

Position Title	Early Years Engagement Specialist
Classification	Level 5
School/Division	School of Human Sciences
Centre/Section	Exercise and Sport Science, KIDDO
Supervisor Title	Research Associate
Supervisor Position Number	309804
Position Number	322659

Your work area

Join the dynamic team at KIDDO (www.kiddo.edu.au), a program dedicated to tackling the declining levels of gross motor skills and physical activity in Australian children. Based within the School of Human Sciences at UWA, KIDDO offers a vibrant and driven environment. Expect to collaborate with passionate individuals committed to providing children with the best start in life.

Since its establishment in 2014, KIDDO has engaged with 765 Early Childhood Education and Care (ECEC) services plus thousands of primary schools with plans for further growth. Supported by Healthway, our mission is to support and empower ECEC services across Australia to use the KIDDO program through workshops, promotions, and resources, embedding KIDDO into ECEC programs nationwide into the future.

Reporting structure

Reports to: KIDDO Program Director

Your role

Working as part of a highly capable team and reporting to the KIDDO Program Director you will spearhead promotional, engagement and support initiatives for ECEC services implementing the KIDDO physical literacy program nationwide. Your responsibilities include delivering workshops and demonstration sessions in ECEC services, planning and organising events to promote the KIDDO program, administering a scholarship program and establishing an exemplar program to drive engagement.

Your key responsibilities

Collaborate closely with the Program Director to plan and coordinate engagement strategies for the ECEC sector.

Identify and support exemplary ECEC services to share their good practice within the sector.

Promote and administer a scholarship scheme for high-needs ECEC services to access KIDDO.

Organise and deliver workshops and demonstration sessions for ECEC scholarship recipients.

Contribute to the development of annual physical literacy events for ECEC services.

Develop resources to support ECEC services to utilise the KIDDO program.

Other duties as directed.

Your specific work capabilities (selection criteria)

Relevant tertiary or post-secondary qualification or demonstrated equivalent competency.

Experience working in the early childhood education and care sector and an understanding of the National Quality Framework.

Experience delivering gross motor skill activities to young children.

Highly developed presentation skills with the ability to deliver engaging and informative workshops for early childhood educators.

Highly developed written and verbal communication skills, including the ability to liaise and work with a range of people at different levels.

Well-developed proficiency in a range of computer skills including the Microsoft office suite.

Ability to work independently, solve problems, show initiative and collaborate within a team.

Special requirements (selection criteria)

Some after-hours work may be required.

Provide own vehicle.

Current "C" class driver's licence.

Current Working with Children Check.

Compliance

Ensure you are aware of and comply with legislation and University policies.
