ROLE PURPOSE:

We have several ongoing positions at the ASO5 across the following four team workstreams:

- Engagement and Community Communications team:
 - Lead community-driven efforts to improve cultural safety and responsiveness in mainstream health services, ensuring they support Aboriginal cultures and improve health outcomes.
 - Facilitate strong community engagement and communications to align policies and strategies with the needs and priorities of Aboriginal communities.
 - Foster collaboration and shared decision-making with Aboriginal communities, ensuring they are central to shaping health services and outcomes that directly affect them.
- Shared Decision-Making and Partnership team:
 - Facilitate partnerships and governance approaches between Aboriginal representatives and health system stakeholders to deliver on Closing the Gap commitments.
 - Strengthen the Aboriginal Community-Controlled Organisation Sector and transform decision-making processes within SA Health to improve outcomes for Aboriginal peoples.
 - Lead the development and management of the SA Closing the Gap Health and Wellbeing Partnership Committee and support other partnership governance mechanisms.
- Investment, Evidence, and Performance team:
 - Design and implement systems for transparent monitoring, data collection, sharing, and reporting on Aboriginal health outcomes.
 - Provide leadership in data evaluation, analysis, and research to guide health priorities, policy, and decision-making.
 - Provides systemwide leadership and advice on investment into Aboriginal health outcomes (both targeted and mainstream) and support performance and outcome measures to improve commissioning, contract and procurement outcomes.
 - Leads projects with the Local Health Networks to improve Aboriginal Health
- Policy and Reform team:
 - Developing policies and processes to build SA Health's capability to transform in line with the four Closing the Gap Priority Reforms and improve monitoring and reporting of progress.
 - Provide strategic advice on proposals, policy, programs, services and research that draws on information from across SA Health.
 - Work across SA Health to coordinate systemwide responses to state and national Closing the Gap requests, including monitoring and reporting on Closing the Gap progress.

KEY RELATIONSHIPS/INTERACTIONS:

Internal

- Works collaboratively with Aboriginal Health Unit Team and across DHW as required;
- Fosters close working relationships with key SA Health stakeholders, including and Local Health Network (LHNS) and Attached Offices.

External

- Members of public,, local, State and Commonwealth Government agencies, aboriginal Community Controlled Sector, contractors and other external stakeholders.

CHALLENGES ASSOCIATED WITH THE ROLE:

- Supporting SA Health's commitment to Closing the Gap.
- Maintaining strategic relationships and stakeholder engagement with internal and external stakeholders Working in a fast-paced environment characterised by complexity, innovation and change.
- Managing sensitive information.

SPECIAL CONDITIONS:

- May be required to participate in an after-hours on-call roster/some out-of-hours work.
- Intrastate/interstate travel may be required.
- Appointment is subject to immunisation risk category requirements. There may be ongoing immunisation requirements that must be met.
