Organisational Context

Organisational Overview:

Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians

Our Legal Entities:

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Wellbeing. The Department for Health and Wellbeing is an administrative unit under the Public Sector Act 2009.

The legal entities include but are not limited to the Central Adelaide Local Health Network Inc., Northern Adelaide Local Health Network Inc., Southern Adelaide Local Health Network Inc., Women's and Children's Health Network Inc., Barossa Hills Fleurieu Local Health Network Inc., Eyre and far North Local Health Network Inc., Flinders and Upper North Local Health Network Inc., Limestone Coast Local Health Network Inc., Riverland Mallee Coorong Local Health Network Inc., Yorke and Northern Local Health Network Inc. and SA Ambulance Service Inc.

SA Health Challenges:

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Care Plan has been developed to meet these challenges and ensure South Australian's have access to the best available health care in hospitals, health care centres and through GPs and other providers.

Central Adelaide Local Health Network:

CALHN is one of five Local Health Networks (LHNs) in South Australia established in July 2011. CALHN is responsible for the following health services:

- Royal Adelaide Hospital (RAH)
- The Queen Elizabeth Hospital (TQEH)
- Hampstead Rehabilitation Centre (HRC)
- St Margaret's Rehabilitation Hospital (SMRH)
- Glenside Health Service (GHS) Psychiatric Intensive Care Unit; Inpatient Rehabilitation Services and Acute beds only
- Adelaide Dental Hospital (ADH).

CALHN also has governance over numerous community mental health and primary health services including Prison Health Service, SA Dental Service and DonateLife SA. Of note also is governance of the Statewide Clinical Support Services (SCSS) including Imaging, Pathology and Pharmacy, responsibility of which has vacillated between CALHN and DHW over the past few years.

CALHN is one of three metropolitan LHNs and its core population is approximately 390,000 people. CALHN also provides services to patients from other SA networks, rural and remote areas, the Northern Territory, NSW (Broken Hill) and western parts of Victoria. These services usually relate to complex services such as head and neck cancer, radiation therapy, cardiac surgery, spinal surgery or rehabilitation.

CALHN's purpose is to deliver quality and sustainable healthcare. While the delivery of high quality patient care is our number one priority, we face a significant challenge in achieving financial sustainability. A quality-assured financial recovery plan has been developed to meet these challenges. Through effective leadership and change management, the plan which is applicable to all Directorates and departments, will be implemented over the next three years.

Division/ Department:

Allied Health Directorate:

The Allied Health Directorate provides management and governance for allied health services across Central Adelaide LHN. Allied health professionals are a key part of the clinical team delivering a range of clinical, diagnostic and support services in hospital, ambulatory and community health settings. Allied health is a collective term for a number of professional groups each with distinct identities, educational pathways, and professional registration or membership requirements.

The Allied Health Directorate consists of discipline based departments operating across Central Adelaide campuses, the Reform and Quality Unit as well as hosting a number of specialist functions such as the Aboriginal and Torres Strait Islander Liaison Unit, The Wellness Centre and Healthcare Chaplains.

At present allied health incorporates the following professions: Art Therapy, Audiology, Dietetics, Exercise Physiology, Music Therapy, Occupational Therapy, Orthotics & Prosthetics, Physiotherapy, Podiatry, Psychology, Social Work, Speech Pathology, allied health assistant and adjunct roles.

The Allied health Directorate also provides professional support for allied health staff and services governed by other parts of Central Adelaide and work closely with the Clinical Directorates across Central Adelaide.

The Allied Health Directorate administers approximately \$30M and employs around 600 staff.

Social Work:

Social Work services in CALHN are a professional and academic discipline within the LHN with a range of broad and diverse roles. The services are integrated across acute, subacute, mental health and community settings, forming strong and supportive team.

Social Workers in CALHN work with individuals, families, groups and communities. Work focuses on improving an individual's wellbeing and identifying and addressing issues that may impact on this or looking at larger, systemic issues that relate to disadvantaged or vulnerable groups and communities.

Social Workers work across campuses and services in CALHN and undertake roles in case management, discharge planning, counselling, advocacy, community engagement, education and research.

Values

Central Adelaide Local Health Network Values

Our shared values confirm our common mission by promoting an organisational climate where the patient's needs are put first and where the teamwork and professionalism of our workforce help us to attract and retain the best staff. These values guide our decisions and actions.

Patient Centred:	Our patients are the reason we are here and we will provide the best service to our patients and customers
Team Work:	We value each other and work as a team to provide the best care for our patients
Respect:	We respect each other, our patients and their families by recognising different backgrounds and choices, and acknowledging that they have the right to our services
Professionalism:	We recognise that staff come from varied professional and work backgrounds and that our desire to care for patients unites our professional approach to practice

Code of Ethics

The *Code of Ethics for the South Australian Public Sector* provides an ethical framework for the public sector and applies to all public service employees:

- Democratic Values - Helping the government, under the law to serve the people of South Australia.
- Service, Respect and Courtesy - Serving the people of South Australia.
- Honesty and Integrity- Acting at all times in such a way as to uphold the public trust.
- Accountability- Holding ourselves accountable for everything we do.
- Professional Conduct Standards- Exhibiting the highest standards of professional conduct.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.
