## **Organisational Context**

### **Organisational Overview:**

Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians

### **Our Legal Entities:**

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Wellbeing. The Department for Health and Wellbeing is an administrative unit under the Public Sector Act 2009.

The legal entities include but are not limited to Central Adelaide Local Health Network Inc., Northern Adelaide Local Health Network Inc., Southern Adelaide Local Health Network Inc., Women's and Children's Health Network Inc., Country Health SA Local Health Network Inc. and SA Ambulance Service Inc.

### **SA Health Challenges:**

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Care Plan has been developed to meet these challenges and ensure South Australian's have access to the best available health care in hospitals, health care centres and through GPs and other providers.

### **Central Adelaide Local Health Network:**

CALHN is one of five Local Health Networks (LHNs) in South Australia established in July 2011. CALHN is responsible for the following health services:

- Royal Adelaide Hospital (RAH)
- The Queen Elizabeth Hospital (TQEH)
- Hampstead Rehabilitation Centre (HRC)
- St Margaret's Rehabilitation Hospital (SMRH)
- Glenside Health Service (GHS) Psychiatric Intensive Care Unit; Inpatient Rehabilitation Services and Acute beds only
- Adelaide Dental Hospital (ADH).

CALHN also has governance over numerous community mental health and primary health services including Prison Health Service, SA Dental Service and DonateLife SA. Of note also is governance of the Statewide Clinical Support Services (SCSS) including Imaging, Pathology and Pharmacy, responsibility of which has vacillated between CALHN and DHW over the past few years.

CALHN is one of three metropolitan LHNs and its core population is approximately 390,000 people. CALHN also provides services to patients from other SA networks, rural and remote areas, the Northern Territory, NSW (Broken Hill) and western parts of Victoria. These services usually relate to complex services such as head and neck cancer, radiation therapy, cardiac surgery, spinal surgery or rehabilitation.

### **Division/ Department:**

The Regional laboratories provide a diagnostic pathology and collection service to the local community in both the hospital and private GP sector. The SA Pathology laboratories are part of the community and strive to meet the needs of the local population and Country Health SA Local Health Network by delivering a service that is timely, accessible and of a high standard to ensure the best outcomes for all patients.

## Values

### Central Adelaide Local Health Network Values

Our shared values confirm our common mission by promoting an organisational climate where the patient's needs are put first and where the teamwork and professionalism of our workforce help us to attract and retain the best staff. These values guide our decisions and actions.

<b>Patient Centred:</b>	Our patients are the reason we are here and we will provide the best service to our patients and customers
<b>Team Work:</b>	We value each other and work as a team to provide the best care for our patients
<b>Respect:</b>	We respect each other, our patients and their families by recognising different backgrounds and choices, and acknowledging that they have the right to our services
<b>Professionalism:</b>	We recognise that staff come from varied professional and work backgrounds and that our desire to care for patients unites our professional approach to practice

### Code of Ethics

The *Code of Ethics for the South Australian Public Sector* provides an ethical framework for the public sector and applies to all public service employees:

- Democratic Values - Helping the government, under the law to serve the people of South Australia.
- Service, Respect and Courtesy - Serving the people of South Australia.
- Honesty and Integrity- Acting at all times in such a way as to uphold the public trust.
- Accountability- Holding ourselves accountable for everything we do.
- Professional Conduct Standards- Exhibiting the highest standards of professional conduct.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.
