

## Low Loader Truck Operator

### Position Description

<b>Directorate</b>	Projects and Asset Services	<b>Department</b>	Asset Maintenance
<b>Reports To</b>	Technical Officer - Fleet Procurement and Plant Allocation	<b>Direct Reports</b>	No
<b>Queensland Local Government Industry Award - State 2017 - Stream</b>	Stream B - Division 2, Section 5 - Operational Services.	<b>Moreton Bay Regional Council Certified Agreement 2022 EBA5 Wage Level</b>	Schedule 2, Wage Level 6

#### Position Purpose

This position will operate Council trucks primarily for the transport of plant and machinery in a competent, safe and efficient way, and provide general labouring assistance as required.

#### Key Responsibilities and Outcomes

As a Low Loader Truck Operator and member of the Asset Maintenance Department you will:

- Operate low loader and tilt-tray trucks and other plant as required.
- Load, restrain, transport and unload various items of plant and machinery including but not limited to graders, rollers, excavators, droids, front-end loaders, tractors, trucks, light vehicles, site sheds and shipping containers.
- Carry out daily checks, basic maintenance, servicing and cleaning of the vehicle/plant each day and report all defects in accordance with Council requirements.
- Correctly use and maintain plant and equipment provided, including all personal protective equipment, in accordance with manufacturer's instructions, Council's safety policy and procedures.
- Engage appropriately with a range of diverse internal and external stakeholders to ensure quality service delivery outcomes are achieved

#### Our Values

Our values shape the way we behave, how we interact with each other and our customers. They underpin our decision making and are our guiding principles for how we work every day. As a team member you will take individual accountability for demonstrating the values expectations and behaviours.
