

Casual Employment Opportunities Available Semester 1, 2020 – School of Mechanical Engineering (ECMS)

Courses with casual work available:

Catalogue Name	Catalogue Number	Course Title
CHEM ENG	4046	Combustion Processes
MECH ENG	2020	Materials & Manufacturing
MECH ENG	2021	Thermo-Fluids I
MECH ENG	2100	Design Practice
MECH ENG	2102	Sports Engineering I
MECH ENG	3026	Advanced Mechanics of Materials
MECH ENG	3100	Aeronautical Engineering
MECH ENG	3102	Heat Transfer & Thermodynamics
MECH ENG	3103	Advanced Manufacturing Systems
MECH ENG	3105	Sustainability & the Environment
MECH ENG	3106	Mechatronics II
MECH ENG	4102	Advanced PID Control
MECH ENG	4104	Advanced Topics in Fluid Mechanics
MECH ENG	4105	Advanced Vibrations
MECH ENG	4106	Aerospace Propulsion
MECH ENG	4111	CFD for Engineering Applications
MECH ENG	4112	Combustion Technology & Emission Control
MECH ENG	4118	Finite Element Analysis of Structures
MECH ENG	4121	Materials Selection & Failure Analysis
MECH ENG	4124	Robotics M
MECH ENG	4144	Renewable Fluid Power Technology
MECH ENG	7041A	Masters Project Part 1
MECH ENG	7041B	Masters Project Part 2
