Anglicare Victoria has a rewarding career ready for you in a dedicated, professional team where respecting each other; leading with purpose; working together; and creating a positive difference are valued, and learning and creativity are encouraged.

We strive to create an environment where employees feel valued and rewarded.

By living the Anglicare Victoria values and actively fostering fairness, equality, diversity and inclusion, our people make Anglicare Victoria a truly great place to work

Our employees are able to develop their careers across all of our service areas. They have the flexibility to align the pace of their career with their various life stages.

Commitment to your professional development

Anglicare Victoria supports and encourages our employees with a comprehensive range of professional and personal development opportunities to equip our employees to bring about significant improvements in the life experience of the young people, children and families/caregivers with whom we work.

Creating a 'Culture of Care'

While working with our clients can be an incredibly rewarding experience, it can also be challenging. This is why Anglicare Victoria requires that staff involved in the provision of services directly to children, young people, adults and families have regular supervision sessions with their direct manager.

Anglicare Victoria provides a comprehensive Employee Assistance Program (EAP). The EAP can be used to help support staff and their families through a work or personal issue that may be impacting their health or wellbeing through access to professional and confidential counselling services.

Flexible working arrangements

Anglicare Victoria recognises that changes in the lives of our staff can affect work life balance and well-being. This is why there are a variety of arrangements including altering start and finish times, job sharing and part time options where appropriate. Also you may be eligible to purchase additional annual leave. Maternity and parental leave arrangements are also available.

Generous salary packaging benefits

Salary packaging allows you to pay for certain expenses before tax is taken out of earnings. This reduces the amount of tax paid, helping staff make the most of their income.

Also a corporate health plan is available providing a great value health cover for you if you choose to access it.

So come and join us at Anglicare Victoria where our focus is on creating opportunities to transform the futures of disadvantaged Victorian children, young people & families.

Service Information

The Anglicare Victoria Therapeutic Residential Care program provides accommodation and support for children / young people aged 12 – 18 years requiring placement within a therapeutic Residential Care environment. The Therapeutic Care Program operates as part of an integrated service response aimed at addressing protective issues as determined by the courts and covered in the Children, Youth and Families Act. This can include issues of significant trauma, abuse and/or neglect.

The Anglicare Victoria Therapeutic Residential Care model aims to provide holistic, trauma informed practice that creates an environment that takes into account the young person's trauma, resilience, attachment, developmental age. The model promotes congruence, consistency, coherence and reciprocity enriching the young person's environment with predictability, nurturance and achievable outcomes. The Therapeutic Specialists work within the TRC team to provide clinical leadership with regard to the development and implementation of appropriate therapeutic support for children and young people in out-of-home care.

Position Purpose

The Therapeutic Specialist will be allocated to one or more of the TRC houses, providing assessment and support to young people, and contributing to the care team of professionals and family of each client. The position is required to:

- Promote the ability of children and young people to recover from the effects of abuse, family violence, trauma and loss.
- Take a lead role in supporting professional practice and program development in order to promote best practice and ongoing quality improvement.
- Resource residential care staff and others to provide nurturing, therapeutic, reparative care for children and young people who present with complex needs and challenging behaviours using a trauma framework.

Key responsibilities

The key responsibilities are as follows but are not limited to:

1.	Conduct consultations and provide case practice advice for complex cases, including risk assessment and risk management of cases
2.	Work collaboratively with and provide expert integrative support to the House Coordinator, House Staff, Case Managers, TEACHaR and young people using a trauma informed practice
3.	Provide leadership in the professional development and recruitment of staff, including supporting a culture of reflective practice, quality supervision and coaching
4.	Conduct comprehensive developmental assessments for each young person which are reviewed every six months
5.	Facilitate training for professionals and care team members in trauma-informed therapeutic approaches to out-of-home care
6.	Ensure that the programs meet service and quality standards, targets, and legislative and policy requirements
