > Eyre and Far North Local Health Network
- > Flinders and Upper North Local Health Network
- > Riverland Mallee Coorong Local Health Network
- > Limestone Coast Local Health Network
- > Yorke and Northern Local Health Network
- > SA Ambulance Service

Northern Adelaide Local Health Network

The Northern Adelaide Local Health Network (NALHN) provides care to more than 400,000 people living in the northern metropolitan area of Adelaide as well as providing a number of state-wide services, and services to those in regional areas. NALHN works to ensure quality and timely delivery of health care, whilst building a highly skilled, engaged and resilient workforce based on a culture of collaboration, respect, integrity and accountability.

NALHN offers a range of primary health care services across the northern metropolitan area of Adelaide, with a focus on providing preventive and health promoting programs in the community, and transition and hospital substitution and avoidance programs targeted at chronic disease and frail aged.

Clinical leadership of care systems is central to the current national and statewide health reforms. NALHN care delivery is configured within clinical divisions that are patient-focused, clinically led groupings of services. Clinical Divisions are responsible for managing service delivery activities across NALHN campuses and units, bringing together empowered experts to directly make relevant decisions.

NALHN includes:

- > Lyell McEwin Hospital (LMH) - a 336-bed specialist referral public teaching hospital which has links to the University of Adelaide, University of South Australia and Flinders University. LMH provides a full range of high-quality medical, surgical, diagnostic, emergency and support services.
- > Modbury Hospital is a 174-bed, acute care teaching hospital that provides inpatient, outpatient, emergency services, Aged Care, Rehabilitation and Palliative Care. GP Plus Health Care Centres and Super Clinics
- > Aboriginal Health Services
- > Mental Health Services (including two statewide services – Forensics and Older Persons)
- > Sub-acute Services

The total operating budget for 23/24 for NALHN is \$1.02 bn with a workforce of 4,710 FTE / 6,325 head count.

NALHN Governing Board

The Governing Board members bring to NALHN a wealth of knowledge and experience across many areas.

NALHN is confident that with the support of our highly qualified Governing Board, NALHN will be well placed to achieve better health service decisions tailored to local needs and deliver a safe, high quality and financially sustainable LHN into the future.

Values

SA Health Values

The values of SA Health are used to indicate the type of conduct required by our employees and the conduct that our customers can expect from our health service:

- > We are committed to the values of integrity, respect and accountability.
- > We value care, excellence, innovation, creativity, leadership and equity in health care provision and health outcomes.
- > We demonstrate our values in our interactions with others in SA Health, the community, and those for whom we care.

Code of Ethics

The *Code of Ethics for the South Australian Public Sector* provides an ethical framework for the public sector and applies to all public service employees:

- > Democratic Values - Helping the government, under the law to serve the people of South Australia.
- > Service, Respect and Courtesy - Serving the people of South Australia.
- > Honesty and Integrity - Acting at all times in such a way as to uphold the public trust.
- > Accountability - Holding ourselves accountable for everything we do.
- > Professional Conduct Standards - Exhibiting the highest standards of professional conduct.

As a public sector employee, you have a responsibility to maintain ethical behaviour and professional integrity standards. It is expected that you act in accordance with the Code of Ethics, and contribute to a culture of integrity within SA Health.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.
