Organisational Overview

Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians.

SA Health Challenges

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce strategies, and ageing infrastructure. The SA Health Strategic Plan has been developed to meet these challenges and ensure South Australians have access to the best available health care in hospitals, health care centres and through GPs and other providers.

Our Legal Entities

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Wellbeing. The Department for Health and Wellbeing is an administrative unit under the Public Sector Act 2009.

Governing Boards

The State Government is reforming the governance of SA Health, including from 1 July 2019 the establishment of 10 Local Health Networks, each with its own Governing Board.

Statewide	> Women's and Children's Health Network
Metropolitan	> Central Adelaide Local Health Network > Southern Adelaide Local Health Network > Northern Adelaide Local Health Network
Regional	> Barossa Hills Fleurieu Local Health Network > Yorke and Northern Local Health Network > Flinders and Upper North Local Health Network > Riverland Mallee Coorong Local Health Network > Eyre and Far North Local Health Network > South East Local Health Network

Southern Adelaide Local Health Network (SALHN)

SALHN provides care for more than 350,000 people living in the southern metropolitan area of Adelaide as well as providing a number of statewide services, and services to those in regional areas. More than 7,500 skilled staff provide high quality patient care, education, research and health promoting services.

SALHN provides a range of acute and sub-acute health services for people of all ages.

SALHN includes

Code of Ethics

The Code of Ethics for the South Australian Public Sector provides an ethical framework for the public sector and applies to all public service employees; it sets out the **South Australian Public Sector Values** as:

- > **Service** – We proudly serve the community and Government of South Australia.
- > **Professionalism** – We strive for excellence.
- > **Trust** – We have confidence in the ability of others.
- > **Respect** – We value every individual.
- > **Collaboration & engagement** – We create solutions together.
- > **Honesty & integrity** – We act truthfully, consistently, and fairly.
- > **Courage & tenacity** – We never give up.
- > **Sustainability** – We work to get the best results for current and future generations of South Australians.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.

Domestic and Family Violence

The Southern Adelaide Local Health Network (SALHN) recognises the devastating impact domestic or family violence can have on the lives, of those who experience abuse and are committed to supporting employees who experience domestic or family violence by providing a workplace environment that provides flexibility and supports their safety.
