Role Context

Primary objectives of role:

Employees classified at this level use their clinical knowledge and experience to provide the pivotal co-ordination of patient/client care delivery in a patient/client care area within a Health Unit/Community Service. The main focus of this role is the line management, coordination and leadership of nursing/midwifery and/or multi-disciplinary team activities to achieve continuity and quality of patient/client care and outcomes.

Employees in this role accept accountability for the outcomes of nursing/midwifery practices and/or multidisciplinary outcomes in the specific practice setting; for addressing inconsistencies between practice and policy; and for developing team performance and a positive work culture in the interest of patient/client outcomes.

Key Result Area and Responsibilities

Direct/indirect patient/client care

- Integrate contemporary information and evidence with personal experience to support the decision making, innovative thinking and objective analysis that are expected at this level. e.g. Expert Clinical knowledge underpins and informs their ability to support and lead clinical services and management activities that contribute to improve and optimise nursing/midwifery care.
- Provide the pivotal leadership and co-ordination of patient/client care delivery in a defined ward/unit/service/program to achieve continuity and quality of patient/client care and outcomes and efficient patient/client flow.

Support of health service systems

- Use available information systems: to inform decision making, to implement and co-ordinate processes for quality improvement, to monitor and analyse incidents and accidents, to ensure quality and safety is not compromised, to evaluate outcomes and convey information to staff.
- Contribute to the development of, implementation of, and monitoring of corporate policies and processes and lead in their area of expertise.
- Management of resources with due diligence.
- Implement and co-ordinate within span of control, processes for quality improvement and continuity within corporate risk management and nursing/midwifery professional practice frameworks.
- Identifying hazards, assessing risks and implementing, monitoring and maintaining hazard control measures.
- Maintain productive working relationships and manage conflict resolution.
- Implement local processes to operationalise the corporate risk management framework including investigating complaints, incidents and accidents.
- Change local processes and practices in accordance with emerging service needs, care evaluation results, identified imminent systems problems, and coordination of local activities with corporate systems.
- Undertake and/or oversee, within their span of control, some or all local resource management within the corporate administrative framework. Including some or all of the following within their defined ward/unit/value stream or program: recruitment, staffing, leave management. rostering, work allocation and attendance management. financial and supplies planning and monitoring.

Education

- Hold a contemporary professional practice portfolio containing evidence of postgraduate qualifications, learning and practice experience that underpin a demonstrable application of knowledge and skills commensurate with the level and type of practice expected of the role.
- Ensure mechanisms are in place to support ongoing education where work and learning are integrated.
- Develop and maintain a learning environment, taking a coaching approach to team development, individual capability development and performance development.

Research

- Contribute specific expertise to monitor and evaluate research activities in order to improve nursing or midwifery practice and service delivery.
- Establishing, implementing and evaluating systems, which ensure best practice/evidence and patient/client outcomes.
- Applies evidenced based recommendations to improve practice and service function.
- Uses metrics and research outcomes to identify the need for future evaluation or research action in order to improve practice and service delivery.

Professional leadership

- Provides leadership and direction, acts as a role model, mentor, consultant and resource person.
- Lead the Nursing/Midwifery team within the professional practice framework established by the Director of Nursing/Midwifery, and where appropriate, lead a multi-disciplinary team.
- Leads changes to models of care.
- Participate in workgroups/programs for patient/client outcomes that extend beyond the unit/service/workplace.

Knowledge, Skills and Experience

Essential Minimum Requirements

Educational/Vocational Qualifications

- Registered or eligible for registration as a Nurse/Midwife with the Nursing and Midwifery Board of Australia and who holds, or who is eligible to hold, a current practicing certificate.

Personal Abilities/Aptitudes/Skills

- Effective leadership skills including highly developed skills in communication, problem solving, conflict resolution and negotiation skills.
- Ability to work effectively within a multidisciplinary team.
- Ability to review and improve models of care to be person and family centred.
- Demonstrated ability to foster a workplace environment that develops staff potential.
- Proven ability for flexibility, innovation and creativity with in the whole of service setting.
- Demonstrated ability in leading and promoting consumer engagement initiatives
- Demonstrated ability in the leadership and facilitation of change management.

Experience

- Registered Nurse and or Midwife with at least 3 years post registration experience.
- Demonstrated competence in the relevant area of nursing and/or midwifery practice in accordance with the relevant standards
- Experience in management and leadership roles
- Experience in the supervision of students, enrolled nurses and less experienced registered nurses and or midwives.

Knowledge

- Knowledge and understanding of relevant legislation, industrial agreements, standards, codes, ethics and competency standards
- Knowledge of Australian National Safety and Quality and Safety Health Service Standards
- Knowledge of contemporary professional nursing and or midwifery and health care issues.

Desirable Characteristics

Educational/Vocational Qualifications

- Where applicable, qualifications relevant to practice setting.
- Tertiary qualifications in nursing and or midwifery or human services related discipline (Graduate Diploma or Master level)

Personal Abilities/Aptitudes/Skills

- Skills in using computers and software relevant to the area of practice.

Experience

- Experience in the financial, asset and human resources management of a ward/unit/service.
- Experience in facilitating nursing or midwifery related research and applying findings to the area of practice.
- Experience in organisational strategic planning.

Knowledge

- Knowledge of the South Australian Public Health System.

Key Relationships/ Interactions:

- Maintains close collaborative working relationships with all level 3 and level 4 Nurses/ Midwives.
- Provides direct line report and maintains a close working relationship with the Associate Nurse/Midwife Unit Manager (Level 2) and the Clinical Nurse/Midwife (Level 2).
- Provides direct line report and maintains cooperative and productive working relationships within all members of the health care team.
- Provides direct line report and maintains develops, supports and works collaboratively with less experienced members of the nursing/midwifery team.
- Collaborative working relationships with the multidisciplinary team and people and culture consultants.

External

- Maintains relationships with non-government organisations or other government organisations.

Direct reports:

- Level 1 & 2 RN/Ms
- Enrolled Nurses
- Assistants in Nursing/Midwifery
- Ancillary staff

Challenges associated with role:

Major challenges currently associated with the role include:

- Managing a team and addressing inconsistencies in between practice and polices/procedures
- Monitor and manage unit resources and promote a culture of due diligence
- Keeping up-to-date with professional standards of practice, implementing and monitoring evidence based care and quality and safety initiatives
- Dealing appropriately with children, youth, women and their families where there can be multiple complexities, diverse cultural backgrounds and consumer expectations.

Special conditions:

- It is mandatory that no person, whether or not currently working in SA Health, will be eligible for appointment to a position in SA Health unless they have obtained a satisfactory National Police Certificate (NPC).

- Prescribed Positions under the *Child Safety (Prohibited Persons) Act 2016* must obtain a satisfactory Working With Children Check (WWCC) through the Department of Human Services (DHS) Screening Unit.
- *Approved Aged Care Provider Positions* as defined under the *Accountability Principles 1998* made in pursuant to the *Aged Care Act 2007 (Cth)* must obtain a satisfactory National Police Certificate (NPC) through the South Australian Police confirming the clearance is for the purpose of unsupervised contact with vulnerable groups.
- Prescribed positions under the *Disability Services Act 1993* must obtain a satisfactory Disability Services Employment Screening through the Department of Human Services (DHS) Screening Unit
- Risk-Assessed roles under the National Disability Insurance Scheme (NDIS) (*Practice Standards – Worker Screening Rules 2018*) must obtain a satisfactory NDIS Working Screening Check through the Department of Human Services (DHS) Screening Unit.
- NPCs and DHS Disability Services Employment Screenings must be renewed every 3 years thereafter from date of issue.
- WWCCs and NDIS Worker Screening Checks must be renewed every 5 years thereafter from date of issue.
- Depending on work requirements the incumbent may be transferred to other locations across SA Health to perform work appropriate to classification, skills, and capabilities either on a permanent or temporary basis subject to relevant provisions of the *Public Sector Act 2009* for Public Sector employees or the *SA Health (Health Care Act) Human Resources Manual* for Health Care Act employees.
- The incumbent may be required to participate in Counter Disaster activities including attendance, as required, at training programs and exercises to develop the necessary skills required to participate in responses in the event of a disaster and/or major incident.
- Must be an Australian Resident or hold a current working visa.
- Appointment is subject to immunisation risk category requirements (see page 1). There may be ongoing immunisation requirements that must be met.
- The incumbent may be required to undertake further study to obtain a qualification which supports the needs of the health unit. Where further study is required, FUNLHN will provide support and assistance in accordance with provisions of the SA Health (Health Care Act) Human Resources Manual. Note, however, this Special Condition does not apply to existing LHN employees with continuous employment within the LHN which commenced prior to 1 October 2016.

General requirements:

Managers and staff are required to work in accordance with the Code of Ethics for South Australian Public Sector, Directives, Determinations and Guidelines, and legislative requirements including but not limited to:

- *Work Health and Safety Act 2012 (SA)* maintaining your own health and safety and not place others at risk and comply with any reasonable instruction that is given to allow SA Health to comply with the WHS Act, and when relevant WHS Defined Officers must meet due diligence requirements.
- *Return to Work 2014 (SA)*, facilitating the recovery, maintenance, or early return to work of employees with work related injuries / illness.
- Equal Employment Opportunities (including prevention of bullying, harassment, and intimidation).
- Meet immunisation requirements as outlined by the *Addressing vaccine preventable disease: Occupational assessment, screening, and vaccination Policy*.
- *Children and Young People (Safety) Act 2017 (SA)* 'Notification of Abuse and Neglect'.

- Disability Discrimination.
- *Independent Commissioner Against Corruption Act 2012 (SA).*
- *Information Privacy Principles Instruction.*
- Relevant Awards, Enterprise Agreements, *Public Sector Act 2009, Health Care Act 2008,* and the *SA Health (Health Care Act) Human Resources Manual.*
- Relevant Australian Standards.
- Duty to maintain confidentiality.
- Smoke-free Workplace.
- To value and respect the needs and contributions of SA Health Aboriginal staff and clients, and commit to the development of Aboriginal cultural competence across all SA Health practice and service delivery.
- Applying the principles of the South Australian Government's Risk Management Policy to work as appropriate.
- *Health Practitioner Regulation National Law (South Australia) Act 2010*
- *Mental Health Act 2009 (SA)* and Regulations
- *Controlled Substances Act 1984 (SA)* and Regulations
- The Nursing and Midwifery Board of Australia Registration Standards (including the Guidelines and Assessment Frameworks for Registration Standards)
- The Nursing and Midwifery Board of Australia Professional Practice Codes and Guidelines (including Competency Standards, Codes of Ethics and Professional Conduct, Decision Making Framework and Professional Boundaries)
- Professional Practice Standards and competencies consistent with area of practice as varied from time to time
- SA Health / FUNLHN / other relevant departmental policies, procedures and standards.

The SA Health workforce contributes to the safety and quality of patient care by adhering to the South Australian Charter of Health Care Rights, understanding the intent of the National Safety and Quality Health Service Standards and participating in quality improvement activities as necessary.

Resilience:

SA Health employees persevere to achieve goals, stay calm under pressure and are open to feedback.

White Ribbon:

SA Health has a position of zero tolerance towards men's violence against women in the workplace and the broader community. In accordance with this, the incumbent must at all times act in a manner that is non-threatening, courteous, and respectful and will comply with any instructions, policies, procedures, or guidelines issued by SA Health regarding acceptable workplace behaviour.

Cultural statement:

FUNLHN welcomes Aboriginal and Torres Strait Islander people and values the expertise, cultural knowledge, and life experiences they bring to the workplace. FUNLHN is a culturally inclusive work environment that is respectful of Aboriginal and Torres Strait Islander culture.

Performance development

It is your responsibility to actively participate in the Performance Review and Development Program which will include a six (6) monthly review of your performance against the responsibilities and key result areas associated with your position and a requirement to demonstrate appropriate behaviours which reflect a commitment to South Australian Public Sector and FUNLHN and strategic directions.

As a Manager you, or your delegate, are required to action the Performance Review & Development Program inclusive of six (6) monthly reviews, for all employees for whom you are responsible.

Handling of official information:

By virtue of their duties, SA Health employees frequently access, otherwise deal with, and/or are aware of, information that needs to be treated as confidential.

SA Health employees will not access or attempt to access official information, including confidential patient information other than in connection with the performance by them of their duties and/or as authorised.

SA Health employees will not misuse information gained in their official capacity.

SA Health employees will maintain the integrity and security of official or confidential information for which they are responsible. Employees will also ensure that the privacy of individuals is maintained and will only release or disclose information in accordance with relevant legislation, industrial instruments, policy, or lawful and reasonable direction.

Partnering with Consumers

The Flinders and Upper North Local Health Network is committed to involving consumers, communities and carers in the planning, design and evaluation of our health services. We do this through (but not limited to) Flinders and Upper North Local Health Network Board Consumer and Community Engagement Committee, Health Advisory Councils, Community Network Register and with consumer representation on operational committees. Furthermore, advocacy and advice is sought as appropriate from specialist support group Experts by Experience and representatives for mental health, aged care, child and youth care, disability and other groups.

Organisational Context

Organisational overview

Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer, and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care, and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological, and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians

Our legal entities

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Ageing and the Minister for Mental Health and Substance Abuse.

The legal entities include but are not limited to Department for Health and Ageing, Central Adelaide Local Health Network, Northern Adelaide Local Health Network, Southern Adelaide Local Health Network, Women's and Children's Health Network, Barossa Hills Fleurieu Local Health Network, Eyre and Far North Local Health Network, Flinders and Upper North Local Health Network, Limestone Coast Local Health Network, Riverland Mallee Coorong Local Health Network, Yorke and Northern Local Health Network and SA Ambulance Service.

SA Health challenges

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Care Plan has been developed to meet these challenges and ensure South Australian's have access to the best available health care in hospitals, health care centres and through GPs and other providers.

Values

SA Health Values

The values of SA Health are used to indicate the type of conduct required by our employees and the conduct that our customers can expect from our health service:

- We are committed to the values of integrity, respect, and accountability.
- We value care, excellence, innovation, creativity, leadership and equity in health care provision and health outcomes.
- We demonstrate our values in our interactions with others in SA Health, the community, and those for whom we care.

Code of Ethics

The *Code of Ethics for the South Australian Public Sector* provides an ethical framework for the public sector and applies to all public service employees:

- Democratic Values - Helping the government, under the law to serve the people of South Australia.
- Service, Respect and Courtesy - Serving the people of South Australia.
- Honesty and Integrity - Acting at all times in such a way as to uphold the public trust.
- Accountability - Holding ourselves accountable for everything we do.
- Professional Conduct Standards - Exhibiting the highest standards of professional conduct.

As a public sector employee, you have a responsibility to maintain ethical behaviour and professional integrity standards. It is expected that you act in accordance with the Code of Ethics and contribute to a culture of integrity within SA Health.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their specific occupation and/or profession.

SA Health acknowledges culture and identity as being integral to Aboriginal health and wellbeing and is committed to improving the health of Aboriginal people.

SA Health vision for Reconciliation is the gap is closed on Aboriginal health disadvantage; and Aboriginal people share the same rights, respect and access to opportunities and benefits as all South Australians.
