### **Your work area**

---

The School of Allied Health, within the College of Schools at The University of Western Australia, is a research-intensive academic organisation giving material expression to the belief that excellence in research underpins excellence in teaching and community partnerships. The School has a reputation for a strong evidence-based approach to research and education that is used for policy and practice development. The School aspires to be a school in which staff and students feel valued and supported in their individual and collective efforts to improve community health and wellbeing.

The Discipline of Podiatric Medicine and Surgery is located in the School and offers a three year postgraduate Doctor of Podiatric Medicine and Doctor of Podiatric Surgery degrees to eligible along with Higher Degree by Research and coursework programs.

### **Reporting structure**

---

Reports to: Head of Discipline Podiatric Medicine & Surgery

### **Your role**

---

As the appointee, you will be motivated to deliver quality teaching and unit co-ordination in podiatric medicine and/or podiatric surgery. The role will also supervise research students and contribute to the academic environment of the School. This is a teaching intensive position.

### **Your key responsibilities**

---

Lead high quality classroom and online teaching and tutoring, and unit coordination in Podiatric Medicine

Supervise undergraduate and /or postgraduate honours, dissertation and research thesis students.

Participate in School, University meetings and committees as required by the Head of Discipline.

Assist with clinic management and supervision of students within clinical areas as required.

Work collaboratively within the teaching teams and support the University's commitment to equity and diversity principles

Undertake administrative duties and service roles as required by the Head of Discipline

Other duties as directed

## **Your specific work capabilities (selection criteria)**

---

Unrestricted registration as a Podiatrist by the Podiatry Board of Australia

Demonstrated knowledge of, and teaching experience in, Podiatric Medicine and/or Podiatric Surgery, including scheduled medicines, in a University environment. A teaching portfolio is recommended evidence of teaching experience

Demonstrated ability to administer and coordinate academic units and programs in teaching and learning

Ability to demonstrate innovative and flexible teaching methods, such as case enhanced learning and e-learning

Evidence of supervision of students' research in a university environment

Demonstrated excellence in management and organisational skills and leadership qualities

Evidence of a high level of interpersonal skills, verbal and written communication, and demonstrated ability to relate well to staff and students at all levels

## **Special requirements (selection criteria)**

---

The provision of clinical activity is essential for this role. The post holder will be required to hold or be in the process of developing a speciality area of practice to be agreed with the Head of Discipline. The post holder should hold an endorsement for scheduled medicines or undertaking the process of obtaining an endorsement via one of the avenues provided by the Podiatry Board of Australia.

Proof of current full COVID-19 Vaccination or a Vaccination Exemption Statement recorded on the Australian Immunisation Register is required in accordance with the [Western Australia COVID-19 Mandatory Vaccination Programme](#)

## **Compliance**

---

Ensure you are aware of and comply with legislation and University policy relevant to the duties undertaken, including:

The University's Code of Conduct [hr.uwa.edu.au/policies/policies/conduct/code/conduct](http://hr.uwa.edu.au/policies/policies/conduct/code/conduct)

Inclusion and Diversity [web.uwa.edu.au/inclusion-diversity](http://web.uwa.edu.au/inclusion-diversity)
