ROLE CONTEXT

Primary Objective(s) of role:

Employees classified at this level use their clinical knowledge and experience to provide the pivotal coordination of patient/client care delivery in a patient/client care area within a Health Unit/Community Service. The main focus of this role is the line management, coordination and leadership of nursing/midwifery and/or multi-disciplinary team activities to achieve continuity and quality of patient/client care and outcomes.

Employees in this role accept accountability for the outcomes of nursing/midwifery practices and/or multidisciplinary outcomes in the specific practice setting; for addressing inconsistencies between practice and policy; and for developing team performance and a positive work culture in the interest of patient/client outcomes.

Direct Reports:

Direct reports to this position include

- > Senior Professional Officer/Senior Allied Health Professional/Associate Nurse Unit Manager (PO2/AHP2/RN2)
- > Allied Health Professional/Professional Officer/Registered Nurse (AHP1/PO1/RN1)

Key Relationships/ Interactions:

Internal

- > Maintains close collaborative working relationships with all level 3 and level 4.
- > Provides direct line report and maintains a close working relationship with the Associate Nurse/Midwife Unit Manager (Level 2) and the Clinical Nurse/Midwife (Level 2).
- Provides direct line report and maintains cooperative and productive working relationships within all members of the health care team responsible for the state-wide COVID-19 contact tracing and outbreak response.
- > Provides direct line report and maintains develops, supports and works collaboratively with less experienced members of the nursing/midwifery team.
- Collaborative working relationships with the multidisciplinary team of the COVID Operational team in addition to other teams from the Communicable Disease Control Branch.

External

- > Maintains relationships with non-government organisations or other government organisations.
- Maintain a collaborative working relationship with laboratories, medical practitioners, healthcare facilities, relevant non-government organisations, environmental health officers, interstate public health units, Commonwealth agencies and the COVID-19 State Control Centre.
- > Liaise with internal and external stakeholders/organisations where appropriate in the facilitation of outbreak control within South Australiacollaborative

Challenges associated with Role:

Major challenges currently associated with the role include:

- Working in an emerging and rapidly changing public health response that is highly impactful to human health whilst being mindful of political and economic sensitivities.
- Maintaining sensitive state-wide systems for the early detection, response and reporting of communicable diseases.
- > Managing a team and addressing inconsistencies in between practice and polices/procedures
- > Monitor and manage unit resources and promote a culture of due diligence
- > Keeping up-to-date with professional standards of practice, implementing and monitoring evidence based care and quality and safety initiatives
- > Dealing appropriately with members of the public where there can be multiple complexities, diverse cultural backgrounds and consumer expectations.

Delegations:

- > HR Level 6 (COVID structure)
- > Finance N/A

Resilience:

SA Health employees persevere to achieve goals, stay calm under pressure and are open to feedback.

Performance Development

The incumbent will be required to participate in the organisation's Performance Review & Development Program which will include a regular review of the incumbent's performance against the responsibilities and key result areas associated with their position and a requirement to demonstrate appropriate behaviours which reflect a commitment to SA Health values and strategic directions.

General Requirements:

*NB Reference to legislation, policies and procedures includes any superseding versions

Managers and staff are required to work in accordance with the Code of Ethics for South Australian Public Sector, Policies and Procedures and legislative requirements including but not limited to:

- > Work Health and Safety Act 2012 (SA) and when relevant WHS Defined Officers must meet due diligence requirements.
- > Return to Work Act 2014 (SA), facilitating the recovery, maintenance or early return to work of employees with work related injury / illness.
- > Equal Employment Opportunities (including prevention of bullying, harassment and intimidation).
- Children and Young People (Safety) Act 2017 (SA) 'Notification of Abuse or Neglect'.
- > Disability Discrimination.
- > Independent Commissioner Against Corruption Act 2012 (SA)
- > SA Information Privacy Principles
- > Relevant Awards, Enterprise Agreements, *Public Sector Act 2009* (SA), *Health Care Act 2008* (SA), and the SA Health (Health Care Act) Human Resources Manual.
- > Relevant Australian Standards.
- > Duty to maintain confidentiality.
- > Smoke Free Workplace.
- To value and respect the needs and contributions of SA Health Aboriginal staff and clients, and commit to the development of Aboriginal cultural competence across all SA Health practice and service delivery.
- > Applying the principles of the South Australian Government's Risk Management Policy to work as appropriate.
- > Health Practitioner Regulation National Law (South Australia) Act 2010
- > Mental Health Act 2009 (SA) and Regulations
- > Controlled Substances Act 1984 (SA) and Regulations
- > The Nursing and Midwifery Board of Australia Registration Standards (including the Guidelines and Assessment Frameworks for Registration Standards)
- The Nursing and Midwifery Board of Australia Professional Practice Codes and Guidelines (including Competency Standards, Codes of Ethics and Professional Conduct, Decision Making Framework and Professional Boundaries)
- > Professional Practice Standards and competencies consistent with area of practice as varied from time to time
- > SA Health policies, procedures and standards

Handling of Official Information:

By virtue of their duties, SA Health employees frequently access, otherwise deal with, and/or are aware of, information that needs to be treated as confidential.

SA Health employees will not access or attempt to access official information, including confidential patient information other than in connection with the performance by them of their duties and/or as authorised.

SA Health employees will not misuse information gained in their official capacity.

SA Health employees will maintain the integrity and security of official or confidential information for which they are responsible. Employees will also ensure that the privacy of individuals is maintained and will only release or disclose information in accordance with relevant legislation, industrial instruments, policy, or lawful and reasonable direction.

White Ribbon:

SA Health has a position of zero tolerance towards men's violence against women in the workplace and the broader community. In accordance with this, the incumbent must at all times act in a manner that is non-threatening, courteous, and respectful and will comply with any instructions, policies, procedures or guidelines issued by SA Health regarding acceptable workplace behaviour.

Special Conditions:

*NB Reference to legislation, policies and procedures includes any superseding versions

- > The incumbent will be required to work between the hours of 7am and 12 midnight over a 7 day roster.
- > The incumbent may be required to participate in a 24/7 roster.
- > The incumbent may be required to participate in an after-hours on-call roster; some out-of-hours work will be required.
- > Intrastate/interstate travel may be required.
- > Meet immunisation requirements as outlined by the Immunisation for Health Care Workers in South Australia Policy Directive.
- Appointment is subject to immunisation risk category requirements (see page 1). There may be ongoing immunisation requirements that must be met.
- It is mandatory that no person, whether or not already working in SA Health, may be appointed to a position in SA Health unless they have the satisfactory Criminal and Relevant History Screening, as required by the SA Health Criminal and Relevant History Screening Policy Directive.
- > For 'Prescribed Positions' under the Child Safety (Prohibited Persons) Act (2016), the individual's WWCC must be renewed every 5 years from the date of issue; and for "Approved Aged Care Provider Positions' every 3 years from the date of issue as required by the Accountability Principles 2014 issued pursuant to the Aged care Act 1997 (Cth).
- > For appointment in a *Prescribed Position* under the *Child Safety (Prohibited Persons Act (2016),* a current Working with Children Check (WWCC) is required from the Department for Human Services Screening Unit. For other positions, a satisfactory National Police Certificate (NPC) assessment is required.
- > Depending on work requirements the incumbent may be transferred to other locations across SA Health to perform work appropriate to classification, skills and capabilities either on a permanent or temporary basis subject to relevant provisions of the *Public Sector Act 2009* for Public Sector employees or the *SA Health (Health Care Act) Human Resources Manual* for Health Care Act employees.
- > The incumbent may be required to participate in Counter Disaster activities including attendance, as required, at training programs and exercises to develop the necessary skills required to participate in responses in the event of a disaster and/or major incident.

Organisational Context

Organisational Overview:

Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians

Our Legal Entities:

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Wellbeing. The Department for Health and Wellbeing is an administrative unit under the Public Sector Act 2009.

The legal entities include but are not limited to the Central Adelaide Local Health Network Inc., Northern Adelaide Local Health Network Inc., Southern Adelaide Local Health Network Inc., Women's and Children's Health Network Inc., Barossa Hills Fleurieu Local Health Network Inc., Eyre and far North Local Health Network Inc., Flinders and Upper North Local Health Network Inc., Limestone Coast Local Health Network Inc., Riverland Mallee Coorong Local Health Network Inc., Yorke and Northern Local Health Network Inc. SA Ambulance Service Inc.

SA Health Challenges:

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Care Plan has been developed to meet these challenges and ensure South Australian's have access to the best available health care in hospitals, health care centres and through GPs and other providers.

Health Network/ Division/ Department:

The Health Regulation and Protection Division works with and for the South Australian community to improve public health and clinical care. This encompasses providing services, advice, education, support, policy, leadership and advocacy, administering legislation and partnering with service providers, government agencies and the non-government sector to identify and respond to current and emerging public health and clinical issues and opportunities. The Health Regulation and Protection Division comprises of the following Branches:

- Office of the Chief Public Health Officer
- Communicable Disease Control Branch
- Communicable Disease Control Branch COVID Operations
- Health Protection and Licencing Services
- Disaster Preparedness and Resilience Branch
- State Command Centre Health
- Blood, Organ and Tissue Programs

The Communicable Disease Control Branch COVID Operations aims to reduce the incidences of COVID-19 in SA through the following service areas:

- Medical Unit
- COVID Surveillance and Investigation
- Infection Control Service
- Operations Support

Values

SA Health Values

The values of SA Health are used to indicate the type of conduct required by our employees and the conduct that our customers can expect from our health service:

- > We are committed to the values of integrity, respect and accountability.
- > We value care, excellence, innovation, creativity, leadership and equity in health care provision and health outcomes.
- > We demonstrate our values in our interactions with others in SA Health, the community, and those for whom we care.

Code of Ethics

Approvals

The Code of Ethics for the South Australian Public Sector provides an ethical framework for the public sector and applies to all public service employees:

- > Democratic Values Helping the government, under the law to serve the people of South Australia.
- > Service, Respect and Courtesy Serving the people of South Australia.
- > Honesty and Integrity- Acting at all times in such a way as to uphold the public trust.
- > Accountability- Holding ourselves accountable for everything we do.
- > Professional Conduct Standards- Exhibiting the highest standards of professional conduct.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.
