Guide to submitting an application

Thank you for considering applying for a position within SA Health. Recruitment and Selection processes across SA Health are based on best practice and a commitment to a selection based on merit. This means treating all applications in a fair and equitable manner that aims to choose the best person for the position.

A well presented, easy to read application will allow the panel to assess the information they need from your application. To give yourself the best opportunity to reach interview, the application should clearly and concisely demonstrate to the selection panel that you are suitably equipped to perform the role, and that you possess all of the stated minimum essential skills, abilities, knowledge, experience and educational qualifications (where required).

The online application form to apply for this position will ask for employment history, education, qualifications and referees however to understand the position and requirements we suggest you become familiar with the attached Job and Person Specification.

We request that you attach the following to your application -

- ✍ **A covering letter** of up to 2 pages introducing yourself to the selection panel and describing your skills, abilities, knowledge, qualifications and experience in relation to the position;
- ✍ **A current Curriculum vitae/Resume** that includes your personal details, relevant employment history, education, training courses, qualifications and professional memberships.

* Refer to <http://www.sahealthcareers.com.au/information/> for further information regarding

- The Indicative Total Remuneration which is inclusive of Award salary, superannuation and other monetary benefits.
- Information for Applicants
- Criminal History Assessment requirements

Organisational Context

Organisational Overview:

Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians

Our Legal Entities:

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Ageing and the Minister for Mental Health and Substance Abuse.

The legal entities include but are not limited to Department for Health and Ageing, Central Adelaide Local Health Network, Northern Adelaide Local Health Network, Southern Adelaide Local Health Network, Women's and Children's Health Network, Country Health SA Local Health Network and SA Ambulance Service.

SA Health Challenges:

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Care Plan has been developed to meet these challenges and ensure South Australian's have access to the best available health care in hospitals, health care centres and through GPs and other providers.

SA Ambulance Service:

SA AMBULANCE SERVICE VISION

At the forefront of care for South Australians

PURPOSE

To save lives, reduce suffering and enhance quality of life through the provision of accessible and responsive quality patient care.

Underpinning the SA Ambulance Service (SAAS) Strategic Directions are the agreed values that reflect honesty, respect and integrity for every individual. These values drive how we conduct our business and how we behave. We aim to make the values "live". It is important that we incorporate the values into our behaviour systems and processes.

Australia has one of the most culturally and ethnically diverse populations in the world. Having bi-lingual and bi-cultural employees can enhance the department's ability to negotiate with, and meet the needs of, the full range of its clients and customers. Such employees also add to the diversity of the workforce, and give added opportunities to fully capitalise on difference as a valuable asset in an increasingly competitive environment.

Values

SA Ambulance Service Values

P	Patient First	We will put our patients and the care we provide to them first in everything we do
A	Accountability and responsibility	We will be accountable and responsible for our actions and those of others
T	Transparent and open communication	We will communicate openly and transparently with each other and all our stakeholders
I	Integrity and honesty	We will at all times act with integrity and be honest
E	Empowered leadership	We will empower our leaders to deliver high quality services
N	No harm	We will continue to enhance our no harm learning culture where we learn from our mistakes
T	Team work	We will work as a team across SAAS, SA Health and with our partners
F	Flexible and responsive	We will be flexible and responsive to the needs of our patients, staff and stakeholders
I	Innovative and research driven	We will be innovative using research and best practice to drive the services we provide
R	Respect and courtesy	We will act with respect and courtesy towards our patients, each other and all those we work with
S	Safe and high quality	We will offer safe and high quality services to all our patients
T	Trust and confidence	We will act in ways that builds and maintains trust and confidence in our service and in each other

SA Health Values

The values of SA Health are used to indicate the type of conduct required by our employees and the conduct that our customers can expect from our health service:

- > We are committed to the values of integrity, respect and accountability.
- > We value care, excellence, innovation, creativity, leadership and equity in health care provision and health outcomes.
- > We demonstrate our values in our interactions with others in SA Health, the community, and those for whom we care.

Code of Ethics

The *Code of Ethics for the South Australian Public Sector* provides an ethical framework for the public sector and applies to all public service employees:

- > Democratic Values - Helping the government, under the law to serve the people of South Australia.
- > Service, Respect and Courtesy - Serving the people of South Australia.
- > Honesty and Integrity- Acting at all times in such a way as to uphold the public trust.
- > Accountability- Holding ourselves accountable for everything we do.
- > Professional Conduct Standards- Exhibiting the highest standards of professional conduct.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.
