THE UNIVERSITY OF WESTERN AUSTRALIA

POSITION DESCRIPTION

Position Title	Senior Lecturer
Classification	Level C
School/Division	UWA Medical School
Centre/Section	Rural Clinical School
Supervisor Title	Head of Division
Supervisor Position Number	FSR 307101
Position Number	FSR

Your work area

The Rural Clinical School of Western Australia (RCSWA) is a network of 15 rural and remote sites across the Kimberley, Pilbara, Mid-West, Goldfields, Great Southern and South West regions of Western Australia. It is a collaboration between UWA, The University of Notre Dame Australia, Fremantle and Curtin Medical School, operating as a unit within the UWA School of Medicine. The RCSWA is committed to providing quality teaching, research, professional development and clinical service in rural and remote settings.

Reporting structure

Reports to: Head of Division
Dotted line reports to: Lead Medical Coordinator

Your role

The Medical Coordinator's (MCs) main responsibility is to assist with organising and teaching of RCSWA students. MCs can also be supported to develop in other academic areas (research, service, further clinical skills) depending on their interests.

Your key responsibilities

In consultation with local medical practitioners and agencies maintain and further develop local educational programs that meet the requirements of the RCSWA and take advantage of local opportunities and strengths.

Deliver medical education and training to medical students and assist in the support of preceptors and host practitioners.

Arrange learning opportunities for medical students by liaising with local agencies.

Where possible, be involved in research and/or evaluation relevant to improving rural health.

Develop and coordinate the development of rural training pathways in local area of appointment and contribute to a statewide RCSWA approach.

Other duties as required.

Your specific work capabilities (selection criteria)

Essential

Registered, or able to be registered with AHPRA as a Medical Practitioner.
Committed to working in medical practice in rural WA

Available to work in the respective RCSWA site and the ability to network with rural practitioners in the region.
